

WILL MOVE TO ROSEBURG

Joseph Lyons Disposes of Business Interests at Drain.

Drain Nonpareil, May 5: Joseph Lyons has sold his banking business at this place to J. A. Black, and the drug store conducted in connection he has disposed of to E. R. Applegate. Mr. Lyons expects to move to Roseburg in the near future and accept an important position with the Douglas County Bank, he being at the present time a director in that institution.

Another important business change is the sale of the C. E. Hasard stock of general merchandise to W. A. Perkins. If elected to the office of county clerk, Mr. Hasard, will, of course, move to Roseburg.

(Mr. Lyons will relieve Mr. Norman F. Throne, the present cashier of the Douglas County Bank, the change taking effect in a few days. Mr. Throne's health is poor, necessitating a change in the outer air. He will leave shortly with his family for Glendale, and if he derives no healthful benefit after a stay there will go to Arizona.)

LOOKING FOR HOMES

Number of Travellers Just Arrived From the East.

Attired in beautifully polished coats of Mahogany, giving them a very impressive appearance, a number of emigrants have just arrived in this city from the east looking for homes. These emigrants are world renowned. One is a Lester, two are Hobart M. Cable, three are Dells, one a Bailey and two others Kimballs. For reliable service and ornamental elegance these new arrivals surpass anything of their kind ever seen in Roseburg and possibly in southern Oregon. They came direct from the most famous piano factories in the world. Their mission here is to gladden the hearts of musicians who appreciate instruments which embody every feature necessary to the attainment of perfection and satisfy parents who would give their children an opportunity to become musicians and at the same time give the house parlor a completely furnished appearance.

Consider the ease with which you can become the possessor of one of these elegant pianos: A small sum down upon delivery and the balance in monthly installments—you make the installment rate.

Think it over, but don't wait too long before purchasing. The earlier you buy the more instruments from which to select.

SCROFULA A DISEASE WE INHERIT.

Scrofula manifests itself in many ways. Swelling of the glands of the neck and throat, Catarrh, weak eyes, white swelling, offensive sores and abscesses, skin eruptions, loss of strength and weakness in muscles and joints. It is a miserable disease and traceable in almost every instance to some family blood taint.

Scrofula is bred in the bone, is transmitted from parent to child, the seeds are planted in infancy and unless the blood is purged and purified and every atom of the taint removed Scrofula is sure to develop at some period in your life.

No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds up the blood, makes it rich and pure, and under the tonic effects of this great Blood Remedy, the general health improves, the digestive organs are strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions, and other symptoms of Scrofula disappear.

S. S. S. is guaranteed purely vegetable and harmless; an ideal blood purifier and tonic that removes all blood taint and builds up weak constitutions. Our physicians will advise without charge, all who write us about their case. Book mailed free.

County Court Cases.

The docket for the coming term of circuit court has been enlarged by the three following cases, just filed:

S. M. Kelly and John Banks vs. A. E. Kent; action to recover \$1000 damages for alleged violation of contract. The plaintiffs are members of the well known livery firm of Kelly, Banks & Co., of this city. In their complaint they allege that when they purchased their present business from Mr. Kent, he agreed not to again conduct a livery business in Roseburg while the plaintiffs were so engaged; that in violation of this agreement he is actively engaged in conducting a livery business in Roseburg at the present time. The plaintiffs further allege that it was stipulated in the agreement that if the defendant broke his pledge he would pay \$1,000 as liquidating damages, which is the amount in which they accordingly ask judgment. (The business in question is now in charge of C. J. Denning.)

Mrs. Emma Lough vs. Fred V. Lough, her husband; action to recover \$545, which the plaintiff claims belongs to her, and which was given to her husband by a third party for delivery to her in September 1903, from which time she also asks interest on the amount sued for. She has caused an attachment to be levied against the following real property of the defendant: Interest in lots 1 and 2 of block 9, Roseburg.

J. M. Berline vs. L. L. Perdue; suit to enforce performance of contract. The plaintiff alleges that he entered into an agreement with the defendant whereby the latter was to deliver a deed to the former on the defendant's homestead in section 34, tp 30 s. r. 4 west, in consideration of \$140, payable in lumber; that prior to the agreement he erected a sawmill on the homestead and incurred other expenses to the amount of \$1000; that Mr. Perdue after getting from him \$72.01 worth of lumber decided to repudiate his contract. The plaintiff says he has offered the defendant the amount due him in cash, together with interest and taxes on the property, but the defendant refuses to accept, wherefore he asks the court to close the contract.

Grant Taylor was over from Oakland Thursday evening.

H. B. Hastings was over from beyond Winchester on business today.
