Party at the Skinner Home.

The beautiful L. B. Skinner home at Winston was the scene of a charming party yesterday afternoon, the occasion being the Christmas celebration of the Merry-Go-Round club. Garlands of fir boughs and flaming poinsettias formed the decoration scheme for the party, and the Christmas spirit was further evidenced by the presence of miniature fir trees, gaily adorned with tinsel and stars. A dainty luncheon was served at the close of an afternoon of sewing and

Teachers Examinations Over.

The examination of teachers, which was held in this city Wednesday, Thursday and Friday of this week, had a very light attendance, according to Superintendent O. C. Brown, who conducted the examination. Mr. Brown states that the light attendance was due to influenza, a number of teachers, who were to take the examinations being ill with the disease. Another reason for the light attendance was the fact that an examination was also held at Yoncalla. The city council of Yoncalla passed a resolution, requesting that the examination be postponed, owing to the influenza situation. It was too late to arrange for this, at the time Supt. Brown received the request, but in order to meet the emergency the superintendent caused an examination to be held at Yoncalla for the teachers of that section of the county, who desired to write. Supervisor A. E. Street conducted the examination.
