RED CROSS PHARMACY

BREEZY BUNCH OF GLENDALE HAPPENINGS

Influenza is still in evidence in this city and our environment of saw mills. Weather conditions at present are a problem with rain coming down in torrents and a humid atmosphere of almost summer heat. We cannot guess the result.

Yet we all feel that it is our part of the great war, to overcome this pestilential visitation. And with faith serene "That He maketh wars to cease, to the ends of the earth; so He will overcome all conditions for our good and is Glory." And we can abide by Him safely, no matter what befalls us.

Mr. and Mrs. E. E. Jamieson of Loyal were city visitors on Monday. They were luncheon guests of Mrs. J. E. Churchill.

Rogers and Hagon have their mill at Ruben in operation. They are cutting ties for the S. P. Co. for shipment to other points.

Through private letters received from Charles Flint, who is in the U. S. Signal Service in France, Mr. Flint states that he is in good health and very much pleased with his sojourn in France, he also informs us, that the signal men will probably be needed until all work of their class is finished. He sends kindly greetings to all old friends and says, the U. S. Boys are certainly being treated royally over there.

Rev. Jacob Gline looked after business at the county seat last week. Real estate in this valley is advancing in value with a decided upward tendency.

Mr. and Mrs. S. H. Rothermel are at their home in this city and we deeply regret to say, all are preparing to remove to Portland, after a six years residence in this city. Mr. Rothermel has resigned as president of the Glendale State Bank, where his splendid business attainments made him very popular. He and his wife have made most excellent records in Red Cross work and along all lines of business. They will be missed. Also as social leaders their places will be hard to fill. They each possess a fine personality of genial kindness and helpfulness that has endeared them to all who know them, and our sincere good wishes will be with them wherever they may go.

Our fellow townsman J. Leystul will succeed Mr. Rothermel as president of the Glendale State Bank. He is well known over Oregon and it is assured that he will pursue the same fine methods in the bank. He is eminently worthy to fill the position. H. W. Ticknor as Cashier, has made a record that signifies his high claim to the profound respect of all patrons of the bank. And his assistant bookkeeper, Miss Alice Nebel, will honor her position as a lady competent in every way, to attend to the duties of her office. She comes

very highly recommended from the east, where she filled several places of public trust.

Mrs. H. W. Ticknor and their little son, Harold, who have been visiting friends at Portland, will return soon. Attorney O. S. Brown is very busy at his office in this city and in addition is looking after legal matters at Medford and Grants Pass.

Mrs. J. B. Howell is attending to business matters in this city just now.

January 15, we received the official notification, that our war work as retail price reporter for the U. S. Food commission was finished, and all of the staff were out of a job. And we received very flattering reports of the manner in which our work was done, which we fully appreciated. We thank all Glendale dealers who assisted us in making good in doing this work despite adverse conditions rendered. We followed our duty according to instructions all the time.

A special meeting of the Red Cross is in progress at the home of Mrs. F. F. Williams this afternoon. An election of officers for the ensuing year will occur and their usual energetic work, will go on.

We note with sincere regret the illness of Miss Mabel Walters of Roseburg, who is afflicted with influenza. Miss Walters is the accomplished daughter of Mr. and Mrs. H. P. Walters of Leland, Oregon. We hope for her speedy recovery.

TEN MILE NEWS.

Hello! Here we are again. Would like to say that we have enough rain at present. All streams are full and overflowing, but there is nothing like having plenty and some to spare.

Mrs. Jack Smith and grand daughter Marie are visiting at her daughter's at Saganaw, Oregon, a few weeks.

Clifford Howard has been discharged from the army and he and his wife are spending a few days with his parents, J. B. Howard.

Mrs. M. L. Bushnell has returned home not very much improved in health.

Dr. Shoemaker was called out to see Mrs. Neff last Friday, who was suffering from a bad cold and nervousness.

Mr. Moss drove to Roseburg Monday, returning home Tuesday.

Raphael Pierce is visiting old time neighbors at Ten Mile.

Mrs. V. McDaniels is still visiting at the home of her son Lealie and unable to get to her home on account of high water.

Lena Porter is able to attend school again after a few days absence.

Harry Boardman returned home from Olympia, Washington, some time ago.

Quite a crowd gathered at the home of Elmer Bushnell last Friday night and danced until a late hour. Cake and coffee and sandwiches were served. All report a good time.
