You may see perfectly though painfully, if so your eyes need attention and need it badly, if they are to last. So it would be wise to have them examined and glasses fitted, and the Best Place is

CHURCH NOTICES.

SOLDIERS AND SAILORS HERE.

The churches of Roseburg were all in line to assist the government in every way during the war. Time and again, through its agents and leaders the government appealed to us to do things, and we always responded. We gave our money to help make things more pleasant for the soldier boys. Every church is proud of its service flag that hangs suspended in its auditorium by the side of "Old Glory". Now as you return home the church doors are wide open to you with a hearty welcome. Why not seek the church of your choice, and attend the services, and let us prove our interest in you. C. H. HILTON, Secretary Ministerial Ass'n. for the Association.
