Prof. McEwen, the sleight-of-hand performer and hypnotist, made his initial appearance of the week at the Roseburg theatre last night to "standing room only." The entertainment was a first-class one of its character. Prof. McEwen giving genuine proof of his ability, especially as a hypnotist, although this part of his performance was cut unusually short owing to the loss of time in getting "subjects" from the audience. Unlike other hypnotists who have appeared here, Prof. McEwen selects no "boys for 'subjects,'" but persons of matured intelligence. No doubt he will continue to be greeted with crowded houses during his stay here. He is worth seeing.

Many a Roseburg Citizen Knows how Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Roseburg. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement.

S. H. Munson, living in Edenbowee district says: "I was greatly troubled with kidney complaint for four years, my back ached a greater part of the time and I did anything that caused the least strain to come upon it or took cold it became terribly painful. When I learned about Doan's Kidney Pills curing all forms of kidney disease I decided to test them and procured a box at A. C. Marsters & Co's drug store. I was soon convinced of their merits and was cured by using them but a short time. Every dose I took proved effective."
