PRINCE ALBERT

TALK about smokes, Prince Albert is geared to a joyhandout standard that just lavishes smokehappiness on every man game enough to make a bee line for a tidy red tin and a jimmy pipe—old or new!

Get it straight that what you've hankered for in pipe or cigarette makin's smokes you'll find aplenty in P. A. That's because P. A. has the quality!

You can't any more make Prince Albert bite your tongue or parch your throat than you can make a horse drink when he's off the water! Bite and parch are cut out by our exclusive patented process!

You just lay back like a regular fellow and puff to beat the cards and wonder why in samhill you didn't nail a section in the P. A. smokepasture longer than you care to remember back!

Buy Prince Albert everywhere tobacco is sold. Tappy red bugs, tidy red tins, handsome pound and half pound tin humidors—and that clever, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, sniffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffy-up and miserable.

Pathe Pathephone!

(The Real Pathe Phonograph and Pathe Records.)

Pathe Records

Never in the world's history have two men contributed so much keen, clean pleasure to the people of every nation, as have the Pathe Brothers of France, whose world-wide reputation is well established through their invention genius. In perfecting the Pathephone and the moving pictures, the Pathephone not only plays the Pathe disc, but is equipped, so that the Edison, the Victor, the Columbia and other records may be played. With the Pathe records a genuine highly polished smooth round sapphire is used, doing away with changing needles. With the Edison records a genuine Diamond point is used, with other records, use any needle you would use with other machines. I have just received a shipment of Pathephones and Pathe records. Come in and hear the Pathe records on the Pathephone. Hear the Edison Diamond disc on the wonderful Edison; hear the Victor record on the Victrola, then hear them all on the Pathephone; hear them all on the Edison; hear them all on the Victrola. We are here to demonstrate and will gladly do so and this is the place you can hear and compare the three best phonographs made.
