The Hoosier's over-size base has 21 per cent more space for pots and pans than the average kitchen cabinet. And this is only

one of Hoosier's many excellences.

It has 17 exclusive features that can't be found in all others

It has 17 exclusive features that can't be found in all others combined. There are places for 400 articles within arm's reach—all scientifically arranged.

Hoosier's Two-Way Sugar Bin holds twice as much as the ordinary. The Shaker Flour Sifter shakes out flour light and fluffy and does not grind grit through a sleve.

In 40 ways this cabinet saves you work—that's why more than a million women have selected the Hoosier over all.

## HOOSIER

KITCHEN CABINET

We are now offering some popular models at before-war prices. But our allotment is limited due to the enormous wartime

demand.

The Hoosier puts any kitchen on a war-saving basis, and it seems that every women who ever thought of getting a cabinet, now wants the Hoosier.

Come at once—select the model you admire most—we will deliver it for \$1. Pay the balance \$1 a week. Your money all back if you are not delighted.

## MERCHANTS ADORN WIN-DOWS IN GALA ATTIRE

A number of our patriotic merchants are decorating their show windows in honor of the liberty loan parade tomorrow and beautiful posters, flags, patriotic statuettes and other features are arranged with pretty effect. It is hoped that the other merchants of the city will follow the example of their brothers and adorn their stores in festive array. Among the cleverly attractive windows are those in the following stores: Golden Rule, Bellows, Hamilton Drug Co., Fisher's Department store, A. J. Lilburn furniture store, and the Rose confectionery. Other merchants plan on decorating tonight and it is hoped that Roseburg will and other features are arranged with and it is hoped that Roseburg will be there with flying colors tomorrow

# TRAPPING MOLES IS

How to trap moles and prepar-How to trap motes and prepare their pelts for market will be the subject of a series of talks and demonstrations to be inaugurated in Douglas county, beginning next Mon-day, when Thomas H. Schuffer, as-sistant biologist of the U. S. biologisal survey, will undertake the worl isal survey, will undertake the work among the farmers and gardeners of this locality. Mr. Schuffer will be assisted by County Farm Agent Hurd, and the two gentlemen will visit a couple of schools each day during the week and explain the method of trapping the little posts and of curing the petts so they will be marketable. It is expected that the information to be imparted will result in practical extermination of result in practical extermination of result in practical extermination of moles here, of which at present there are a lot. Boys will be shown the "knack" of trapping, and thorough-ness of the skinning and "curing" process, it is believed the youngprocess, it is believed the young-stors will about all get busy and clean up the mole problem. Fact of the matter is an industrious boy can make several dollars a day trapping moles. He can not only make a lot of money, but he gets real enjoyment out of the business, and at the ment out of the business, and at the same time is doing a good work in ridding the land of a pest which an-nually destroys thousands of dollars worth of food stuffs, kills young trees and generally makes itself a burden. Mr. Schuffer will start the good work in Roseburg next Mon-day, and then go to the rural
