### RECIPE TO CLEAR A PIMPLY SKIN

Pimples are Impurities Seeking an Outlet Through Skin Pores.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body. It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples. The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.

Let us all assist in averting such a calamity by subscribing to the Armenian and Syrian Relief Fund.

In all former drives the people of Douglas County have liberally and patriotically responded to the appeal for help for a people in dire extremity, and have gone "over the top." ### IN FLANDERS' FIELD.

Dr. John D. McRae, of Montreal, enlisting with the Canadians, was commissioned lieutenant, and later was killed on the Flanders front Jan. 28, 1918. Some days before his death he wrote the following:

In Flanders' fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks still bravely singing fly,  
Scarce heard amidst the guns below,  
We are dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe!  
To you from fallen hands we throw  
The torch. Be yours to hold it high!  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

### AMERICA'S ANSWER

By R. W. Lillard.  
Rest ye in peace ye Flanders dead.  
The fight that ye so bravely led  
We've taken up. And we will keep  
Ten million hands will hold it high,  
And Freedom's light shall never die!  
We've learned the lesson that ye taught  
In Flanders fields.

True faith with you who lie asleep  
With each a cross to mark his bed,  
And poppies blowing overhead,  
Where once his own life blood ran  
red,  
So let your rest be sweet and deep
