LOGIC OR ABUSE.

If Mr. Newman has a logical defense for his client, the dance, let him "dig up" instead of resorting to silly methods to draw the minds of the jury (the public) from the merits of the case. Otherwise, I take Solomon's advice in Prov. 26.4 and dismiss him as unworthy of further answer. Abuse is not an answer to any question. Thanking Mr. Newman for his compliment of placing me with "narrow minded flat heads" (I suppose he means all opposers of the dancing school or common dance). I make my politest bow and retire, unless he has something more high-minded forthcoming.

Headache

Do you know that Nine Tenths of our headache troubles are caused by eyestrain, and can be relieved by a correct fitting pair of glasses. You may see perfectly though painfully, if so your eyes need attention and need it badly, if they are to last. So it would be wise to have them examined and glasses fitted, and the Best Place is

Backache?
Rheumatism?

Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from gout, swollen hands or feet. There is no longer the slightest need of this, however, as the new prescription, "Anurie," is bound to give immediate results as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for "Anurie" for kidney or backache. It will overcome such conditions as rheumatism, dropsical swellings, cold extremities, scalding and burning urine and sleeplessness due to constant arising from bed at night.

Send to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a 10c trial package.

MADERA, CAL.—"I recommend Doctor Pierce's Anurie very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without relief. I saw Anurie advertised in the paper, and like a browsing man grabbing at a straw I thought I could try it also, which I did with great success. It relieved me almost immediately, before I had even all of the trial package, and having great confidence in the remedy I immediately sent to a drug store and bought a full-size package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy. I suffer no longer. I have great faith in Dr. Pierce's Anurie."—J. S. Hession.
