**Beautiful Gifts
For Graduation**

Beauty and Utility characterize the Ideal Graduation Gift and to obtain these you need spend only a very moderate sum if you make your gift selections here.

An ideal gift would be a good reliable Watch. An accurate time piece will teach your boy or girl to be punctual and always on time, and it is a gift that will last a lifetime. There is no gift that will last as long and be appreciated as much as a good Watch, and we have them from the moderate priced Equity to the finely adjusted Howard. Come in and look at them.

services of the high school. The sermon will be by the pastor of this church, and special music will be furnished by a quartet consisting of Mrs. Fory, Miss Black, Mr. Gile and Mr. Harding. Owing to this service there will be no service of the Epworth League. All are cordially invited to worship with us.

O. C. Coppere, pastor. The Sunday school will meet at the usual hour, 9:45 a. m. The subject for the sermon at 11 a. m. will be "Christian Stewardship." The idea of the world with reference to its duty to God is at best very confused and too often the idea of the church is very little better. E. W. Warrington, pastor. "The present circumstances which press so hard against you, is (if surrendered to Christ) the best shaped tool in the Master's hand to chisel you for eternity. Trust Him, then. Do not push away the instrument lest you lose its work." "The privilege of making a large draft on God" is the pastor's sermon subject for Sunday morning. It is very natural that an occasion of such importance be celebrated with fitting gifts of permanent value.

Perhaps we can help you select a suitable gift. We have chosen our stock with that idea in mind.

Who Began Trench Warfare?

THE trench, which always encircled the Roman castra, or camp, was brought to France by Julius Caesar and used by him on the very battlefield where to-day the Allies and the Huns have 25,000 miles of trenches.

With rings of trenches, gradually drawn smaller, probably the first modern trench warfare, the Turks in 1667 took Candia.

Vauban, builder of Verdun, in 1673 employed the first parallel trenches, the system of the present war.

Defeat, not foresight, turned the Germans to trench warfare. But Goodrich never had to dig in.

Since twenty-two years ago Goodrich manufactured the first American pneumatic automobile tire, Goodrich has driven ahead to the big, graceful, masterful--

**GOODRICH
SERVICE VALUE TIRES**

But whether Goodrich was revolutionizing tire manufacture by bringing forth the first American clincher tire--

Or originating the car practical non-skid, the cross-bar, safety-tread, or tough black tread rubber--

Goodrich built tires to one end--SERVICE VALUE--what they are worth to the motorist on his car and on the road in COMFORT of an easier riding car--ECONOMY in gasoline saved,--and LONG MILEAGE.

Small difference whether you buy GOODRICH SILVERTOWN CORDS, or BLACK SAFETY TREADS, you get SERVICE VALUE TIRES.

CLEAN

WE'LL BET THAT HALF THE LADIES

Of Roseburg do not believe that collars and cuffs, or working shirts, can be washed clean in an electric washing machine. That is true of most washers but we claim that the Western Electric is different. It will wash these things absolutely CLEAN. It can make that statement certainly YOU can afford the time to ascertain its truth. Try the Western Electric washer and wringer in your home--it will pay you.

KODAK PICTURES

From Home

Officers in the trenches tell us that the biggest job the junior officer has, is looking out for the welfare of his men. When the regimental mail is distributed, the officers go around to the boys who don't receive letters and try to cheer them up.

No matter whether it's in the trenches, in camp, or on ship board, they need the courage that a letter will give them and nothing will be appreciated more than Kodak Pictures from home.

If you wish to send a present that will be appreciated send a Vest Pocket Autographic Kodak. So small that he can wear it; so photographically fit that good pictures follow as a matter of course.

We carry a complete line of Eastman Kodaks and Kodak Supplies.
