

Financial Preparedness!

In the United States really began two years ago when the Federal Reserve System was organized. It will be complete when every citizen is doing his share towards the maintenance of the system. By depositing your money with us you can help directly in developing and strengthening it, as we are required to keep on deposit with our Federal Reserve Bank in San Francisco a portion of your balance with us.

At the same time, and without cost, you benefit directly from the protection the system affords us.

The Douglas National Bank

Member Federal Reserve System.
CAPITAL AND SURPLUS \$130,000.

Send for Booklet, "How Does It Benefit Me?"

To Spend a Million.

During the past forty days the state highway commission has arranged for a million dollars of road work in the state. This action has

been taken since the approval of the six million bond issue on June 4. A statement has been issued by the commission regarding the work to be carried out.

APPLY FOR YOUR FARM LOAN NOW

TO PROSPECTIVE FARM BORROWERS:

We have received the following letter from the Agricultural Cooperative Company, whom we represent in Douglas county. The letter should be of interest to every farmer who expects to make a farm loan.

"Recent developments with reference to the war and the offering for sale by our government of unprecedented amounts of bonds, has no doubt caused you to think quite seriously about the possibility of an advance in farm loan rates in the near future. There is and can be no question as to the success of the present and future government bond issue. It is our privilege and patriotic duty to absorb these issues as fast as offered. Patriotic impulses should not, however, entirely blind us to our own conditions and the effect of that issuance and sale of such enormous quantities of bonds will have on interest rates. It will undoubtedly create a shortage, and a very large one, in funds which would otherwise seek investment in farm loans.

"Money is the only commodity today that is cheap. A substantial rise in interest rates sooner or later is as inevitable as that the sun will rise and set tomorrow."

So it behooves you then to have your arrangements made to take care of your loan on your farm if it is about to mature. We have made arrangements whereby we can take your application now and give you the advantage of the present low rate on our twenty year plan of lending money.

NOW IS THE TIME

for you to finance your farm loan and get it on a long time basis. Our twenty year plan will tide you over any period of high interest rates likely to occur.

WRITE US TODAY.

For information concerning our twenty year plan of lending money. We will take your application now and agree to furnish you the money any time within the next six months at present rates of interest. Write today. Don't postpone it.

MAKES CLUBBING ARRANGEMENT WITH

THE OREGON FARMER

Offers Unusual Opportunity To Its Readers

AMONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with *THE OREGON FARMER* whereby any farmer or fruit-grower, who is one of our regular subscribers and who is not now a subscriber of *THE OREGON FARMER*, will be entitled to receive *THE OREGON FARMER* in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity but send your order in now.

THE OREGON FARMER is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
