In Homes that Use the Western Electric Washing Machine

Clean and white the clothes were on the line hours before it could have been done in the old way The clothes were placed in a neat cabinet machine; hot, soapy water was forced through every mesh in the cloth. The clothes were washed thoroughly, silently, quickly. No red hands, no red arms, no backache, no wet feet, no wear on the clothes. Wonderful! Yes, and it's true.

TRY ONE IN YOUR HOME.

THE ELECTRIC STORE.

Easy to Fill

You can easily turn a forty-quart can of the New Sharples Suctionfeed Separator.

This remarkable mechine will skim as clean at 35 turns of the crank a minute ap at 55 turns. Any other eparator would lose a great deal of cream with such varied speed.

You can Separator will soon pay for itself in cream saved. increase the capacity and reduce the time by turning faster. But turned fast or slow, the cream is always of the exact thickness desired.

Come in and let us show you this new machine.

The Garden Valley Improvement club, of which Mrs. Hugh Ritchie is president, was addressed by Mr. Up-son, special positry expert, and County Agent Hurd last night. It County Agent Hurd last night. It was shown that in spite of the high cost of feeds there is money in the poultry business. Care in handling certain problems would change loss into profit. With male birds from high egg strains to start with, and with personni attention to the newly hatched chicks, there is no good reason why one should not exceed the federal requirement of "100 eggs a year."

Mr. Hurd explained the possibili ties of sorgham, urging a small patch on every farm. Sorghum molasses is a fine substitute for cane sugar, and with a little co-operation on the part of each locality small mills could be installed to take care of the home crop.

IN THE SPRING

will be the great test of a life and death struggle on the Western front. In the everyday walks of life, 4t is the spring time that brings lil health. One of the chief reasons why the run down man finds himself in a bad state of health in March or April, is because he has spent nearly all his hours for the past four or five months penned up within the walls of house, factory or office. It is the reason for our diminished resistance—that is, lack of out-door life, coupled with perhaps over-eating, lack of good exercise, insufficient sleep, and constipation. In other words, we keep feeding the furnace with food but do not take out the "clinkers," and our fire does not burn brightly. Always keep the liver active.

There is nothing better for health than taking an occasional mild laxative, perhaps once a week; such a one as you can get at any drug store, made up of May-apple, Jalap, aloes, (sugar-coated, tiny, easily taken), which has stood the test of fifty years of approval—namely, Dr. Plerce's Pleasant Pellets. But for the Spring Fever, the general run-down condition, the lack of ambition, the cast of fifty years of approval—namely, Dr. Plerce's Pleasant Pellets. But for the Spring Fever, the general run-down condition, the lack of ambition, the lack of ambition, the sixty-cent yials. Watch the people growery, now to be had in tablet form it sixty-cent yials. Watch the people growery on who had be had in tablet form it sixty-cent yials. Watch the people growery on the power to force yourselinto action. The brain responds to the new blood in circulation, and thus you'r ready to make a fight against stamption which holds you in bondago. Ty it now! Don't wait! To-day is the day to begin. Gain a little "pep," and laugh and live. Vim end vitality are that and out-pouring of a healthy bod It does not spring up in a night. This spring tonic, and you gain the could age that comes with good health.

REPRESENTATIVE W. S. S. COMMITTEE VISIT CITY

C. N. Wonacott, associate director of the war savings stamp committee, will arrive in Rossoburg Saturday morning. April 29, and has called a meeting of the county committees for 2:30 p.m., and a general committee meeting for 8 p.m. of that day, both meetings to be held in the office of Judge Riddie over the Douglas National Bank. These meetings are of vital importance, and every member of the several committees are urged to be present, and hear what Mr. Wonacott has be say to us. At the evening meeting every banker, postmaster, school teacher, Sunday school superintendent, in addition to the general county committee should be present. The war situation is very serious at this since. Amorica, will be called upon the control of the c SUBJECTS DISCUSSED

Big Eaters Get Kidney Trouble

Take Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with urio acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is elfoudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rhoumatism when the weather is bad, get from your pharmacist about four

ounces of Jad Salts; take a tablespoonful in a glass of water before
breakfast for a few days and your
kidneys will then act fine. This famous salts is made from the acid of
grapes and lemon juice, combined
with lithie, and has been used for
generations to flush and stimulate
clogged kidneys; to neutralize the
acids in the urine so it no longer is
a source of irritation, thus ending
bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent
lithia-water beverage, and belongs in
overy home, because nobody can make
a mistake by having a good kidney
flushing any time.
