Why Make a Change at This Time?

THE FALL CLEAN UP.

Clean-up Day has become a recognized institution in many places. But it usually comes in the spring. Then it is that people's thoughts turn to out door work.

The same people are apt to lose enthusiasm when it comes to the fall. The time has passed for planning garden triumphs, and cleaning up seems like paying for a dead horse.

But the maintenance of rubbish is a contagious example. If one man keeps ash heaps and tin cans and piles of decayed plants and disorderly litter, his neighbors catch the slovenly spirit.

Intimating that Republicans are unpatriotic and not to be entrusted with affairs relating to the war, President Wilson has gone on record in an appeal to voters to elect democrats to congress at the November 5th election.

Have your fruit or ornamental trees, vines or bushes pruned by a man with practical experience; write LOUIS H. BERGOLD, Roseburg, Oregon.

MONDAY IS BARGAIN DAY.

Monday is bargain day at the Roseburg Cleaning and Pressing Works. Men's suits French Dry cleaned and pressed for \$1.00.

Every voter in the county should make it a point to cast his or her ballot Nov. 5. There are vital issues at stake and no man or woman can afford to leave the matters of government wholly to others.

resting upon every citizen. Do not shirk your part in this business. November 5, next Tuesday, is election day. Let every good citizen of this county look at the situation as though the safety of the country depended on his individual vote.

The citizenship of Governor Withycombe has been assailed by his Democratic opponent. This desperate attempt to injure the Governor's candidacy is proving a boomerang.

Don't forget that Tuesday, Nov. 5, is election day.

FORCE.

In his pride, ere he was wiser, When he started war, the Kaiser, Believing he would win, did say: "That for the rights of Uncle Sam He did not care, or give a damn."

Well: he has got some heavy blows From Uncle's long and mighty arm. He has been turned upon his back, And many marks are on his back.

Our ways he now much better knows, For Uncle Sam, who kick his pants, And keeps him on the run in France, His great respect still greater grows.

ALDEN HARNESSE. Roseburg, Oregon.

WOMEN WILL RALLY SUPPORT OF M'NARY

Because, she declares, the Democratic party has betrayed President Wilson and has refused to support his war program, including votes for women, Mrs. Clara Wold, of Portland, editor of The Suffragist at Washington, D. C., has returned to Portland to vote against former Governor Oswald west and for the election of Senator Charles McNary.

Miss Wold is a Democrat, and for two years was the party representative on the election board in her precinct in Portland, but when the democratic senate refused to give women of America the vote, she joined with the National Woman's Party in supporting Senator McNary who was loyal to the outcome in this Wilson war measure.

"The woman's party had hoped that it would not be necessary to go into the election for the next congress," said Miss Wold, but we find that the Democratic party not only had defeated the suffrage amendment and repudiated its own leader, but it has failed to do anything to press the campaign for the two votes necessary to pass the amendment, despite the president's appeal.

"It is important that this fight be made, so that the reactionaries, who have voted against the amendment behind this democratic measure for enfranchising women.

"The women of the east have sent the appeal to the enfranchised west for its repudiation of the party that has blocked suffrage for five years, has defeated suffrage in the last month, and has blocked a war program for true democracy in this country. So long as the democratic party is in the majority in congress it is responsible for the defeat of the suffrage amendment."

The responsibility of the democratic party for the defeat of suffrage is clear to any person who has read the record of the party. More Republicans than Democrats voted for suffrage and more Democrats than Republicans voted against suffrage.

Of thirty-four senators who willfully opposed President Wilson when he asked that the measure be passed as an assurance to foreign countries of our unity in leadership, and as a measure that will place in his hands "spiritual instruments which I do not now possess, which I sorely need, and which I have daily to employ for not being able to employ," twenty-two were Democrats.
