NO LAND BILL

Will Get Through Congress at This Session.

BY MUTUAL UNDERSTANDING

Each Branch Will Kill the Measures Originating in the Other—None to Pass.

WASHINGTON, March 19.—Convinced that Congress will not, at the present session, amend the public land laws in a way to shut off fraudulent operations, as recommended by the Public Lands Commission, the Interior Department has determined to take advantage of

in his brain. The doctor succeeded in removing one. His case attracted much interest among surgeons, who fully expected his death. ANOTHER LIVERY DEAL.

Kelly, Banks and Barnard Now Own Two Stables and Stage Line.

Chas. P. Barnard has severed his business connections in Eugene and will be once more engaged in the livery business in Roseburg, beginning on the first day of April, when the deal which he made here last Saturday goes into effect. Previous to his return to Roseburg, Mr. Barnard was engaged in conducting a livery stable at Eugene in partnership with Eli Bangs. These gentlemen also jointly owned the Roseburg-Marshfield stage line. Last week Mr. Barnard exchanged his one-half interest in the livery for Mr. Bang's one-half interest in the stage line, thus dissolving partnerships.

Coming to Roseburg, Mr. Barnard then consummated a deal with Messrs S. M. Kelly and John Banks, proprietors of the Empire Livery and Feed Stable, at the corner of Oak and Rose streets, whereby each of these gentlemen acquired a one-third interest in the stage line and Mr. Barnard a one-third interest in the livery. The trio then purchased the livery business of Farber and Davis, at the corner of Washington and Rose streets, each taking an equal interest.

Mr. Barnard will attend principally to the stage line and use the stables acquired from Farber & Davis for his headquarters and for housing the stage horses and vehicles.

The firm will do business under the name of Kelly, Banks & Co. The entrance of Mr. Barnard adds to its business strength and insures a continuance of the patronage originally built up by Mr. Barnard and successfully maintained afterwards by Messrs Kelly and Banks.

Mr. Barnard went back to Eugene Sunday to arrange for removing his family back to Roseburg to reside.

To Make a Bride

Many a woman would make a beautiful bride but she is deterred from entering the married state because of ill-health.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

The proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Profluvium, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"If women would study the laws of health and use a little more common sense there would not be such a large number to-day suffering with the ill results of over sex," writes Mrs. Belle Martin (President Mutual Social Science Club, of 160 South Halstead street, Chicago, Ill.) "I think when medicine is needed if they would take the Favorite Prescription, they would have a chance to get well. I used Dr. Pierce's Favorite Prescription three years ago and it cured me of female weakness of several years' standing, so I know what I am talking about when I praise it and always know what the result will be where it is used."

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.

THE IMPERIAL FAMILY OF JAPAN.

In the illustration the mikado and the empress of Japan are shown sitting at the table. The two persons standing back of them are the crown prince Yoshihito, son of one of the women of the imperial harem, and his wife. The Empress Haruko is childless, and the four little girls standing are daughters of another of the concubines of the mikado.

the present laws, and to construe them in such way as to minimize fraud. Early in the session hope was entertained that the timber and stone act would be modified or repealed, and the lien law robbed of its vicious features, but there now appears to be no chance of securing remedial legislation of this character. In fact, it turns out that the Quarles bill repealing the timber act and authorizing the sale of public timber to the highest bidder was only passed through the Senate after a deal had been made with influential members of the House committee on public lands to smother the measure when it reached them.

The same fate awaits the Mondell bill, modifying the lien law, if it passes the House and reaches the Senate committee.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children.
