

**ARE OF ALL**  
 America More Liberal Than  
 Any Other Country With  
 Her Men.

**FOREIGN ALLOWANCES**

German Privates Receive Less Than  
 \$2 Per Year For Serving Their  
 Country—French Get \$1.50  
 Per Month for Service.

WASHINGTON, Oct. 3.—"If, as  
 has been reported recently, the Ger-  
 man Kaiser has offered a price of  
 \$75 to the first man of his forces  
 in France who captures an Ameri-  
 can soldier, the bonus will prove a  
 tempting one to the Teutons, for  
 this sum represents more than three  
 years' pay for a private in the Ger-  
 man army," says a war bulletin is-  
 sued today by the National Geo-  
 graphic Society, from its Washing-  
 ton headquarters, on the pay of  
 soldiers in the armies of the belliger-  
 ent nations.

"The American soldier 1000  
 will draw a princely wage com-  
 pared with Tommy Atkins, the  
 French poilu, the Italian Alpini,  
 the German boche and all the other  
 fighting men of European nations,"  
 continues the bulletin.

"Regarding the 'extras' and the  
 special allowances of various kinds,  
 provided for in all the armies of  
 the world, but taking the lowest  
 wage of the humblest private as  
 the standard, the comfortable rate  
 of pay allowed Uncle Sam's fight-  
 ing men affords a remarkable con-  
 trast to the lean pay envelopes of  
 the men with whom our soldiers will  
 join forces in France, as well as to  
 the slim compensation of the enemy  
 armies."

"With his quarters, clothing and  
 rations furnished him, as they are  
 furnished in all the armies of the  
 world, the American second-class pri-  
 vate, receiving his foreign-service  
 pay of \$33 a month, will be a privi-  
 ledged man compared with the French  
 soldier who draws the bare pittance of  
 \$1.50 every thirty days, scarcely  
 enough to keep the American fighting  
 man in cigarettes. (Incidentally,  
 Americans are being supplied the  
 luxury of 'smokes' by the 'folks back  
 home.')

"But the French soldier's wage is,  
 in its turn, princely compared with  
 the thirty-two cents a month which  
 the Russian government allows its  
 privates, and the seventy-three cents  
 which Austria-Hungary pays its  
 troops—one and two-and-a-half cents  
 a day respectively."

"Great Britain is the most gener-  
 ous of the European governments in  
 its pay of privates, who receive \$7.60  
 a month at home and an additional  
 allowance while fighting in France,  
 Mesopotamia and other foreign  
 fields. Italy ranks second in gener-  
 osity with a monthly minimum allow-  
 ance of \$5.83. Spain compensates  
 her soldiers with a \$4.42  
 monthly wage and Germany has built  
 up her military engine of frightful-  
 ness with a wage scale beginning at  
 \$1.65 a month—less than six cents  
 a day to do the ruthless bidding of  
 ruthless rulers. Japan's soldiers at  
 home, with an \$8 a year wage, fare a  
 little worse than the Austrians. Tur-  
 key is an indulgent employer by com-  
 parison, granting \$11 a year—92  
 cents a month."

"A first-class American private,  
 drawing \$36.60 a month in France,  
 gets \$41 a year more than a Russian  
 colonel, and \$64 a year more than a  
 German lieutenant for the first three  
 years; \$31 a year more than a first  
 lieutenant of the Austrian troops."

"The pay of an American captain  
 compares favorably with that of a  
 British colonel, a French brigadier-  
 general, a Japanese lieutenant-gen-  
 eral and an Italian lieutenant-gen-  
 eral."

"A brigadier-general of the Ameri-  
 can army drawing a minimum salary

**Mme. Petrova to Produce Own Photoplays**

Mme. PETROVA—Petrova Picture Company

MME. PETROVA, the distinguished Polish actress, now heads the Petrova  
 Picture company, a new organization backed by unlimited capital. She  
 will have absolute control over every detail of her new productions.  
 Mme. Petrova's salary is the largest ever paid a motion picture actress, ac-  
 cording to Frederick L. Collins, president of Superpictures Distributing  
 corporation, which is to market the new Petrova pictures.

Mme. Petrova's new productions will be in seven or more reels. She does  
 not bind herself to make any certain number of photoplays in a year. Her  
 only ambition is to make the finest photoplays possible, and as head of her  
 own company she will have unlimited time and capital at her disposal.

of \$6,000, receives nearly \$240 more  
 than a marshal of France, \$2,000  
 more than a full general and field  
 marshal in the German army, \$2,500  
 more than a full general of Japan and  
 nearly five times as much as a Rus-  
 sian general of the highest rank,  
 Italy's highest army officer at the  
 beginning of this war was a lieuten-  
 ant-general whose annual compensa-  
 tion was \$150 less than that of an  
 American major.

"Since the outbreak of the war  
 the French government has revised its  
 scale of pay for the army. The  
 man in the first line trenches now  
 receives a franc a day (\$6 a month),  
 but he is not permitted to draw all  
 of this amount. He is paid partly in  
 cash and for the balance receives a  
 certificate of deposit in a reserve  
 fund which is to be disbursed at  
 the end of the war. All those not in  
 the first line trenches still receive 25  
 centimes (five cents) a day."

**GOVERNMENT P. O.  
 INSPECTOR HERE**

E. J. Galloghe, postoffice inspec-  
 tor with headquarters at Spokane,  
 Wash., has been in Roseburg for the  
 past few days on a tour of investi-  
 gation. While no definite informa-  
 tion was given out by the gentle-  
 man it has been learned that his mis-  
 sion to this city had to do with the  
 recent "affray" in which former  
 Recruiting Officer Hall, et al, figured  
 quite conspicuously. After con-  
 cluding his work here the inspector  
 left last evening for Portland where  
 he has official business requiring  
 his attention.

**DIXONVILLE DANCE.**

Friday night there will be a dance  
 given at Dixonville. Ott's orchestra  
 will supply the music. Tickets 50  
 cents, and no underables will be  
 permitted. A pleasant time is antici-  
 pated. You are invited.

**FAREWELL RECEPTION  
 FOR SUTHERLIN LADY**

Fondal Park, the delightful home  
 of Mrs. F. B. Waite, was the scene  
 of a pretty social affair last Friday  
 afternoon, the occasion being a fare-  
 well to Mrs. W. J. Phillips, who de-  
 parted Monday for North Bend,  
 where she will make her future  
 home, says the Sutherland Sun.

The spacious rooms of the Waite  
 home were prettily arranged for the  
 occasion, festoons of autumn foliage  
 and large cut glass bowls of water  
 lilies forming the decorations.

After a short business meeting of  
 the Alpha Study Club, during which  
 Mrs. Phillips was made an honorary  
 member, a short musical program  
 was given as follows:  
 "The Blue Bird," "If I Only Knew"  
 —Mrs. Waite.

Vocal duet, "The Wind and the  
 Harp,"—Mrs. Lyman and Mrs.  
 Waite.

"My Only Rose," "Take Me Back to  
 My Old Kentucky Home"—Miss  
 Potter.

The numbers were all pleasingly  
 rendered and greatly enjoyed by  
 those present.

Following the musical program,  
 Mrs. Phillips was presented with a  
 handsome silver spoon, a token from  
 the members of the Alpha Study  
 club in recognition of her valuable  
 services and deep interest in the  
 work of the club during the past  
 several years. She was one of the  
 six ladies who organized the club  
 and has always been an untiring  
 worker in its behalf. Mrs. Phillips  
 acknowledged the gift in a pleasing  
 little address to the friends with  
 whom she had so long been pleas-  
 antly associated.

The affair concluded with refresh-  
 ments consisting of ice cream and  
 cake.

Mrs. W. J. Phillips has visited  
 this city on numerous occasions and  
 has a wide circle of friends. She is  
 a daughter of County Commissioner  
 W. E. Sta John.

**MEXICO FIRM IN-  
 TERESTED LOCAL FRUIT**

That the products of the Drager  
 Fruit Co., are well advertised is  
 evidenced by the following letter re-  
 ceived by this company in Roseburg  
 from Mexico City, where the pros-  
 pective customer has evidently got-  
 ten in touch with some literature  
 concerning the fruit packing plant:

"Desiring to become one of your  
 many estimable customers, I direct  
 to you the present with the object of  
 asking you to kindly send me by re-  
 turn mail a list of the dried fruits  
 which your house sells, such as the  
 fig, raisin, prune, date, pear, etc.,  
 for I wish to make an experiment.  
 Moreover, I hope you will indicate  
 to me the form of the money, wheth-  
 er by means of draft, or money or-  
 der on your place, or in paper  
 money, and if I send it for the mer-  
 chandise you can send it by express."

The letter was written in the own  
 language of the inquirer and it was  
 necessary to secure the aid of H. J.  
 Stone, the local piano tuner, in order  
 to have it interpreted, which he  
 readily did for the local fruit com-  
 pany.

Will F. McFarland returned to  
 Sutherland yesterday afternoon after a  
 visit in Roseburg.

Now here is the new way—the  
 way that turns wash day into  
 play day. The Thor Electric  
 Washing Machine does it. In-

 stands in a corner. A great fluffy  
 mass of fine, white soap foam  
 rises and falls and swishes from  
 one side to the other. Your  
 clothes are being washed  
 thoroughly, silently, quickly. No  
 red hands, no red arms, no back  
 ache, no wet feet—no wear on the  
 clothes. Done in an hour or  
 two at the most. Wonderful! Yes,  
 and it's true. Will you con-
