Of course All Headaches are not caused by faulty vision—but the majority of them are.

Glasses are the cure—and a quick, pleasant cure they are, too. If headaches annoy you let us tell you whether your eyes are the cause of it or not.

## The Man in the Tobacco Store Says

It does beat all how men are taking to Real Gravely. Now that they know it costs nothing extra to chew this class of tobacco. All you have to do is to get a man to take his first plug of Gravely. Let him get the pure, satisfying Grave-

ly taste, and learn for himself how much longer the small Gravely chew stays with him than a big chew of ordinary plug.

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
