SNAPPY GAME IS EXPECTED TONIGHT

A fast and snappy game of basketball is anticipated tonight when the Roseburg High School quintette will meet the Drain High School aggregation at the local H. S. gym. This is the first game of the season which is starting very late, owing to the influenza situation which forbids public gatherings of all kinds and especially of athletic nature. The game will be preceded by a girl's preliminary in which the junior girls will meet a team composed of sophomores and seniors. The Roseburg boys have been drilling hard under the direction of Carl Black, a member of the state championship team a few years ago, and the visitors are promised some unexpected surprises in the line of concerted team work. The lineup for the preliminary and main event are as follows:

Girls: Juniors—Vernita Kohlhaugen, F.; Dorothy Boyd, F.; Teka Haynes, C.; Luella Meyers, G.; Maxine Sykes, G.

Soph: Seniors—Mildred Sinnott, F.; Ross Erskin, F.; Ruth Burnett, C.; Josephine Sinnott, G.; Virginia Riggs, G.; Lorine Conley, S.

Boys—Lloyd Davis, Forward; Sam Campbell, Forward; Delbert Abraham, Sub Forward; Howard Crockett, Center; Leslie Ashworth, Guard; Allen Wickam, Guard.

INFLUENZA DANGER BELIEVED PASSED

It is the opinion of Dr. K. L. Miller, County Health Officer, that the Spanish Influenza epidemic in this county is slowly wearing itself out and that the few cases now in existence are hardly to be considered, and that it is safe to say that the danger is past. Observation he says shows that when the disease is transmitted from one person to another, that it loses its power and becomes less severe in its aspect. This fact has made the quarantine method employed here very effective as it prevented transmission to a great extent and nearly all exposures were caused by infractions of the quarantine rules, the disease, however, becoming weaker as it passed appearing each time in a less virulent stage. He favors the continuance of the quarantine in its present form, but believes that within a short time the disease will pass out of existence. Several cases which have been reported lately have been proven to be nothing more than severe colds and have been released from quarantine.

COUNTY COURT CONSIDERS ROAD MATTERS

Resolutions were adopted this morning by the County Court for the location of the Pacific highway in the vicinity of Yoncalla. The resolutions call for the establishment of the right of way for the improvements to be undertaken by the State Highway Commission, for which the contracts have been allowed to H. J. Hildebrand. It is the requirement of the commission, acting under the state law, that the county must purchase all right of ways before any improvement can be undertaken by the state. The improvements to be made include the highway from the city limits of Yoncalla to a point one mile south and from a point one mile north of Yoncalla to the city limits of Drain. Both pieces of road are in bad condition and are in great need of improvement. A representative from the Gardner district appeared before the court this morning requesting that action be taken to replank the road from Gardner to East Gardner, the present road being in bad condition. The request will probably be granted.

CUSTODY OF MINOR CHILDREN AWARDED

An order was made today in the circuit court by Judge Hamilton, awarding the custody of the minor children of Josie Clark and W. H. Clark to Mrs. Annie Lively, of Cottage Grove. The matter has been in the circuit court for some time, considerable litigation being involved when Mr. Clark attempted to obtain the custody of the children after they had been taken by his former wife who, after securing her divorce, was married to Joe Abene, of Sutherlin. Clark introduced testimony in an attempt to show his former wife unfit to care for the children, while counter charges were made for the purpose of frustrating the attempts of the father to obtain the children. Judge Hamilton roundly scolded both parties and refused to allow either the plaintiff or defendant the custody of the children and placed them under the care of Mrs. W. J. Tester pending a final decision, which was made today.

TWO MINOR ACCIDENTS YESTERDAY EVENING

A wrecked truck on a box car attached to a northbound freight late yesterday evening necessitated the calling of the local wrecking crew to the small station of Brant, a few miles out of West Fork. The car was pushed off the main line but in moving it over the switch, it left the rails and threatened to expire on the main line. It was left in its perilous position and a wire sent to Roseburg for the crane and the tracks were soon open. Another slight accident occurred near Cottage Grove when a drawbar pulled out allowing the train to break in two. Neither of the accidents were serious and no delays were occasioned to passengers.

Had Hand Bitten.
While endeavoring to separate a couple canines whose chief ambition at the moment seemed to be to make sausage of each other, F. A. Fields was severely bitten on the teeth of one of the angered dogs penetrating his left hand. The injury is not serious but quite painful.

Will Fly Over Alps.
W. D. Bell has received a letter from his son Wendell, in which the latter states, he is going to attempt a flight over the Alps. He is an army aviator in Europe and has made a number of very successful record flights. He states, he has been very busy flying and is enjoying the work. He expects to be discharged in March.

Signs Are Painted.
Large signs were painted today and placed at the U. S. employment office. Dr. Bailey reports a large volume of business and a decidedly encouraging spirit of co-operation from residents all over the county. He has found employment for a large number of men and has many jobs for which laborers cannot be found.

Hear Dr. Janet Reid.
Cards have been distributed to all homes in Roseburg requesting women and girls to hear Dr. Janet Reid who has been sent out by the War Department with a message to give to women and girls. In addition to Dr. Reid's talk there will be an unexpected musical program. Every woman is urged to be present at the High School auditorium Saturday afternoon at 3 o'clock. There will be no admission or collection.
