serve Order.

Berlin Paper Alleges Former Ruler
Probably Be Allowed to Come
Back to Germany—Brussels
Evacuated by Germans.

(By Associated Press.)
BASEL, Switzerland, Nov. 18.—The Hungarian government has ordered the mobilization of troops on the pretext that the action is necessary for maintenance of order, according to Prague dispatches. Four classes have been called and Slovaks are among the troops called to arms.

WILL ALLOW RETURN.
LONDON, Nov. 18.—A Copenhagen dispatch says that the Potsdam soldiers and workmen committee learns that William Hohenzollern intends to return to Germany because of disturbances in Holland. The Berlin okul-Anzeiger states that the former emperor is likely to be granted permission to return. Prince Eitel Frederick, son of ex-Emperor William, has appealed to his comrades of the Potsdam garrison to place themselves at the disposal of the new government.

FORMER EMPRESS ARRIVES.
AMSTERDAM, Nov. 18.—The former German empress arrived in Holland, making the trip by airplane, according to a Dutch correspondent.

BRUSSELS EVACUATED.
PARIS, Nov. 18.—German troops left Brussels yesterday, and according to dispatches reaching here, the most extraordinary scenes were witnessed as the German army prepared to leave. Wishing to get hold of a little money to take home with them, German soldiers sold everything they had or had stolen, and there was an assortment of goods rivaling any curiosity shop offered for sale. Some of the men spread their wares out on the sidewalks and loudly cried their value to attract purchasers.

MRS. F. H. APPLEHOFF DIED AT ASHLAND

Mrs. T. H. Applehoff, who until recently has made her home in Roseburg, passed away at Ashland Saturday at two o'clock in the afternoon at the age of 75 years. The death was very sudden and unexpected.

Mr. and Mrs. Applehoff left Roseburg last spring for Ashland, where they have made their home since. Mrs. Applehoff had a wide circle of friends in this city who are deeply grieved over her death.

The deceased is survived by two daughters, Mrs. Botoher, of Eden-bower and Miss Elsie Johnson, of Elgin, Ill., and two sons, Arthur P. Johnson, of Seattle, Wash., and Geo. Johnston, of Berkeley, Calif.

The funeral of Mrs. Applehoff will be held at the home place in Eden-bower Tuesday afternoon at three o'clock. Interment will be in Masonic cemetery.

In the city election a like condition prevailed, only one candidate seeking election to each office to be filled. For mayor D. J. Stewart was given a popular vote of 438, it being necessary to write his name on each ballot; Recorder Whipple received 651 votes, while Mrs. Alley, for city treasurer, received 690 ballots.

Each of the six measures on the city ballot proposing amendments to the city charter carried by a substantial majority.

NOT WORRYING ABOUT HUNS.
NEW YORK, Nov. 16.—The problem of feeding Germany is not one of going to their relief, but of relaxing the blockade, "so that they may secure for themselves the bare necessities that will give stable government," said Herbert C. Hoover, food administrator, before sailing for Europe today to discuss food measures for the relief of the starving populations.

"There has been a great deal of unnecessary furore in this country about feeding the Germans," he said. "We are not worrying about the Germans. They can take care of themselves if given a chance, but the water-tight blockade has got to be abandoned. If there is a relaxation of the blockade, Germany can get food, fish from Norway and Sweden, grain from Argentina, but the blockade will have to be lifted. What is desired most now is for Germany to get some sort of stable basis so she can pay the money she owes to France and Belgium."

WHEAT TO STAND \$2.20.

WASHINGTON, Nov. 16.—Wheat farmers of the United States will not receive less than \$2.20 a bushel for the 1919 crop. The president's proclamation to that effect is still in effect, and it is a law that cannot be abrogated.

A commission will be appointed, as provided in the proclamation, to fix the exact price, but it will not fall below the amount named. This in the face of great quantities of wheat released in the Argentine, Australia and New Zealand.

It will take all this wheat and the European stores, if any, to feed the starving millions of the old world, and any surplus that this country can contribute will also be used, and even then short rations must prevail.

Miss Leone Coshow left this afternoon for Salem, where she will pass Thanksgiving with her sister, Mrs. Knaffle Pickens and Mr. and Mrs. Thomas Kay. After Thanksgiving, Miss Coshow will go to Corvallis, where she will be the guest of the Pi Phi fraternity, of which she is a member, having attended the Oregon Agricultural College last winter.

ALSACE IS OVERJOYED

French Army Enters Mulhaven, Taken
by the Germans in War of
1870—Army Overwhelmed
With Gifts Manyfold.

(By Associated Press.)
LONDON, Nov. 18.—Foreign Secretary Balfour told the House of Commons today that reliable information was at the disposal of the British government indicating that it is the deliberate policy of the Bolshevik regime in Russia to exterminate by starvation, murder or wholesale execution all who do not support the red element. The country is stated to be terrorized.

REMAKING THE MAP.
LONDON, Nov. 18.—Copenhagen dispatches allege that Foreign Secretary Solf, of Germany, has proposed to Denmark that a plebiscite be held in Schleswig-Holstein to decide whether that territory shall remain under German control or be joined to Denmark.

MULHAUSEN REJOICES.
MULHAUSEN, Nov. 18.—No words can picture the triumphant entrance of French troops into this city, yesterday, nor express the wild joy of the people. Flowers, tobacco and cookies were showered in greatest profusion upon the soldiers as they marched along the streets. The city situated in Alsace, which was taken from France in the settlement of 1870, has a population of about 90,000, and the joy at being delivered from German control knew no bounds. During the festivities in Mulhausen, Rev. Coffi, dean of the city, dropped dead following the intense excitement that ensued upon the French occupation.

**TAKEN OFF LAST
EVENING'S TRAIN**

A man giving his name as Smith, accompanied by his wife and little child, were taken off last night's northbound train by Marshal Hodges and turned over to Marshal Shambrook this morning. The charge against the man is that of beating a small board bill at Glendale. The party is enroute from San Francisco north and became stranded at Glendale where they remained for the night. It is not thought by the local officers that Smith is a bad character, but that his present predicament is due to unfortunate circumstances.

The fellow is an excellent draftsman and has with him a copy of a map of Europe showing all the important developments on the battle field. Marshal Shambrook was endeavoring today to get some kind of employment for the young man that he might get out of his difficulty.

**MOONEY'S CASE IS
DENIED REHEARING**

WASHINGTON, Nov. 18.—The United States Supreme Court has handed down a decision wherein it refuses to review the case of Thomas J. Mooney, who is under sentence to die December 13.

Mooney was convicted of participation in the preparation of the bombing incident in San Francisco. His case has gone from one court to another, the president has been implored to save the man from the gallows, and organized labor has spent a fortune in attempting to keep Mooney from paying the penalty of the crime he was found guilty of.

LAST PROP GONE.
SAN FRANCISCO, Nov. 18.—The

Supreme Court decision knocks the last prop from under Mooney, except the final possibility that Governor Stephens can be induced to take action and commute the death sentence.

WANTS HIS TWO HUN- DRED DOLLARS BACK

Alex Kline, who was arrested here a week ago while passing through the city by train, it having been discovered by local authorities that he had some four quarts of booze in his suit case, is quite anxious to get back the \$200 which Recorder Whipple assessed him for the illegal possession of the whiskey. Kline assigned his receipt for the fine to a Portland attorney, who in turn, had a sight draft sent here for \$200 to be collected from the city of Roseburg. It is unnecessary to say, the draft was promptly turned down and the matter placed in the hands of City Attorney Riddle for disposition.

Live-wire Doings of City

Was Fined Five Dollars.
Henry Denn, Jr., was before Recorder Whipple this morning for exceeding the speed limit with his motorcycle and paid a fine of \$5.00.

Left for Salem Today.
James Watson and O. P. Coshow left for Salem this afternoon, where they will attend the Supreme Court as attorney's in the case of Sanford vs. Deo, a mortgage foreclosure. Mr. Coshow will represent the plaintiff and Mr. Watson the defendant.

Returned to Corvallis Sunday.
Nathan Fullerton, of the Rexall Drug Store, who spent the week-end here visiting with relatives and friends, returned to the O. A. C. College Sunday afternoon, where he is engaged in military work, having enlisted in the services of the government some weeks ago.

Quilt Brings A Neat Sum.
A beautiful quilt, presented to the local Red Cross by Mr. and Mrs. Ford, of Edenbower, was raffled off at the Hotel Umpqua Saturday night bringing a total of \$34.25, which was turned in to the regular Red Cross fund. The chances were sold at 25c each, E. Householder holding the lucky number of 113.

Contains Number of Roseburg Boys.
It was stated recently in the Oregonian that the 41st division of the army now serving in France would be among the first returned to the states. In this division there are several Roseburg people including Major George Houck, Julius Riddle and other members of the ambulance corps.

Visiting at the Coshow Home.
Miss Carry O. Millsap, of Portland, the Pacific coast district superintendent of the Woman's American Baptist Home Mission Society, was a week-end guest of Mrs. O. P. Coshow. Miss Millsap left this morning for San Francisco, where she will be engaged in missionary work for some time.

Two Sessions Were Held.
The local recruiting committee of the Y. M. C. A. had two sessions this week-end, one Saturday evening and the other yesterday afternoon, for the purpose of considering applications for overseas duty in the Y. M. C. A. The applications considered at this meeting were all from Roseburg and it is likely that there will be several favorable recommendations.

Baptist Pastor to be Called.
A pastor will be called for the Baptist church of this city at the next business meeting of the church to be held on Wednesday evening, November 27. The committee has under consideration for this pastorate, Rev. R. G. Edwards, of New Westminster, British Columbia. The Baptist church of this city has been without a pastor for some time, depending upon passing evangelists for services, and it will be a great satisfaction to the members of this church to have a pastor at the helm.

GERMAN TROOPS IN REVOLT AT METZ

ARMY AT THE BORDER

United States Troops Moving Forward
to Occupy Hun Territory—
Bulgaria Said to Have Turned
Republic Just Now.

(By Associated Press.)
PARIS, Nov. 18.—A serious revolt occurred at Metz on Nov. 10, and a soldiers' and workmen's council was formed at that time, according to the Paris Matin. In attempting to quell the revolt the German governor ordered the cavalry to charge, but instead the troops fraternized with the mutineers. The influence of the council proved evanescent, however, and the soldiers got well beyond control in a short time, and after ridding a champagne factory became drunk and began using the machine guns. This caused the civic guards to retreat. Metz is now surrounded by armed guards, and the population is anxious for the arrival of the French troops, so that all personal rights and safety will be insured.

ARMY MOVES UP.
WITH THE U. S. FORCES, Nov. 18.—One wing of the American army of occupation moved forward into Belgian territory today, while another wing swung steadily toward the German frontier.

NEAR THE BORDER.
WASHINGTON, Nov. 18.—Reporting on the march of the third army into Belgium, General Pershing announced that Thursday night the troops had reached the line of Eonvieux-Sorby near the German border.

DAVIS GOES TO ENGLAND.
WASHINGTON, Nov. 18.—John W. Davis was today formally nominated by the president as United States ambassador to England. Alexander King, of Atlanta, was nominated solicitor general to succeed Davis, who resigns to accept the diplomatic position tendered.

UP TO THE PRESIDENT.
WASHINGTON, Nov. 18.—The U. S. Senate today took final legislative action on the national war time prohibition bill, which becomes effective July 1, and will continue until the army is demobilized. The measure will go to the president for approval Thursday and prohibition advocates confidently expect executive sanction.

IT'S A REPUBLIC NOW.
ATHENS, Nov. 18.—Reports of the change of regime in Bulgaria, and a proclamation that a republic has been formed there, have been received at Athens, but official confirmation of the information is lacking. The reported founding of a republic upon the ruins of the old government, is believed in diplomatic circles here to be a move to escape certain responsibilities in connection with the conflict of peace.

**DAILY PAPER MAY
START AT NORTH BEND**

Another daily newspaper will be started in North Bend, it is stated on good authority. The man who has been contemplating the venture has been waiting for several months, being unable to make the move because of the restrictions against starting a newspaper while the war was on. It is understood he has been here on two occasions and believes the field all right.—Marshfield Record.

With the lifting of the "Flu" ban Saturday night, everybody was bent upon making up for lost time. The dance at Macabee Hall was one of the places where a big crowd collected for an evening's pleasure. It is the intention of the management to give another party this week.

The fellow who gave his name as William Grant in passing a bogus check for \$20 to Le Roy Howard, night clerk at the Hotel Grant, about a week ago, has been operating similar methods at Medford this week, where he has passed three bad checks for amounts ranging around \$20. One of these checks was not indorsed, which fact was not discovered by the victim until some time later. Grant has so far eluded the authorities in southern Oregon and California.

With the opening of the local schools after a cessation of five weeks of quarantine, there are a considerable number of teaching positions vacant. For the time being, these positions will be filled by substitutes. The two new teachers selected for the high school have not yet arrived and these places are being occupied by Mrs. Thornton and Ray Henderson. Other substitute teachers in the grades are the Mrs. Melhenny and Mabel Murray, who will occupy positions at Rose School until teachers are secured.

H. P. Coshow, district chairman for the United War Work drive, yesterday, received a telegram to the effect that the Umpqua district, comprising three school districts has turned in \$500 with an allotment of but \$200. Fortin, Mrs. Jennie Normand, Mrs. J. L. Shambrook and Mrs. Hazel Bird. It is worthy of mention that with the exception of one member, these captains are all women. In the towns where the total allotments are not yet raised, the balance of the week will be given over to collecting.

LIGHT & WATER CO. ASK RAISE RATES

Hearing Will Soon Be Had
Before the Public
Commission.

A MATERIAL INCREASE

Minimum Charge Remains as at Present,
But 50 Per Cent Less Water
or Electricity May Be Used
For the Sum of \$1.00.

The Public Service Commission has been petitioned by the Douglas County Light and Water Company for the privilege of raising its rates on both light and water, and a hearing of the matter will occupy the attention of the commission within a short time. The hearing will be in this city, and taxpayers and patrons will be given an opportunity of expressing their approval or disapproval of the proposed rate increase.

According to a copy of the application made to the Public Service Commission by the Douglas County Light & Water Co., which was received at this office today, the rate is looked upon as a considerable increase over those now being paid by consumers. The present rates have been in force since 1911, and have been considered fair by all patrons of the company. Water, under the existing rates, is charged for at the rate of 20 cents per gallon for the first 15,000 gallons, or a minimum of \$1.00 per month where less than 5,000 gallons were used monthly.

The rate asked for in the new schedule provides that householders shall pay at the rate of \$1.00 per month for 2,000 gallons or less. This is the proposed minimum charge against 5,000 gallons allowed under the present arrangement. For the next 8,000 gallons the rate will be 20 cents per thousand. The next 20,000 gallons will cost 12 cents per thousand, and in excess of 30,000 gallons up to 50,000 gallons, 10 cents, and above 50,000 gallons to 100,000 gallons, 8 cents per thousand. All over 100,000 gallons at 6 cents per thousand. Under the present rate all water in excess of 15,000 gallons costs 10 cents per thousand. For fire protection the new schedule will contemplate a charge of \$1.50 for 1-inch standpipes and for a 2-inch service \$2.00 per month.

The company has at present a minimum charge of \$1.00 per month for light where less than 10 kilowatts are used. From 10 to 20 K. W. H., 9 cents; from 20 to 30, 8 cents; 50 to 100, 7 cents; and balance 6 cents per K. W. H.

Under the new schedule proposed a charge of \$1.00 per month will be made for the first 5 K. W. H. or less. The next 20 will cost 11 cents; from 20 to 25, 10 cents; from 25 to 50 K. W. H., 9 cents; from 100 to 200 K. W. H., 6 cents; over 200 K. W. H., 5 cents. It is proposed to charge at the rate of \$1.50 per month for 16 candle power incandescent lights outside of the city limits. Industrial power rates are advanced materially in the new schedule, and 8 cents per K. W. H. for the first 30 K. W. H.; the next 60 K. W. H. will be charged for at 5 cents per K. W. H. and 2 cents per K. W. H. for all excess consumption per month.

For domestic heating and cooking the minimum charge proposed is \$1 per month. Contracts for this service shall be not less than for a year, and for a rated capacity of 15,000 Watts or over, 24 hour service, 3 cents per K. W. H. will be charged.

Jerome Sacks, the 17 year old boy who was committed to the state industrial school Friday by indictment of the grand jury on charge of burglary, was sent to Salem today. Sacks has been an inmate of this school upon two previous occasions, upon one of which he made his escape and committed the crime for which he is now being returned.
