Drain News.

Ed Grubbe, of Long Prairie, is here visiting his sister, Mrs. J. R. Sawyers. Mrs. Earnest Rhodes, of Saginaw, came up Tuesday evening for a visit with her parents, Mr. and Mrs. J. J. Hedden, and other relatives.

Terry's Uncle Tom's Cabin Co. gave the popular entertainment which the name signifies, to a fair sized audience in the opera house here Monday night.

The Zamzamlan Literary Society will give an entertainment of a dramatic character at the school chapel on Friday evening of this week.

The Meneley Quartette of singers gave one of their gospel temperance song services at the M. E. church last Sunday evening to a full house. They will return from Coos county and be here again on Tuesday evening next, at which time they will give their usual entertainment along temperance and prohibition lines.

Mr. J. C. Northey, who is a recent arrival from the east, has leased the Trine place in north Drain, from W. W. Kent.

A man named Ed. Hanson, employed at Campbell & Alexander's piling camp on Sandy Creek four miles north of here, was struck by one of the timbers in some way this morning (Wednesday) and one of his legs was broken between the ankle and knee. Dr. Wade was called to attend the injured member.

F. F. Wells, of Elkton, was up from there this week to take down with him a thorough bred shorthorn calf which he bought in the Willamette valley. Mr. Wells is one of those progressive farmers who believe in improving the breed of his stock.

Mrs. Sarah Davis, of Tinopol valley, returned from Oakland Tuesday where she had been to visit her son Ed., who went there a couple of weeks ago for surgical treatment. The cause of the boy's trouble was a horse stepping on his foot over two months ago and it has resulted in his having to have the bones of the middle toe and those connecting entirely back to the instep removed. He was recovering nicely when his mother left him.

A. P. Applegate, the Yoncalla real estate dealer, was here Tuesday.

Surface indications of a political contest would scarcely suggest to the casual observer the near approach of a general election, but one more familiar with local conditions might discern a small but important sign below the surface in this neighborhood.

Schley's Santiago

BY GEORGE EDWARD GRAHAM.

The illustrious Admiral Schley was correspondent, who saw the U. S. fleet destroy the Spanish fleet in the month of the month. Illustrated with photographs taken by the author during the fight.

The Most Sensational Book of the Day.

The true story of the famous battle of the Flying Squadron under Commodore Winfield Scott Schley, including the blockade and destruction of the Spanish fleet, told for the first time.

Contains an authentic endorsement and personal account of the battle by Rear-Admiral Schley.

"The facts of the story of the movements and operations of the Flying Squadron as the author tells them in this book are correct."

—W. S. SCHLEY.

An interesting narrative of facts. Explains the so-called "Retrospective Movement," the "Loop," the "Quelling Problem," and settles conclusively every adverse ruling of the Court of Inquiry.

PRESIDENT ROOSEVELT, when Governor of New York, said: "Mr. Graham's story is the best account I have heard or read of the naval actions during the war. It needed just as much courage to go about taking photographs as it did to work the guns."

THE NEW YORK HERALD says: "Mr. Graham, in the telling of facts, leaves the reader free to make the deduction that several naval officers need a Court of Inquiry to re-establish their reputations, if they can be re-established."

No subject has ever been before the public that has interested everybody as the manner in which Admiral Schley has been treated, and the American people demand the full recognition of the hero of Santiago. This book tells every thing just as it occurred and as the eyewitnesses saw it. Book is selling five cent.

Liberal commissions. Outfit and books now ready. Send seven cent stamps for mailing outfit. ACT QUICK. Now is the time to MAKE MONEY.

Price \$1.50, \$1.75, \$2.25, \$2.75, according to style of binding desired.
