## HUNS SCORN THE TERMS OF TREATY

Will Not Sign Them and Issue Statements to That Effect Today.

### THE TIME ALMOST UP

Time Limit Expires Thursday and They Ask for Extension—Will Send Note Telling of Their Objections to the Terms.

(By the Associated Press.)

Declaring that they will not sign the peace treaty in the present form, the German cabinet has issued a definite statement through the Associated Press to that effect. The world is not surprised at this announcement for it has been generally known throughout the past week that the Huns are "hanging out" on the peace pact hoping to get under terms from the allies. Statements along similar lines made by President Ebert, Premier Scheidemann and other Germans in high official circles have preceded this latest edict of the cabinet and they seem to be well organized on that one particular subject. The writing of notes has played a very important part in these peace transactions and yesterday the German mission at Versailles sent a note to the secretary of the peace congress regarding the discussion and saying that no signature could be placed on the treaty by the Germans until better terms are arranged. Today it is expected that the German representatives will transmit to the allies a comprehensive statement showing Germany's antagonistic attitude towards the treaty and specifying the points they are willing to accept and those they desire to have modified. The fifteen day time limit set for them to accept the treaty will expire Thursday but an extension has been asked by the Germans.

Premier Orlando, of the Italian government, has gone to Rome for a conference on "certain interior and foreign questions." Owing to the absence of Premier Orlando the Austrians will probably not receive their peace terms before Friday. It is assumed that the premier's trip indicates some new development in the work of adjusting the disposition of the post of Fiume and the Dalmatian questions before the terms are given to the Austrians. It is that that he will remain only a few hours in Rome.

### SPELLS DESTRUCTION.

BERLIN, May 21.—In a statement issued by the cabinet today Germany declines to sign the peace terms submitted by the allies, alleging that it does so spells "economic destruction, political dishonor and moral degradation of the entire German nation, not only for the present, but also for unborn generations."

### POLES ADVANCING.

WARSAW, May 21.—The towns of Drohobycz, Boryslaw and Mikolajow have been captured by the Poles in the Galicia campaign, an official statement today alleges. Pole troops have crossed the Dniester river near Rozwadon. The statement says that the prisoners taken have not yet been counted, and that the enemy is fleeing in a panic.

### FLIGHT IS DELAYED AGAIN.

WASHINGTON, May 21.—The resumption of the trans-Atlantic flight by the seaplane NC-4 is again delayed. A message to the navy department said that one engine had developed trouble and therefore the start for Lisbon cannot be made today. The weather was not mentioned.

### HAWKER IS LOST.

ST. JOHNS, May 21.—All hopes for the rescue of Harry Hawker, the British aviator who fell with his machine off the coast of Ireland while attempting to cross the Atlantic in a Sopwith plane, have been virtually abandoned. No word has been received regarding Lieutenant Commander Grieve and he is also probably lost.

## BAGGAGE SMASHER RUINS FOND HOPES

For several weeks local officers have kept anxious and suspicious eyes upon a large roll of blankets occupying an unobtrusive corner in the local depot, but their patience and perseverance will probably be unrewarded for although they have obeyed all the instructions unqually observed by officers who are intent upon disguising their true identity the owner of said blanket roll has failed to appear and make himself known to the unsuspecting public. The blanket roll in question would probably have been claimed long ago but an S. P. "baggage smasher" liv-

ing up to his reputation, tossed the bundle to its present location, the movement being accompanied by a smothering snoring, faint gurgle and then a trickling noise as a tiny stream dripped to the floor there to waste itself upon the atmosphere. All that remains as evidence is a tangle of broken glass and a pasteboard, formerly four bottles of "fire water" and their protective retainers.

## CONGRESS WILL NOT REPEAL LIQUOR LAWS

(The Associated Press.)

WASHINGTON, May 20.—Senators do not take kindly to President Wilson's recommendation that the prohibition law be repealed, and predict that the legislation asked for will not be enacted. Prohibitionists of both parties are strictly against the repealing of the war time liquor measures.

## HOUSE GOES STRONG ON WOMAN'S SUFFRAGE

(By Associated Press.)

WASHINGTON, May 21.—The woman suffrage resolution was adopted by the house today by a vote of 41 more than two-thirds required. The measure now goes to the senate for concurrence.

## GERMAN SUSPECT ATTACKS RELATIVES

H. C. Haney, an automobile mechanic, of Riddle, came near losing his life this morning when he was attacked by his father-in-law, Chas. Schultz, according to the story told Sheriff Quine. Haney arrived in the city this afternoon and immediately made a complaint to the officers and orders were sent out instructing Deputy Sheriff Hopkins of Canyonville, to arrest Schultz, who was held in the county jail several months last summer on suspicion of being a German spy. According to Mr. Haney an argument resulted over some business transactions and knife which he commenced using recklessly. The mechanic dodged and picked up a hoe with which to defend himself whereupon the attacker halted and after making a number of threats left the garage in which the clash took place. A telephone message was sent to Canyonville for which place Schultz is known to have started and he will probably be arrested and brought to this city to appear before the grand jury.

Monday evening Mrs. L. B. Moore, of this city, presented her Oakland music class in a recital at the Oakland Methodist Church, several of her Roseburg pupils went with her in her car and assisted in the program. The large church auditorium was filled to capacity and the musical was a decided success. Lucille Koenig of Roseburg made a decided "hit". She is so small it was almost necessary for her to stand in order to reach both the keyboard and the pedals but yet she played numbers difficult for adult musicians.   - Waltz in C Major—Florence Maupin.

## ALLEGED CATTLE RUSTLER CAPTURED

Clarence Kennedy Caught in Crescent City After a Thrilling Chase.

## WARRAAT IS YEAR OLD

Claimed Drove Off Band of Cattle from Camas Valley and Sold to Ben Nichols, a Resident of Riddle in this County.

Clarence Kennedy, alleged cattle rustler, for two years a fugitive from justice, has been captured at Crescent City, on information telegraphed by Sheriff Quine, and will be brought to Roseburg at once to stand trial on a charge of stealing and selling cattle belonging to a Camas Valley resident, a bench warrant for his arrest having been issued in November 1917.

In October of that year Kennedy was a resident of Camas Valley. It is claimed that he had a bad reputation prior to his becoming involved in the toils of the law and his brother, Ben Kennedy, is now serving a term in the State penitentiary having been sent to that institution following his conviction on an indictment charging him with the crime of rape. The crime with which he is charged occurred the last part of October, when he drove off a band of cattle belonging to Wilbur Brown of Camas Valley, took them across the hills to Riddle and sold them to Ben, F. Nichols and then disappeared. The crime was not known for about a week and then the officers started on the trail. He was followed from state to state but it seemed that the authorities were unable to apprehend him. Time after time trace of him would be found on the day following his departure from some town or city but the officers were always a day behind until at last all track was lost at Great Falls, Mont. For months nothing has been heard of him and the officers had almost given up hope, when Sheriff Quine in some manner learned that he had returned to Oregon and had located at Creswell.

Saturday it was learned that Kennedy had passed thru Roseburg in an auto carrying a trailer, bound for California evidently intending to bring in a load of liquor. Telegrams were immediately sent to all officers south of Roseburg with the result that the arrest took place at Crescent City early this morning.

The car in which Kennedy was traveling was listed in the name of E. L. Weeks of Creswell and messages have been sent to that city asking for information. The reason that the officers lost the trail while searching for the fugitives is explained by the fact that he was described as having dark hair while he has bleached it to red and has also grown a mustache which has been bleached. While residing in this county he had heavy, dark, curly hair and was smooth shaven and the bleaching of his hair and growing of a mustache has greatly disguised his features, making it difficult to give an accurate description of him.

## STUDENT BODY HOLDS ITS FINAL MEETING

The final meeting of the Student Body of the Roseburg High School was held yesterday afternoon at the high school. George Houck, the retiring president, presided and made the statement of affairs which shows the student body to be in excellent condition especially from a financial standpoint. The members of the boys' and girls' basketball teams were awarded their letters and a fine obsequy was presented by Miss Bernice Kinser, instructor of music, for her excellent work in presenting the musical operetta, "The Feast of the Red Corn". For about an hour and a half the orchestra, glee clubs and quartette entertained with special musical selections. Mabel Bryan and Warren Burt assisting. Sections from the Junior play were then presented after which Joe Deets concluded the program with a talk talk. Leslie Butner has been selected to preside over the student body next semester.

## ROSEBURG GIRLS PRIZE WINNERS

Dorothea Abraham, daughter of Attorney and Mrs. Albert Abraham, a popular Roseburg girl, is one of the Waido prize winners at the Oregon Agricultural college this year. Mrs. Clara H. Waido, until recently a regent of the college, gives each year \$100 in prizes to four girls representing the four classes. The prizes are awarded for proficiency in scholarship and student activities and qualities of womanhood and leadership. Miss Abraham is a graduate of the Roseburg high school and is taking home economics at the college. She is an active member of the Y. W. C. A. and is a member of the cabinet this year. She is also secretary of the Sigma Kappa sorority and has done a great deal of work in connection with the home economics department that has been highly commended by her instructors. Vivian Marsters, daughter of Judge and Mrs. R. W. Marsters, another Roseburg girl, has been signally honored at the college. She has been chosen as a member of the 1919-1920 citation committee. This committee performs for the freshman girls a function similar to what the vigilance committee does for the freshman boys. They are responsible for the freshman girls and instruct them in the traditions of the college and what is expected of them as students of the college. The members of this committee are selected each year by the present committee from among the prominent members of the freshman class.

## MISS M'LOUGHLIN CARNIVAL QUEEN

Gertrude Laird of the Benson School Wins Honor in Junior Contest.

## MANY VOTES WERE CAST

Committees Meet and Develop Plans for Festivities.—Rest Rooms to be Established at Commercial Club Rooms and at the Armory

The contest Carnival Queen closed last night in an exciting finish. Up to a late hour the officers of the committee were counting votes and the result was in doubt for some time. At the finish Miss Maxine McLoughlin was declared winner with 17,935 votes. Miss Mabel McCullough was second, with 11,135 and Miss Clara Hicks, third with 4,800. Miss McLoughlin had a majority of 5,800 over her nearest competitor. The contest for Children's Queen was hotly contested. Three of the local schools entered candidates and the pupils worked hard and faithfully for their favorites. At the final count, Miss Gertrude Laird of the Benson School, was winner with 19,131 votes. Miss Pauline Clark was second with 10,724 and Miss Frances Butner third with 8,115.

### Arrange Rest Rooms.

The Committee on Rest Rooms consisting of Mrs. Neuner, Mrs. Marsters and Mrs. Perkins have given much time and thought to the comfort of our guests during the Carnival. They have secured the old Commercial Rooms, where the Eugenesians will be held. This will be held two days, and cots and chairs will be provided for the children and ladies. They have also secured the use of the outside lavatories of the Armory Building and the large room immediately to the right of the entrance. The lavatories are all on this floor and the drinking fountains will all be cleaned and pure North Umpqua drinking water will be on tap and running all the time. They are going to erect some benches on the Court House lawn, and our George has assured us that he will make these of a great deal of lumber that is now stored around the Court House and Jail, and have them made into benches, thus giving better resting places for all of the guests. This committee requests the merchants to place as many benches as possible or construct small benches in front of their stores in order that the weary traveler may rest for a time.

### Allow More Prizes.

At a largely attended meeting of the Executive Committee and those on all other committees of the Carnival, the members were so pleased with the way the schools have carried the contest, they decided to offer additional prizes. This was to be \$50 and to be given in prizes for the school in the parade having the best display. This is a new feature, and they have never appropriated more than the original \$100. The prizes will be divided as follows: \$20, first prize; \$15, second prize; \$10, third prize; and \$5, fourth prize. This amount can be used by the school as they see fit. The judges will be secured on the morning of the Parade and will be selected from three traveling men stopping in this city and who will be absolutely unknown to anyone in the City, this making them competent to judge without prejudice.

### Large Band Stand.

The Band Stand will be 16x32 thus assuring ample space for the training of the little folks, and the crowning of the Queens. This stand will be enclosed in a railing and will be decorated. Mrs. Benschneider, the chairman of this committee, has trained a large number of children in an Operetta at the High School, and this assures a most interesting program.

### The Band will be stationed here

and all roads are leading to the crowning of the Queens. The day of this event and the time will be announced later.

Strawberry Stand Wanted.

Numerous concessions have been granted, but why is it no one asks for a concession to sell strawberries and cream. We are going to have lots of strawberries and the cream is always here. This is a strawberry Carnival and why can't the stores, lodges and other organizations get together on this? Put up a stand and sell strawberries and cream. See C. W. Jones, chairman of Concessions. If you can find him, see the Secretary. Don't forget that this is a Strawberry Carnival. Everyone should be able to buy all the strawberries and cream that they can eat.

Roses for Exhibit.

Roses and Strawberries are going to be on exhibit in Roseburg. Roseburg never had as many beautiful flowers as today. We want you to bring your choice roses in vases, pots and bowls to the Strawberry head-

quarters for exhibition. We want you to put a card with the name of the rose and the growers name. This card to be 2 1/2" in size. This is done for uniformity. There will be lots of strangers in Roseburg during the days of the Carnival, and you want to let them know we have roses. Do you remember that one year, Roseburg furnished the roses for the Rose Festival in Portland? Bring your roses to headquarters and let us show that we can grow Strawberries and Roses.

### SHORTCAKE CONTEST.

The strawberry season is now in full swing and the berry display for the Strawberry Carnival promises a keen contest. The most envied people in Douglas county are ladies comprising the "Tasting committee" who will act as judges of the shortcake exhibit with full power to taste liberally of the best shortcakes produced in the Umpqua Valley. Applications for this favored contest, which will be poured in by every mail, such well known characters as B. F. Nichols of Riddle, J. B. Large of Sutherlin, A. F. Stearns of Oakland, Wm. Kletzer of Yoncalla, Scott Weaver, B. L. Eddy and Chas. Leary of Roseburg and many others, too prominent to mention, have pulled every wire and used every possible influence to be named on this all favors committee. Mrs. W. E. St. John, of Sutherlin, Mrs. W. H. Fisher, of Roseburg, and Mrs. John Busenbark, of Molave, will do the official tasting for the Strawberry Carnival and wish it known that they will require no assistance.

Seventy-five dollars in prizes have been offered for the strawberry display divided into first, second and third prizes in seven different classes. The girls of the county will find class E and F most interesting with \$6, \$4 and \$2 in prizes for the most artistic and best shortcake most article and best shortcake of Roy fellows, the famous ringmaster of the A. G. Barnes circus, will auction off the prize-winning shortcakes Saturday evening. Street corner gas has it that Salzman is reported as being prepared to go the limit to capture one of these tempting exhibits. John Boyle, of Myrtle Creek, E. P. Ballou, of Edenhower, and Mrs. Anderson, of Molave, have stated they expect to enter every class and a spirited contest is expected. Prof. C. I. Lewis, of the department of horticulture of the Oregon Agricultural College, will judge the strawberry exhibits.

## GRAND JURY BUSY MAKING INVESTIGATIONS

The Grand Jury spent the day ferretting out facts in regard to a number of criminal matters developing since the last term. One case was postponed from last term on account of the illness of the principal witness and involves a resident of South Deer Creek. The case of Emil Bauer of Glendale and also of "Bill" Cook was investigated as well as that of Fred Hamblin, the circus usher who was arrested here Friday. There has been no special business in the circuit court several demurrers, and motions having been argued but no important action developing.

## EXPECTS TO BE HOME IN JULY

Delwin Jewett Now Touring Europe With Troupe of Soldier Vaudevillists.

## CONTRACT EXPIRING

Will Leave France the Middle of June and Will Make Trip Across Ocean As Entertainers Aboard Large Transport is Present Plan.

The following letter has been received from Delwin Jewett, of this city who is now with a vaudeville troupe touring Europe. He is a singer of well known ability and from reports received from those who have heard the entertainment offered by his organization he is making a decided hit wherever he appears. "This is Sunday afternoon in 'Sunny France' and the day is holding good to their slogan; but this weather changes very often and in a few minutes it might be raining hard. This is a rest day and we always take advantage of it. It isn't very often we get it, but when we do we enjoy it more. Today ends our week here in Dijon and we are a little disappointed as we have had a wonderful time while here. It is a very interesting little place and there are many places that are very beautiful. When we get into a place like this, we always hate to leave. Tomorrow we leave for Germany and play through the army of occupation and down along the Rhine. We are looking forward to this trip as it will be a decided change from the nine months in France.

Our contract is nearly up as we finish it the twenty-first of next month. Everything looks as if we will be on our way home the middle of June, putting us on good old U. S. soil about the first of July—none too early for me.

While here in Dijon we had the pleasure of putting our show on in the large municipal Theatre with another show and for the first time thought we were real actors. Each show had programs printed, and went off with a howling success in every detail, so we felt very proud of ourselves.

I sure am getting homesick for Roseburg and the sooner I get back the better I will feel. One misses so many times, as they draw him back there again. If you ever run across any of the old boys tell them I am sending my best regards to them all.

Our Lieutenant received a letter from the head of the entertainment office asking if we wanted to go back on a large boat on an entertainment troupe and we all said yes in one voice. That will make it much easier for us in every detail. Some lucky I say. DELWIN J. JEWETT."
