**Big Eaters Get Kidney Trouble**

Take Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

**Marriage License.**  
A marriage license was issued late yesterday afternoon to Alva Stephens and Bertha Belle Leatherwood, both of Douglas county.

**Scottsburg is "Hummer."**  
Word was received yesterday afternoon from Scottsburg district that they had already pledged \$3200 and were still going. Scottsburg's quota was \$1230.

**Will Leave for San Francisco.**  
Mr. and Mrs. Chas. Clough, who reside a few miles east of the city on Deer creek, will leave tomorrow morning for San Francisco where they will spend a week looking after business matters.

**Will Arrive Here Sunday.**  
James Goodman, who is stationed at Fort Stevens, has obtained a 1-day's furlough and is now visiting with his parents at Salem. He will leave that city for Roseburg Sunday and will remain here a week visiting among his many friends.

**Left for Dunsmuir.**  
Clark L. Bargar, the local bill poster, left yesterday afternoon by auto for Dunsmuir and other California points. It will probably be some months before he again returns to this city as he expects to handle considerable work in California before coming north.

**Home Guard Dance at Riddle.**  
The dance given at Riddle last evening by the Riddle home guard was largely attended, many from here taking the opportunity to enjoy the auto ride to and from that city. The ladies of the Red Cross of that place served a delicious unch at midnight, as well as various refreshments during the evening. Two beautiful quilts were raffled off for the benefit of the Red Cross and a neat sum realized.

**Passed Through City Last Night.**  
Captain Fred Byars, of Camp Fremont, Calif., son of W. H. Byars, of Salem, passed through the city last evening enroute north. He was met at the train here by his aunt, Mrs. C. L. Hadley, and cousin, Harry Slocum, who enjoyed a brief visit with the captain. He states that Sergeant First Class Chas. Morton Hadley, a former Roseburg boy, has been transferred from ambulance company No. 22 to chief clerk of the camp surgeon's office at Camp Fremont, and that Lieutenant Hadley is getting along nicely with his new duties.

**CALL FOR SCHOOL WARRANTS.**  
Notice is hereby given that all school warrants of school district No. 116, Douglas County, Oregon, to and including No. 80 endorsed not paid for want of funds, are this day called for payment by the undersigned, and all interest thereon will cease from the date of this notice. Dated this 29th day of May, 1918. F. G. BUELL, Clerk of School Dist. No. 116, Douglas County, Oregon.

**IN MEMORIAM.**  
Verle Wilson, oldest son of Mr. and Mrs. W. W. Wilson, of Yoncalla, was born at Yoncalla, October 25, 1896, and passed to a higher life June 24, 1918. Besides his father and mother, the deceased is survived by two brothers, Joe and W. W., Jr., and five sisters, Addis M., Leota L., Velma, Alberta, and Lovena Wilson, all of Yoncalla. Verle spent the greater portion of his life in Yoncalla, and was a universal favorite with all. He was graduated from the Yoncalla high school in 1915, since which time he has proven himself a true soldier of agriculture, in the management of his father's farm, while the latter is fulfilling his duties as postmaster of Yoncalla. Verle was truly patriotic, and was untiring in his work for the Red Cross during every drive. He had just reached the age of twenty-one, and expected to lend to the cause of Uncle Sam's defenders as a soldier. Funeral services were held at the Presbyterian church in Yoncalla on the afternoon of June 26, by Rev. Hutchinson, of the Sutherland M. E. church, who paid a touching tribute to the life of the deceased. Beautiful singing was rendered by the following quartette: Luther Daugherty, Mrs. Luther Daugherty, Miss Elsie Chestnut and Ralph Chestnut, accompanied on the piano by Mrs. Harry Stearns. The pall bearers were friends and schoolmates of the young man, who had so long been associated with them in school life and other active work in his home town. They were: Carl Long, Vincent Applegate, Jay Huntington, Berrington Gibson, Alfred Swift and Dare Kingery. The floral offerings were many and beautiful, fitting tributes to the purity and sweetness of his influence among us. The following relatives came from elsewhere to bid him a last farewell: Mrs. Hannah Wilson, Minnie Wilson, and Mr. and Mrs. James Cowan and Gus Cowan, of Drain; J. M. McDole, Harry McDole and wife, and Mr. and Mrs. John Veatch and daughters, of Cottage Grove; Mr. and Mrs. Harry Cook and Mr. and Mrs. Geo. Wilcox, of Oakland, besides many old friends of the deceased and family. All business was suspended during the funeral services, and the universal sorrow expressed shows that

**CORVALLIS, Or., June 28.**—The government has asked the Oregon Agricultural College to train 40 or more persons as radio and telephone electricians. These are in addition to 80 men now studying radio operation. These men will have had at least high school education. The college has adequate equipment, but needs instructors with college education who have had practical experience particularly in telephone and radio repair work.

NOW ON A CASH BASIS.

In order to decrease the overhead expenses, incident to our present system, so as to partially offset constantly increasing prices of labor and material, we have, after maturest consideration, deemed it advisable, and to the mutual interest of our customers and ourselves, to operate our parts and repair shop departments on a strictly cash basis. This is in no way a reflection upon the credit of our various customers, but a method to keep prices down to even the present high level, and we sincerely bespeak your co-operation. We wish at this time to express our appreciation of the business with which you have favored us in the past, and to assure you of our earnest endeavor, under very trying labor conditions, to improve the service and efficiency of our organization.

**EASY TO DARKEN YOUR GRAY HAIR**

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wych's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wych's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.
