Electric Vacuum Washing Machine

The manufacturers guarantee it, and we guarantee it. The guarantee is that it must do satisfactory work. Think of this, a washing that would take you the better part of a forenoon to rub out, done in an hour or two and without any great labor on your part. Five or ten minutes for tub full of clothes. Then run them through the electrically driven wringer, fill washer again and while it is washing the second lot you have swung the wringer over the rinsing tub and put them through, then over the bluing water, put them through, and are done with the first. The second lot being ready, repeat the operation, and there has been no straining or lifting. The cost of machine is still within reach of all—\$95.00 on installments, with a discount for cash.

See Those Dahlias. When motoring or driving out for pleasure, make it a point to visit the soldiers' home and inspect the beautiful dahlias that are now in full bloom there. Gardner Cole has spent much time in producing these attractive blooms, and they are well worth the time that will be required to see them.

National Commandants to Visit. Officials of the Oregon soldiers' home are expecting, one day this week, a visit from the commandant of the national soldiers' home at Marion, Ind., and also Col. Barry, commandant of the national soldiers' home at Sawtelle, Calif. These gentlemen are on their way north at the present time, having already left Los Angeles on the trip up coast.

Enjoying Vacation. Mrs. E. L. Watson, of West Roseburg, is enjoying her annual vacation and in a day or two will leave for the north, where she will visit her oldest son, Floyd, who has been in charge of a Five and Ten Cent store for some time. Floyd has recently been inducted into the service, and is now at Camp Lewis, American Lake. Mrs. Watson will spend a good share of the time at the home of Mrs. Floyd Watson, in Chehalis. During the absence of Mrs. Watson her place in the store here will be filled by some one else.

David Comstock Seriously Hurt. David Comstock, who had the misfortune to have his collar bone broken in a runaway accident last Saturday, is slowly improving, although it will be some time before he is fully recovered, and the injuries are very severe. Dr. K. L. Miller is attending him. Mr. Comstock had been in the mountains hunting, and owing to the rainy weather decided to come home for a few days, when the accident occurred, on a steep pitch where the horse was unable to hold the buggy and began to kick and then ran away, overturning the buggy with the unfortunate result mentioned above. Mrs. Comstock and another lady who were in the buggy at the time were unhurt. Taken to State Hospital.

G. W. Kezartee, of 114 Filnt street, has the office force's thanks for a basket of Hungarian prunes. This fruit is certainly prize winning for taste and general appearance, and it tastes just as good as it looks. The only thing about it that is not "orthodox" is the name "Hungarian." It is certainly too heinous to be weighted down with anything that looks like "Hun" and nursery catalogs ought to revise their lists and find a name that fits the fruit.
