Railroad Notes.

Springfield News: It is reported from sources which are reliable as the majority of railroad news—before it is actually given out by the authorities themselves—that the construction crew of the Southern Pacific Co., which is now somewhere in California, will arrive here early next month and commence the construction of the Springfield-Henderson connecting link.

Eugene Guard: J. S. Talbott, of Dallas, a civil engineer, is engaged in making a preliminary survey for the proposed railroad from Brownsville to the Calapooia Lumber Company's sawmill near Crawfordville. Mr. Talbott is employed by the lumber company to do this work. This means that a railroad will be constructed up the Calapooia Valley at no distant date, reaching as far as Crawfordville, and eventually into the great timber belt of the upper Calapooia River Valley and Blue River Mines.

Jessie Shirley is not only one of the best actresses, but is also reputed to be one of the best gowned women on the stage. The several costumes she wears in "A Modern Magdalen" are dreams of the Modiste's Art. The following regarding "A Modern Magdalen," in which Miss Shirley opens her engagement here for three nights, on next Monday evening is from the "Deseret Evening News" of Salt Lake—The success of "A Modern Magdalen" is as a play assured, but it is questionable if in other hands than Miss Shirley's the measure of success would be so pronounced, for clever actress that she is—she is also clever enough in a business way to surround herself with an excellent company—and while in costumes Miss Shirley makes no advertising of them, yet she could without hostile criticism call attention to the elegance of her various gowns, nothing more magnificent being seen on the local stage. To Mr. Harry W. Smith, her manager, all praise is due, in not only securing the play, but brings direct from New York the entire scenery and furniture of the original production—Deseret Evening News. The Blue Grass of old Kentucky will be given Tuesday and on Wednesday The Deacon's Daughter.

Work has been stopped on Ed. Weaver's 65-acre hop yard. Half of this land was put out a year ago, and is expected to yield this year.

A Natural Result.

It is a very reasonable thing to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take a medicine into the system that will remove the cause of sickness and the illness leaves of itself. Dyspepsia, indigestion, sick-headache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for this that all druggists sell for 25 cents per box. It is called Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause of it. We will send a small box free by mail, or a large box on receipt of 25c. Address The Dr. Bosanko, Medicine Company, Philadelphia, Pa. For sale at A. C. Marsters, druggist, Roseburg, Ore.

A Case for Eczeema.

My baby had Eczeema so bad that its head was a solid mass of scabs, and its hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczeema is cured, the scabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeiters. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co. is on every box. Sold by Fullerton & Richardson, Roseburg; O. J. Hull, Oakland.
