## ORDER FORDSON NOW!

The factory will only ship on signed orders. Why put it off and take a chance on disappointment. If you are not ready for delivery now sign up for future delivery. Henry Ford has promised us the tractors but we must have the orders. It will take about one month after the orders are in to get the tractors here.

The price is \$835.00 F. O. B. Roseburg. Why pay more--they do the work. Ask your neighbor about his machine. There are 50 Fordsons sold in Douglas County and every customer is a booster so they must be making good. If you want one this fall you must place your order NOW.
