AUGUST 2, 1901.

A complete evening paper giving the news the day it happens, and furnished to subscribers at a moderate cost, is the popular newspaper of the present day and age. People have grown tired of waiting until the news is from one to several days old.

Oregon according to the last census, has a population of 413,500 and 40 per cent of it, 165,800, live in the towns. In proportion to the country population the city population is already large enough. The towns can only increase in population as the country is developed and settled.

Their Secret is Out.

All Sadleville, Ky., was curious to learn the cause of the vast improvement in the health of Mrs. S. P. Whittaker, who had for a long time endured untold suffering from a chronic bronchial trouble. "It's all due to Dr. King's New Discovery," writes her husband. "It completely cured her and also cured our little grand-daughter of a severe attack of Whooping Cough." It positively cures Coughs, Colds, La Grippe, Bronchitis, all Throat and Lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at M. F. Rapp's drug store.

DRAIN NEWS.

Drain Watchman.
Mr. and Mrs. Nathan Young left yesterday for their home near Riverton.
C. E. Hazard was an Oakland visitor this week.
Mr. Arthur Eager, a telegraph operator of Oakland, was visiting his cousin, Mrs. Will Hutchins, yesterday.
Mrs. F. Rietman and daughter are visiting in the southern part of the county.
Mr. Bert O'Hare has been spending a few days with friends at Hotel McCallister, and left today for Eugene.
Miss Carrie Tracy, who has been in Cottage Grove for some time, has returned to her home in Drain.
The Elkton correspondent, in last week's Review, should have said Mrs. Ritchey, instead of Mrs. Hedrick, was visiting her sister, Mrs. F. F. Wells.
A very pleasant family reunion and picnic took place yesterday in the grove, in South Drain, in honor of "Grandpa" Harlan and his nephew, S. M. Harlan, the home of the latter being in Union City, Ind. The event was in one sense a birthday gathering for Grandpa Harlan, whose eighty-fourth birthday is on the fifth of August.
Monday evening Albert Collins accidentally shot his right hand. He was crawling through a fence, pulling the gun through, when it was discharged, making a painful wound in the fleshy part, on the little finger side of his right hand. He was brought to town where Dr. Wade trimmed and dressed the wound, and he is getting along nicely.

THE HOME GOLD CURE.

An Ingenious Treatment by Which Drunkards are Being Cured Daily in Spite of Themselves.
No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure For the Liquor Habit.
It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful

"HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!!
This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. D, 597, EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

Material for Governor.

McMinnville Telephone Register: The Junction City Times proposes the name of State Senator Booth for republican candidate for governor next year. The senator is very popular in his section of the state. If the race for the governorship should be made by Senator Booth and Senator Inman, both parties would have able, clean men as candidates.

To Save Her Child.

From frightful disfigurement Mrs. Nannis Gallager, of La Grange, Ga., applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in Sores, Bruises, Skin Eruptions, Cuts, Burns, Scalds and Piles. 25c. Cure guaranteed by M. F. Rapp, druggist.

Discussing Sugar Tariffs.

New York, July 31.—General Carlos Garcia, eldest son of the late General Calixto Garcia and Inspector General of Cuban Penal Institutions who arrived on the steamer Morro Castle, interviewed upon the Cuban situation said: "It is necessary that Cuba have a reduction in tariff on sugar and tobacco. Between 800,000 and 900,000 tons of sugar were raised this year and the next crop will be larger than any Cuba has

ever gathered. We cannot do business however without a reduction on sugar."

New York, July 31.—Henry B. Oxnard, president of the American Beet Sugar Company and president also of the American Beet Sugar Association, who has just returned to New York from a tour of his company's holdings in the Arkansas valley and Nebraska, in an interview has given an interesting account of the beet sugar situation in this country.
"We have under way 25 factories for the production of beet sugar and expect to build at least 10 more this year. My company recently bought 80,000 acres of land in Arkansas Valley and expects to erect a factory there.
"An attempt will be made at the next session of congress to have the duty on crude sugar lowered and perhaps abolished. Should it succeed it would be discouraging to the beet sugar industry, which is in its tender infancy. All this is of the greatest interest and importance to Colorado, which is the finest country in the world for the culture of sugar beets."

Astounded the Editor.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50c at M. F. Rapp's.

Pullman Ordinary Sleepers.

The tourist travel between the East and the Pacific Coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Company has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passengers. Each car has a stove for making tea and coffee and doing "light housekeeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths, keep the car clean, and look after the wants and comforts of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers." These cars attached to the "Chicago-Portland Special" goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger.
Much of the first class travel is being carried in these cars, the rates being lower, and the service nearly equal to that in the palace sleepers.
For rates and full information, including folders, write to A. L. Craig, General Passenger Agent, O. R. & N. Co., Portland, Oregon.

Gap Closed.

The Coast Line Limited leaving each terminal in the morning, equipped with elegant cafe and parlor cars, will make daylight trips through the most picturesque, varied and entertaining scenes on the continent.
