BELGIUM RELIEF FUND DINNER ON SATURDAY

Friday will be one of the most in-
teresting events of the city in the
giving of the time and preparing one
of the best home cooked dinners that
you ever put your lip over. The ladies
who are donating their time for the
relief of stricken Belgium have pre-
pared a nice dainty business dinner.
This dinner will be served on Jackson
street next to Wilder & Agee's store
beginning promptly at 11 o'clock.
There is not a soul in the city of
Roseburg who is not invited and we
want you all to come, for it will be a
place for you to spend the mighty
sum of 25c, and get one of those de-
licious home cooked meals.

As we have stated before the pro-
ceeds will go to the assistance of the
thousands of stricken children, those
dear little folks who have been made
to suffer from the beastly acts of im-
perialism of the German atrocities.

The menu will consist of the fol-
lowing dainties:

Boston Baker Beans Brown Bread

Fruits Potato Salad Coffee

Every business man, every house-
wife and all the children of the city
are welcome. Remember the day
and date, Friday at 11 o'clock the big
feed starts.

MANY GOOD POSITIONS

can be had by any ambitious young
man or woman in the field of rail-
way or commercial telegraphy. We
want a number of young men and
women to prepare for the telegraph
service to fill vacancies caused by
unusual drafting of young men for
signal corps. Prepare to help your
country. Write today for full par-
ticulars. The Railway Telegraph
Institute, Portland, Oregon.

FOOD SURVEY REPORTS SHOW DECIDED INCREASE

According to announcement made
by County Agriculturalist C. J. Hurd
this afternoon the reports coming in
from different farmers throughout
Douglas county, relative to the food
survey being conducted by the gov-
ernment and in this state under the
supervision of J. W. Brewer, farm
help specialist, are showing a materi-
al increase of acreage over last year.
Blanks have been forwarded to
county committeemen and all rural
school teachers from Mr. Hurd's of-
fice with instructions that every
food producer be handed one and
while only a comparative few have
been heard from to date at least 75
per cent of the growers throughout
the county are expected to submit a
report by February 16, the last day
of the campaign, and Mr. Hurd, look-
ing forward to a much better show-
ing than that.

All reports are being tabulated
and an accurate survey of all crops
throughout this community will be
forwarded to the government offi-
cials. The data now on hand shows a
50 per cent increase in wheat and
other grain acreage over last year.

SECRET OF STAR'S POPULARITY.

Thomas H. Ince, while discussing
"The Son of His Father," which is
Charles Ray's first Paramount pro-
duction, and the universal appeal of
the young star, said:

"If I could sum it up in one phrase
I should say that it is because Ray
has not only the gift of youth in
itself, he has the gift of naturally
spontaneous and unerring por-
traying the emotions and manner-
isms of youth which appeal to young
and old alike.

"It is a strange thing, but a fact,
that nearly all young leading men
choose as their models actors who
are old enough to be their fathers—
or their grandfathers. Ray has never
made this mistake. He has always
played the part exactly as called for
by the scenario without any attempts
at imitation. There will be a time
for him many years hence to act the
classic roles of drama."

"The Son of His Father" which
is to be shown at the Antlers thea-
tre tomorrow and Friday, is a stir-
ring photoplay taken from the fa-
mous story of that name by Ridgwell
Cullum.

MENTAL CULTURE CLUB OBSERVE LINCOLN DAY

At a well attended meeting at the
Parish House Tuesday afternoon, the
'95 Mental Culture club observed
Lincoln's birthday by a special pro-
gram, which was in charge of Mrs.
Houck, who, in a carefully prepared
paper, on the Life of Lincoln, be-
ginning with his early boyhood, so
humble and full of privations, told of
his wonderful ambition and strong
will power, while yet but a youth,
which developed into the strong char-
acter of his manhood.

Mrs. C. W. Hughes told of the "Re-
ligious Side of Lincoln," showing him
to be a deeply religious man, though
never a member of any church. Mrs.
Hughes also read Lincoln's favorite
poem, "O, Why Should the Spirit of
Mortality be Proud?"

"Lincoln, the Martyr," an article
printed in a newspaper at the time
of his death, reprinted in the Oregon-
ian fifty years later, was read by
Mrs. Vincent.

Mrs. Pitts read several appropriate
selections.

Mrs. Bullwinkle told of seeing
Lincoln's body lying in state in Chi-
cago, while enroute from Washing-
ton to Springfield, and several anec-
dotes and incidents of his life were
given by Mrs. Houck and Mrs. Van
Horn.

Next Tuesday afternoon the club
will entertain the children of the
members and friends at the Parish
house.

CAMAS VALLEY BOY HEARD FROM IN FRANCE

Somewhere in France, Jan. 15.
Dear Mother: I received your let-
ter and money you sent all O. K. and
was sure glad to hear from you. I
am feeling fine, only in a little mis-
ery right now, as I have just finished
supper, and we sure have plenty to
eat. I weigh more than I ever did,
so you see my life agrees with me.
I haven't seen Harold Bellows yet,
or any Roseburg boys. It is a little
cold here, but not nearly so cold as
it was at Camp Mills, N. Y.

This country sure looks strange to
us boys from the good old U. S. All
the houses I have seen are built of
stone, and the railroad trains are
only half as large as they are in the
U. S. Our accommodations are sure
great, that are furnished by the Y. M.
C. A. It is a large two room
building heated by stoves, and it sure
makes a nice warm place for us to
write our letters and spend our leis-
ure time.

There are many things I would
like to tell you, but must be careful
what I write. I suppose papa has
the ranch seeded, and is taking life
easy. I am sorry to hear grand-
mother is not well, but hope she is
alright by this time. You must write
often and tell the rest to write, as a
letter from home sure looks good.

I don't want you to feel like you
said you did about me being here. I
am only glad I am here. I would
hate to wait and have some one else
do my part for me. I am getting
along fine, and am going to continue
to do so. Tell Welcome and Dad to
write. I will close for this time,
with love to all.

SELF DEFENSE

DEFEAT BACKACHE AND KIDNEY TROUBLE WITH ANURIC.

Many people in this section have
suffered from rheumatism and kidney
trouble and have found Anuric to be
the most successful remedy to overcome
these painful and dangerous ailments.

The lucky people are those who have
suffered, but who are now well because
they heeded Nature's warning signal in
time to correct their trouble with that
wonderful new discovery of Dr. Pierce's
called Anuric. You should promptly
heed our warnings, some of which are
dizzy spells, backache, irregularity of the
urine or the painful twinges of rheu-
matism, sciatica or lumbago. To delay may
make possible the dangerous forms of
kidney disease, such as Bright's disease,
diabetes or stone in the bladder.

To overcome these distressing condi-
tions you should take plenty of exercise
in the open air, avoid a heavy meat diet,
drink freely of water and at each meal
take Dr. Pierce's Anuric Tablets (double
strength). You will, in a short time, find
that you are one of the firm indorseers of
Anuric as are many of your neighbors.

Send Dr. V. M. Pierce, Buffalo, N. Y.,
10 cents for trial package.

REPAIR, WASH.—I was troubled getting
up at night for two years. Finally I took
a trip to Florida, and while there I sent
to Dr. Pierce for some Anuric Tablets
and two dollars worth of the Golden
Medical Discovery Tablets. I took them
as he directed and have not been troubled
with my water for some time. I have
been well now five months. I think the
Anuric Tablets are all O. K. —W. J. CAS-
WELL, 431 Stephens Street.

PORTLAND, OREGON.—"Doctor Pierce's
Anuric Tablets gave me great relief after
eight years of suffering with kidney
trouble and dropsy of limbs and feet.
Anuric is a really great medicine." —Mrs. J. CAS-
WELL, 431 Stephens Street.
