THE WAR COMFORTS CAMPAIGN.

It is not enough to arm and clothe the soldiers and provide them with all the munitions and engery of war. They are not mere machines. They are human beings, our own nearest ones who are suffering and dying for us.

The Christian Associations, Knights of Columbus, Jewish Welfare board, and other organizations for which the war work canvass is now to be made, are absolutely essential to the success of our armies as a fighting force. Morale is everything on the battle field. The soldier who is lonely, homesick, discouraged, is a poor fighter.

But you take him down to one of these blessed huts where brave and self-sacrificing, will see that he is warmed and fed and cheered up, and he is another man. The men come in almost wrecks after the strain of fighting and the sight of suffering and death. They are unstrung and not masters of themselves. The transformation wrought in the huts is something marvelous. The handshake, the comradeship, the cheerful bit of music, the word of counsel and friendship; these tone a man up and he is himself again. Now he can go out and fight.

The work of these organizations are not only of great military value, but it keeps the men up to a high moral standard. Formerly wars were demoralizing to the character of the soldiers and many of them returned forever corrupted by enfeebling vices. The various huts stand for the clean, manly soldier life, and they will return our boys to us physically and morally better than they were when they left.

As it is going to need \$170,000,000 to carry on this war comfort work, it is manifest that everyone has got to go pretty deep into his pocket. It is no time for the little gifts we ordinarily make to home charities.

The home-coming day for the boys "over there" will eclipse any event ever staged in these old United States. She will be a hummer and no mistake.

The News is glad to note that the Kaiser is off the roost—but those Red Guards don't look like a proper substitute for closing the deal.

It will be sad day for Gorman; when the end comes—but all the world will rejoice.

We are already for the band to start marching, "When Our Boys Come Marching Home."

Lest we forget—the U. P. scoop

**SUPT SMITH MAKES
A PATRIOTIC APPEAL**

The call has come again to us to give for the sake of our boys "Over There". It is the call of the United War Work Campaign representing the Y. M. C. A., Y. W. C. A., Jewish Welfare Board, Knights of Columbus, War Camp Community Service, American Library Association and Salvation Army.

This is the largest call that has come to us at any time during the war. Douglas County is asked for \$27,600. One half of this has been apportioned to Roseburg. This means about \$3.00 for each man, woman and child in the city. Will you do your share and more. In other places the well-to-do are hundreds and thousands in subscriptions, while those without property are giving a days wages or more. We must measure up.

Because the theatres, churches, schools and other public assemblages are under the ban, these sources of information are closed. All objections however have been fully answered to the satisfaction of all these organizations before the plan was adopted. So if you believe in any one of them, then give all your heartiest support, at us all lay aside our prejudices at this time and stand together for the moral, spiritual and physical welfare of our boys.

When the volunteer workers call upon you next Tuesday or later, let your response be immediate and wholehearted. Let us all give till it hurts, then give again. Remember that this is not a loan but a gift. Let it be a measure of your gratitude. Roseburg will do more than her duty in this worthy cause.

AUBREY G. SMITH,
City Chairman.

**COTTAGE GROVE PEOPLE
ARE GREATLY INCENSED**

COTTAGE GROVE, Ore., Nov. 9.—The people of this community were greatly incensed by the peace hoax put up by the United Press. They had gone almost wild with joy and a celebration was just about to start when the old reliable Associated Press came through with the news that the German emissaries had not yet reached the headquarters of Marshal Foch. The cry of wild acclamation immediately turned to denunciation of the news service that had perpetrated the hoax and the papers that had printed it. Many have during the past 24 hours discontinued subscription to papers that carried the hoax and one news dealer has discontinued the sale of a Portland paper carrying the United Press service since July 1, 1918, \$87.00.

The finance committee, A. J. Lillburn, chairman, has raised during the last year the sum of \$1,755.25. Respectfully submitted,
By ROSCOE N. GREEN,
Sec. Douglas Co. Chapt. A. R. C.

**DATE PURE BRED SALE
SET FOR NOV. 23.**

Col. A. L. Stevenson, Auctioneer for Mr. Frank Brown of Carlton, who is manager for the Shorthorn Association, was in Roseburg yesterday conferring with county agent Hurd, as to the details of the deferred sale. Mr. Stevenson says that he is personally acquainted with the consignors of the livestock for the sale and assured Mr. Hurd that there would be nothing in the consignment, but the very best types of the breed.

Owing to the fact that the stock had already been assembled, it was thought advisable to try to have the sale on the 23rd notwithstanding the fact that the quarantine has not yet been raised at Roseburg.

The sale will possibly take place at this time even though the quarantine is not raised in Roseburg. Some place will be secured in the country near Roseburg and the cattle moved out there for the sale, but it is incidentally hoped that the quarantine will be raised at Roseburg and that the sale can take place within the city limits.

Mr. Brown informed Mr. Hurd that he was going to San Francisco to judge the Shorthorn cattle at the International Show there and that he would be back in time for the sale here on the 23rd.

There has been a grave mistake made in announcing peace at this time with the Germans but it is not a mistake, that when your garments need expert attention in the line of cleaning, repairing, and pressing, that we can do it just the way that you wish it done. We also take orders for dyeing. Maybe your suit is not as old as he looks. Let us give you our opinion on it.

**QUIT MEAT WHEN
KIDNEYS BOTHER**

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.
