WILL HAVE HEARING.

Cosmo Bay Times: Trial for Arthur Johnson, the boy who was arrested two weeks ago in Roseburg, charged with having taken an automobile tire from George Graham, of Marshfield, has been set for tomorrow morning at 10 o'clock.

Chief of Police J. W. Carter, Mrs. T. R. Wilson, the boy's mother, T. R. Wilson, his step-father, and Geo. Graham have been summoned to the trial by County Trust Officer H. Dunham, who is in town today.

Johnson is in the county jail at Coquille and the trial will be held there.

MANY ENJOY PICNIC.

The Red Cross ladies of the North Side unit, gave a splendid picnic to the school children of that vicinity yesterday afternoon, who had worked so nobly with the work that had been placed in their charge. Also a few outside children were invited to enjoy this special occasion. The Benson school children have been handling the separating process of the oaks from which dressings are made in Red Cross work, and to show their appreciation the ladies took them to the fair grounds, where they enjoyed many sports. Late in the evening a delightful picnic spread, consisting of many dainties, was partaken of, and all returned to this city in cars, after being recipients of a very enjoyable time.

Ed. Moore, who recently left with the Douglas county draft boys, and who arrived here yesterday, owing to not having passed the examination, returned to his home in Portland last evening.

MANY TRIPS ACROSS.
G. E. Atkins, of Riddle, is in this city today from his home and states that he has just received a letter from his son, Alva, who is in the navy, describing his many voyages across to France. When writing his last letter he had completed his third voyage. He says that 3,000 tons of coal are required to make the voyage, and 19 firemen are kept at constant work. Young Atkins, being a fireman himself, knew these to be actual facts. This is one instance that shows us clearly the need of conservation of coal.

RECEIVES BRONZE MEDAL.

COUNTY COURT MET IN SPECIAL SESSION TODAY.
The county court met in special session today to consider the matter of the construction of the Galesville-Canyonville road, which is to be constructed at government, state and county expense. No bids were received for the construction of this road due to the fact that there is such a tremendous amount of travel on the road that it would be difficult to accomplish results in a reasonable length of time. The court will suggest that the road be closed from 8 o'clock in the morning till 5 o'clock in the afternoon during the time required to do the work on the road and that the contracts be let to that effect.
