HUNTERS

Open season for deer begins August 15 and we suggest that you buy your ammunition and rifles now, "while the buying is good" for quite likely there will be some advance in price of ammunition as one has been scheduled for rifles.

Then again our stock of ammunition is fairly complete but we anticipate a shortage quite soon. The jobbers are not able to fill orders completely even now. Our orders were placed last winter and stock has been arriving for nearly two months and still is not all in.

IMMENSE FLEET OF DESTROYERS PLAN

Work On These Swift Fighting Craft For Navy Progresses

EFFECTIVENESS PROVEN

About Eighteen Months Required to Complete Great Number of Boats Desired—Exemption Board Frauds.

(By Associated Press.)
WASHINGTON, Aug. 20.—Preparations are being perfected for the greatest destroyer fleet the world has ever seen, and the present flotilla belonging to the United States navy will be trebled. Secretary of the Navy Daniels made this announcement today after a conference with ship builders. The work of preparing this mighty fleet of torpedo boat destroyers will be rushed as fast as the capacities of the various ship building plants of the country can turn out the vessels, but it is predicted that probably not more than 18 months will be required to complete the program settled upon by the navy department. Effectiveness of the destroyers in the present war, and their work in preventing German submarines from torpedoing U. S. transports while enroute to Europe with soldiers, recently, has demonstrated their effectiveness.

Exemption Board Frauds.

RUSSELLVILLE, Ky., Aug. 20.—Sheriff James Taylor and County Judge J. W. Edward, of the local exemption board, were arrested today on the charge of obstructing the draft. Federal officers under orders from the department of justice, made the arrest.

GOODBYE BOOZE.

WASHINGTON, Aug. 18.—Eleven o'clock on the night of Saturday, September 8, is the time fixed by the food administration when all processes in the production in the United States of distilled spirits for beverage purposes must stop.

The 30-day period allowed from the approval of the food control law expires at midnight, September 9, but this date falls on Sunday, and the internal revenue law prevents the operation of distilleries after 11 o'clock Saturday night.

Passes Through Eugene.

Miss Ethel Toose, a former student of the university, and a member of Chi Omega, women's fraternity, yesterday passed through Eugene on her way to Roseburg for a short visit.—Eugene Register.

Dollar Day Shoe Sale.

The Roseburg Booterie has planned a dollar sale for tomorrow, and will sell a pair of shoes for every member of the family for one dollar a pair. The doors of the store will be open at nine o'clock for this unique sale, and a rush for the choice of shoes is anticipated.

E. C. Benson Improves.

E. C. Benson, secretary of the Merchants' Association, who has been quite ill at his home on Pine streets for several days past is reported to be improving, but it will be a week or two before he will be able to attend to his business duties.

Enlisted in the Navy.

Shirley Goodman is in the city from Portland visiting with relatives and friends. He has enlisted in the navy and will leave tomorrow night for Bremerton navy yard to go into service for Uncle Sam. Until his enlistment he has been store-manager for the Knight Electric Co. at Portland.

Return to Roseburg.

D. Asher and wife, for many years residents of West Roseburg, but more recently living at Cottage Grove, have disposed of their property there and will again make their home in this city. Mr. Asher is a Civil war veteran, and has decided to abandon active work, as failing strength compels him to rest.

Return From Camping Trip.

P. T. Dubar and D. B. Bubar, who motored to Rock creek Saturday night returned to this city last evening. They were accompanied home by their wives and Mrs. P. T. Bubar's little daughter, Pauline. Mrs. G. W. Young and Mrs. F. M. Akeley, who have been spending the past week camping at that place.

Miss Hazel Goodman Married.

A report was received in this office today of the marriage at Salem, of Miss Hazel Goodman, a popular young lady of this city, and Roy Kildove of Portland. Details of the wedding could not be ascertained at this time, but additional information will be learned in a few days. Mr. Kildove is a Portland business man and it is thought that the young couple will reside in that city.

Parent-Teachers Meeting.

The Benson-Parent Teachers Association and industrial club will meet at the Benson school Tuesday evening, August 21, at 8 o'clock. Miss Cowgill, of O. A. C., will give a short talk. Everyone is urged to be present.

Home After Outing.

Mrs. L. W. Ingels and children, who have been camped at Carnes for the past several weeks, where Mr. Ingels has been engaged in building a house on the J. K. Falbe property, are home again. Mr. Ingels will remain out of town for a short time, yet, as he is engaged in work on a prune drier in that neighborhood. He was in town, however, today for a visit.

Former Pastor Leaves.

Rev. S. A. Douglas and son, Earl, left this afternoon for Albany where they will enjoy a couple of weeks at fishing. Rev. Douglas has a summer home some distance from Albany in the mountains and the journey there will be made tomorrow. Earl Douglas leaves soon for Portland where he will take examinations for entrance into the U. S. radio corps.

Changes Will Be Few.

There will be very few changes in the lines of the Ford car for the coming year. One of the improvements is in the ventilating windshield but in general the 1918 Ford will appear very much the same as its relatives of 1917. When it comes to the price, the 1918 car is on the same basis as the car of the past year, with \$400.70 for a runabout and \$415.70 for the touring car, delivered in Roseburg.

Leave Farm for Eugene.

H. W. Horn, of Yoncalla, was in town today from his ranch near the former place. He held an auction sale of stock, Saturday, and under the cheerful persuasion of auctioneer Judd, of Roseburg, the sale went smoothly along. Mr. Horn, who was formerly engaged in blacksmithing in this city, is now operating an auto machine shop at Eugene. Mrs. Horn, formerly Mrs. Aderton, well known here, and children, will join her husband at Eugene this winter so that the youngsters may enjoy school privileges.

Doing Their "Bit."

Work of preparing ground for next year's crop has already begun in this county. Mark Hannah has started his plowing, and will sow his property to winter grain. Gilbert Wood, the 15-year-old son of H. R. Wood, is busy these days operating a disc plow, and expects to have the farm ready for seeding by the time school begins September 24. Both of these farms lie on the North Umpqua near the Overland Orchards. The plowing is being done with discs on both places, the ground being too dry for the common plow to be used. In fact no other sort of machine can be used at this season of the year. The ground turns over somewhat cloddy, but under the first rain can be worked down easily and made ready for the seed. Realizing the great advantage of fall seeding, many farmers will hasten work along this fall preparatory to adding their vote to the 1,000,000,000 bushel wheat crop looked for in 1918.
