Norris and Rowe, whose new big Shows will exhibit here Monday, May 16, have originated a pretty new nov-elty for their many hundreds of juve-nile admirers. The children are dressed in picturesque summer costume and the intelligent little ponies are gaily caparisoned. In and out of the mazes of the dance go the joyous children and demure ponies and all enter heartily into the festive spirit of the affair. The whole effect is so gracefully pleasing as to win for it enthusiastic plaudits of the adults as well as the youngsters.
