The valentine social, held by the Grange, at the hall on the evening of the 14th was a decided success, financially—a neat little sum being realized from the sale of the Caterina supper. Chances on a quilt were sold by the ladies of the Red Cross, and the quilt was won by Charlie Stubbs. A valentine box was an interesting and amusing feature of the evening's entertainment. Some folks found out some startling truths about themselves in the nature of comical valentines, which Mr. Busenbark did not hesitate to read to the crowd as he distributed them to their owners. Games were played until 11:30 p. m., when the merry folks parted.

Mr. G. A. Crane is slowly improving after a relapse of the "flu". Mr. Crane's motto is "Save the Razor" for he has heard that a body should keep warm after having the flu.

The Hardie Special Triplex Power Sprayer pays its way. Pathe Pathephone!

(The Real Pathe Phonograph and Pathe Records.)

Pathe Records

Never in the world's history have two men contributed so much keen, clean pleasure to the people of every nation, as have the Pathe Brothers of France, whose world-wide reputation is well established through their invention genius. In perfecting the Pathephone and the moving pictures, the Pathephone not only plays the Pathe disc, but is equipped, so that the Edison, the Victor, the Columbia and other records may be played. With the Pathe records a genuine highly polished smooth round sapphire is used, doing away with changing needles. With the Edison records a genuine Diamond point is used, with other records, use any needle you would use with other machines. I have just received a shipment of Pathephones and Pathe records. Come in and hear the Pathe records on the Pathephone. Hear the Edison Diamond disc on the wonderful Edison; hear the Victor record on the Victrola, then hear them all on the Pathephone; hear them all on the Edison; hear them all on the Victrola. We are here to demonstrate and will gladly do so and this is the place you can hear and compare the three best phonographs made.
