RETURNED MISSIONARY AT CHRISTIAN CHURCH

In last evening's papers a union meeting was announced for Sunday night in which the Christian church was unable to participate. This meeting was in the interest of the Red Cross, and the members of the Christian church are enthusiastic over the Red Cross, and Rev. Hilton has taken an active part in the week's agitation. The reason they are compelled to remain out of this Sunday evening meeting is because of the fact that a month ago an arrangement was made whereby Rev. E. R. Moon, a returned missionary from Bolenge, Central Africa, should have the pulpit on that day.

When the returned missionaries are assigned at certain places on certain dates it is impossible to call them off at the last minute, and the church has really looked forward to this meeting. In the mission at Bolenge the church has one of the most successful works of the kind in the world. When the men began work there, they worked among cannibals, but have been most successful. The Christian church in Oregon also placed a steamboat on the big Congo and its tributaries for the use of the missionaries. This boat is named "The Oregon," and for a long time Mr. Moon captained this boat. He has a wonderful story to tell, and will speak both morning and evening. Mr. Moon is bringing his stereopticon with him, and in the evening will present views of the work that he himself took while on one of his long missionary journeys. The largest Christian Endeavor society in the world is to be found at Bolenge, Central Africa. Those who feel that they would like to hear this wonderful story are welcome.

The Winston Grange will give a dance Saturday night, the proceeds to be used for paying for their new Victrola.

Quite a crowd of young people from Roseburg invaded the Skinner home Saturday evening, giving no warning of their approach till a chorus of auto horns announced their presence. Mr. and Mrs. Johnson were the attraction and with games, music and dancing the evening hours came too soon.

Eat Less Meat If Back Hurts

Take a glass of Salts to flush Kidneys if bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe backaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Your Spring Washing

Just about this time of the year the housewife plans on a general spring renovating of her home and the family washing, naturally "takes on" a big increase. Lace curtains, portiers and all the "extras" can be handled by us in a pleasing and satisfactory way. In fact, we would be pleased to do all your family washing.

ROSEBURG STEAM LAUNDRY

EASY TO DARKEN YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.
