

SISTER J. H. BOOTH
KILLED IN ACCIDENT

Automobile Skids and Turns
Over Three Times With
Party

OTHERS SLIGHTLY HURT

Mrs. Keyes Was Well Known in
Roseburg—Lived at Wilbur Where
She Attended School and Has
Visited Here Frequently.

Mrs. Z. T. Keys, of Fossil, mother of Henry D. Keys, county judge of Wheeler county, and sister of Robert A. Booth, of Eugene, was injured fatally shortly after six o'clock last evening when the automobile which Judge Keyes was driving skidded and turned over three times.

Mrs. Keyes was caught under the car and fatally crushed. She lived for an hour, however, and had been brought in another car almost to Fossil when she expired.

The accident occurred at Rowe creek, about 14 miles from Fossil. The car skidded while crossing the bridge.

The others in the car, Judge Keyes and his daughter, Miss Viola Keyes, were slightly injured.

Judge Keyes was driving to Fossil from their summer home at Twickenham when the accident occurred. Judge Keyes is a brother of Mayor Walter E. Keyes, of Salem.

Hon. J. H. Booth, the well known banker of this city, brother of the unfortunate lady and Mrs. Ed. Singleton, of Dole, a sister, received a telegram this morning informing them of the death of their sister. Mrs. Singleton left for Eugene this afternoon where the body of the unfortunate lady has been taken and Mr. Booth will follow on the evening train.

Mrs. Keyes was well known in Roseburg and Douglas county. She attended the Wilbur academy and graduated from that institution many years ago.

MYSTERY SURROUNDS
DEATH OF CLUB MAN

(By Associated Press.)

ST. LOUIS, Aug. 7.—Jordan Wheat Lambert, member of one of the wealthiest families in this city, killed himself in his apartments during the morning. He was widely known as an amateur sportsman, and belonged to several of the largest athletic clubs. Early in the morning a telephone in Lambert's apartment rang and a maid answered the call. A woman asked her to see how Lambert was. The girl then went to the room and found the man lying mortally wounded, a revolver by his side. The identity of the woman who called up is unknown.

THE ADVISORY BOARD
IS NOW COMPLETE

The county court today named J. B. Large as a member of the advisory board to the county court, to act with A. J. Lilburn, appointed by the Merchants Association, and John Busenbark, appointed by the Douglas County Grange. It will be the duty of this board to confer with the county court in regard to road matters in connection with the road bond issue recently passed.

NEGRO REPUBLIC TAKES
HAND IN THE BIG WAR

WASHINGTON, Aug. 7.—Liberia, an African negro republic, has declared war on Germany. Diplomatic relations were broken some time ago but declaration of open hostilities gives opportunity of internecine German merchants and other who are accused of violating neutrality.

Will Arrive Tonight.
Miss Clara Patrick arrived this evening and will visit at the home of Miss Lucile French for a couple of weeks. Later in the month, Miss French and Miss Patrick will leave for Newport and enjoy the cool sea breeze for a time.
Boys to Join Navy.

LOCAL GROCERY
STORE ROBBED

Entrance Effected Through the
Rear Window Sometime
Last Night

THE PATTERSON STORE

Only Small Sum of Money Taken—
Thought the Job Was Executed
By Local Talent—
No Clue Left.

Thieves some time late last night or early this morning entered the Walter Patterson grocery store, situated on Cass street, and for their trouble received \$13.10 in silver and about twenty cents in pennies. This money was left in the cash register by the proprietor for change.

The robbers gained entrance through a small window at the rear of the building which was left partly open, but barred across the inside by iron bars about six inches apart. Boxes were piled up against the building to enable the men to reach the window which is about eight feet from the ground. It was an easy matter to pry the bars off once the window was gained.

That the thieves took plenty of time was evidenced by the manner in which the office was found this morning by the employees of the store. Checks and other papers were scattered all over the floor. The safe which was left unlocked, contained nothing of value, nevertheless this was carefully gone through, as was the writing desk and a typewriter stand, the drawers of both of these were left open by the robbers and all papers and other articles were scattered in every direction.

There was no groceries of any kind missing so far as known, but when interviewed this morning Mr. Patterson said a careful check-up had not been made at that time and that many other things may have been taken. It is his belief that a number of cigars are gone, but whether this is a fact or not has not yet been confirmed.

The parties responsible for the crime, after helping themselves to everything they wanted went so far as to take the key to the rear door, evidently expecting to return at some future time and do not want to take the trouble to go through a window, owing to the fact that this procedure consumes a good deal of valuable time.

Grocery stores seem to be the mark for robberies of late. Not long ago the Harness & Johnson store on Jackson street, was entered in precisely the same manner and nothing but money was touched by the thieves and from the manner in which this store was entered, it looks very much as though the same parties are responsible for both jobs.

Sheriff Quine was notified and everything possible will be done to apprehend the thieves, but as was the case with the Harness & Johnson robbery, no clue of any kind was left, therefore, it will be a very hard matter to effect an arrest. However, it is believed that local talent played an important part in these two robberies and a careful investigation will be made by the local authorities.

INSTITUTE DATES HAVE
BEEN DECIDED UPON

Superintendent O. C. Brown has received notice that open dates for the Douglas county teachers' institute may be held October 24, 25 and 26. Mr. Brown has decided to use these dates, as all schools will be in session at that time and a full attendance may be had.

It is too early yet to announce a program for the institute, but it is sufficient to say that a program arranged by Superintendent Brown will be up to standard in every respect.

LOCAL BOYS LEAVE
TO JOIN THE NAVY

Walter Leek, John Hatfield and John Turner, three well known local young men left this afternoon for Bremerton where they will join the navy department. The boys are extremely anxious to do their bit for Uncle Sam and are looking forward to a trip to France where they can bag a few Dutchmen.

COAST ARTILLERY
IS ASSIGNED

Personnel of Soldiers Who will
Occupy Quarters at
Fort Canby

CHANGE MADE MONDAY

"Ted" Jewett, Bert Bates, Clarence
Tester, Leon McClintock, John-
son Leonard and Warren
Lewis of Sanitary Corps.

(By Bert Bates.)

FOR STEVENS, OR., Aug. 6.—Official orders were issued today for the transfer of a part of the Oregon coast artillery to Fort Canby, which includes a detachment of the sanitary troops. Immediate steps are being taken to move the troops and it is understood this will occur some time today. Following is a copy of the orders issued:

In accordance with the provisions of general orders 32, C. D. of the Columbia, dated August 4, 1917, and policy outlined therein, the following personnel, Oregon coast artillery will take station at Fort Canby, Wash., on August 6, or as soon thereafter as boat transportation may be provided:

Lt.-Col. B. K. Lawson, O. C. A. 5th company O. C. A., Captain R. R. Knox commanding.

12th company O. C. A., Captain George R. Wilbur commanding.

First Lieut. J. W. Chase.

Second Lieut. Emma K. Gander.

Sgt. Major J. R. Harry Lowell.

Asst. Engr. R. L. Stewart.

Engr. Sgt. Cl. S. W. Ostrom.

Sgt. End. Cl. Wallace F. Jewett, sanitary troops.

Private First Class Bertram G. Bates, sanitary troops.

Private First Class Clarence M. Tester, sanitary troops.

Private Leon McClintock, sanitary troops.

Private Johnson D. Leonard, sanitary troops.

Private Warren F. Lewis, sanitary troops.

Upon arrival of the personnel mentioned in paragraph 1, caretaker detachment of the 1st company, Ft. Columbia, except Sergeant Charles G. Ohlson, will stand relieved and will proceed to rejoin company at Fort Columbia.

In accordance with the provisions of general orders 32, C. D. of Columbia August 4, 1917, and policy outlined therein the following personnel, Oregon coast artillery will take station at Fort Columbia, Wash., on August 6, 1917, or as soon thereafter as boat transportation may be provided:

Major W. L. Coppernoll.

Capt. W. A. Elkins, chaplain.

First Lieut. Burke B. Williams.

7th company O. C. A., Captain A. J. Vance commanding.

By order of Colonel Ellis.

R. K. LEMMON,

Captain Coast Artillery Corps, Asst.

SERIOUS ACCIDENT
ON NEW ERA HILL

When an automobile driven by
Maurice Marquis, of Eugene, got
beyond his control on the Pacific
highway just out of New Era at
11:45 last night and plunged over
an embankment Miss Ollie Marquis
was killed and the other five mem-
bers of the party mangled or more
seriously injured.

Those suffering injuries were Mrs. Sarah Marquis, mother of the dead girl, severely bruised; Mrs. E. E. Matlock, badly bruised; E. J. Marquis, several ribs broken and bruised; E. D. Matlock, back broken and suffering from paralysis, little hopes for recovery; Maurice Marquis, minor injuries.

The auto trucks are well known in Roseburg where they have visited on numerous occasions in the past.

PROMINENT FOLK HERE.

Mr. and Mrs. Merrill B. Moores, of Portland and Mrs. C. A. Gray, of Salem, passed through this city last evening enroute north after enjoying a tour to Crater Lake, California and all important points of interest in California and southern Oregon. The motorists report a very enjoyable journey and were delighted with the Crater Lake country. Mrs. Gray is well known in this city having visited at the homes of numerous prominent people on various occasions.

Mr. and Mrs. A. S. Huey will leave Roseburg in the morning for Newport, where they will enjoy a few weeks at the beach.

SERIAL DRAFT LIST
IS NOW COMPLETE

County Exemption Board Gives
Out the First Installment
of the Names

HOW DRAFT OPERATES

First Call Inoperative in Douglas
County—Believed Second Quota
Will Be Required Early
In the Year 1918.

Work of the county exemption board in arranging the draft schedule for Douglas county has been progressing for a few days, and this morning County Clerk Lenox, who is a member of the board, turned over to The News the first installment of names. It will be remembered that these names have been published before, but only as they were originally numbered. This publication of the names appear in their serial order, as the numbers were officially drawn by the draft board at Washington, D. C., July 20.

It will be noted that the number preceding each name is the serial number. The list is given in the order it was drafted, and the number following each name is the local exemption board number, and shows the order in which the men will be called to the colors. It has been officially announced that since Douglas county has filled its quota for men through the regular enlistment channels the first call of the draft does not apply. However, it is understood that a second call for men will be made some time about the first of the year, and at that time the draft will take effect in this county. For illustration, if it shall be determined that Douglas county must furnish 200 men on the second call, the county exemption board will then notify the first 400 men on this list that they must present themselves for examination. Double the number of the quota will be notified so as to allow for those who may be disqualified for service, or who shall be permitted exemptions. As there are only 245 names published in the list today, it will be seen that all of them, as well as 155 others, will be given notice to appear for examination, in event the second call should be given on a basis of 200 men for this county.

Every interested family in Douglas county should carefully preserve this list, as it will not be published again in its entirety, and in this way those affected by the draft will be able to keep in touch with developments. In event the war continues during 1918, and there is not the slightest indication that it will terminate, millions of men will be called to the colors in the next 18 months. This list will therefore be of great value to everyone.

BOYS FIRST SUNDAY
AT FORT STEVENS

Many Attend Church Services
Which Were Patriotic
and Impressive

C. A. C. BAND PLAYED

Local Items of Camp Life—Fourth
Company Will Soon Have a
Regular Cook to Feed the
Hungry Soldiers.

(By Bert Bates.)

FORT STEVENS, Aug. 5.—The first Sunday at Fort Stevens was passed today by the boys in a very quiet manner. In the morning church services were held on the athletic field. A large number of the soldiers attended and music was furnished by the Coast Artillery band under the direction of Roy Markoe. The services were very patriotic and impressive and the boys departed from the field resolving to attend the services regularly.

Clifford Lilly, of the sanitary troops, has gained the reputation of being the sleepest guy in camp for at any time of the day when off duty he can be found in his tent asleep. It is thought that an investigation will be started next week to ascertain whether or not he is afflicted with the "hook worm."

Ray Lahey, of the 4th company stated yesterday that he is experiencing a slight touch of the "blues." They will probably wear off next week, however, as intensive training will start and very little time will be had to think of home.

All of the boys who fainted Saturday in the 4th company have completely recovered and have been returned to duty. It is thought that as soon as they become hardened, they will not be troubled with fainting spells.

The 4th company has engaged a cook from Medford who will arrive here next week to take up his duties. From reports reaching here he is an experienced man in his line and the boys will no doubt get some good "chuck." The present cook is an inexperienced man and will probably be placed in the ranks as "buck" private.

John A. Hopkins, sanitary corps man discharged on account of physical disability several days ago, returned to his home at Canyonville yesterday. The boys of his organization all regretted to see him leave as he was very popular with them, and being experienced in army life offered them many good suggestions that saved them considerable trouble with their superior officers.

Col. B. K. Lawson, who owns a ranch at Round Prairie, inspected the sanitary corps camp this morning in company with Major Ellis.

James Goodman, Clarence Tester, John McClintock and the writer this afternoon took a hike to the northwest corner of Oregon and viewed the ocean from that place. It was a very beautiful sight and the mouth of the Columbia river offered delightful contrast with the Pacific ocean.

"Pedro" and "Penechie" are the two most interesting occupations being indulged in by the soldier boys here.

WM. POORMAN GETS
ARMY APPOINTMENT

Word was received at The News office today of the appointment of Winifred F. Poorman, adjutant at the Oregon soldiers' home, as sergeant in the quartermaster's department. Mr. Poorman has not as yet received word to report at headquarters but is very anxious to do his bit for Uncle Sam. The many friends of the young man in this city are very glad to hear of his appointment and wish him the best of luck.

Cigar Stand Sold.

J. M. Casey, who for the past five months has operated a pool hall at the corner of Cass and Rose streets in this city today sold his business to the former owner, R. B. Mathews. Mr. Casey and wife will leave in a few days for San Diego, Calif., to remain permanently. It is understood that Mr. Casey owns considerable real estate in that city. Going to Newport.

CITY COUNCIL HOLDS
REGULAR SESSION

Councilman Hamilton Objects
To Water Co. Installing
Emergency Pump

PULMOTOR IS REJECTED

Committee Does Not Purchase Pul-
motor or Lung Motor on Ground
That Reports From Promi-
nent Sources Were Adverse.

The regular meeting of the city council was held last night with Councilmen Bullwinkle, Cresson, McClintock, Powell, Hamilton and Kidd present. Much business was attended to, and several were present to present matters for the consideration of the council.

Attorney B. L. Eddy appeared for the property owners affected by the Block A sewer in Flint's addition, stating that it was the desire of the parties there to bring one suit, instead of a number, and if the city would consent, make a test case. Owing to the absence, from the city, of the city attorney, it was decided to wait until his return before deciding upon the matter.

S. M. Calkins who represents the Coast Culvert and Flume Co., of Portland, presented the matter of selling to the city railroad crossing signs, to be placed at crossings in compliance with a law passed by the last legislature. Mr. Calkins stated that this company makes thousands of signs and that he had sold to the county court of Douglas county as well as some towns in the county and many cities in the state. He stated that the signs the matter was referred to Health and Police committee with power to act.

A. M. Oeland, street superintendent, reported that he had been using his autoped in going from place to place and had found it to be of great advantage in his work, and asked the council to pay for repairs and supplies for the machine. The council referred this matter to the street committee.

J. E. McClintock, chairman of the special committee to which the investigation of the motor bus license of Geo. McCulloch was referred, reported that the other members of the committee were away, and no action had been taken. The committee was given until the next meeting to report.

Councilman Powell reported the purchase of 16 tons of hay, and the recorder was instructed to pay for the same when delivered, also to pay Mr. Powell \$144.40, to reimburse him for money he had paid out in the purchase of hay.

A bill for \$25 to Al Cresson for three months rental for the city dumping ground, and \$5.55 for telephone services were allowed. Mr. Cresson objected to the fire chief being allowed a special telephone, but upon vote of the council it was decided to continue the fire chief's phone.

A resolution was passed approving the action of the marshal in constructing a sidewalk on East Third street and bills to C. E. Benson for \$148.50 for construction and \$6.25 to H. Worthington for inspection of same, were directed to be paid, and the amounts entered in the docket of city liens against the property.

Councilman Hamilton referred to the pump, which is being installed by the Douglas County Water & Light Company at their auxiliary plant south of the city, stating that he understood the pump was to be used in emergencies, and that he thought the city should look into the matter, as the people would protest against the pumping of south Umpqua water into the city mains, as it would be very detrimental from a health standpoint. This was referred to the health and police committee with power to act in the matter. The report of the electrical inspector showed four complete, seven partial, and one rejected inspection for the month of July, with an expense of \$3.59, and the report of the superintendent of the street cleaning department showed an expense of \$269.48, for the same time.

The special committee consisting of R. L. Gile, A. Cresson and W. S. Hamilton appointed to act in the matter of the purchase of a pulmotor or lung motor stated that all of the reports made were adverse ones. Mrs. A. E. Rokey, Eugene Rokey, R. L. Marsh, Otis Aiken, of Portland, reporting the pulmotor a failure, even going so far as to say "It is an invention of the devil." Two eminent physiologists condemned it saying "These machines are dangerous, only defective." The city health officer of Portland has rejected the use of the pulmotor, the city health officer of Roseburg and practitioner

OKLAHOMA RIOT ENDS

Objectors to the Draft Surrendering
to Authorities—Union Orga-
nizers Among Those Who
Are Arrested.

(By Associated Press.)

NEW YORK, Aug. 7.—Called in the first draft to serve in the army as a private, and with a trip to France at the expense of the government starting him in the face, Kingdon Gould, a railroad official, and generally credited as a very wealthy, eldest son of George Jay Gould, millionaire, has filed a claim of exemption from the draft on the ground that he has dependants looking to him for a livelihood. Gould has been passed by the examining board physicians as physically fit for service in the army. He was married July 2.

Draft Resisters Surrendering.

OKLAHOMA CITY, Aug. 7.—Objectors to the draft, who took to the hills and armed themselves to resist the government, continue to surrender today. So far over 250 men have been taken prisoners. Included in the number are two men who are union organizers. The Oklahoma authorities are looking for three or four more union leaders, and believe that with their arrest organized resistance to the draft will end.

New Navy Officials.

LONDON, Aug. 7.—It was officially announced that Vice Admiral Roslyn Wemyss will replace Admiral Sir Cecil Burney as second sea lord. Allan Garrett Anderson, hitherto vice-chancellor of the wheat commission, succeeds Sir Eric Campbell Geddes, new first lord of the admiralty, as controller of naval construction. These changes in the navy are attracting much attention, and are generally interpreted as the first steps in the reorganization of the naval force. Opponents of the present admiralty methods regard the changes as "procrustean half measures," and said that they should have been so complete as to give the "country a resolute, energetic admiralty, permeated by an offensive spirit."

GRIP ON LENS IS
SLOWLY TIGHTENING

(By Associated Press.)

BRITISH FRONT, Aug. 7.—The British lines continue to tighten around the French city of Lens, occupied and held by the Germans since early in the war, and the center of northern France coal fields. During Saturday the Canadian divisions advanced two hundred yards along a thousand yard front in the western environs of the city, and have established a new line in a group of houses within a few yards of the enemy positions. Part reports indicate that French troops entered German lines last night at three different points, inflicting much loss and capturing many prisoners. The French also repulsed a Teuton attack between Avocourt wood and hill 304, in the Verdun section. Heavy losses were sustained by the Germans in this attack.

CO. COURT DECIDES
ROADWAY CASES

The county court today rendered
decisions in the roadway cases
brought before that body yesterday.

In the case of the Maupin road, the recommendation of the road viewers for damages in the sum of \$250, to Mr. Resterson, through whose property the road will run. In the case of others the petition of E. L. Rice and others for a roadway through the property of Rice Bros. near Dillard, the recommendation of the viewers for \$197.50 for damages, with \$100 additional for three stockways, was allowed. Mr. Resterson had asked for \$1500 damages, while Rice Bros. had asked for \$1997.50.

It has been suggested that an appeal may be made from the decision of the county court in the above cases.
