Hon. R. M. Veatch Will Spend Two Days in Douglas County.

Hon. R. M. Veatch, the democratic nominee for Congressman, will address the citizens of Douglas County as follows:

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled.

Kelleher City News.

Mr. W. H. Sykes left Thursday for Roseburg on business.

The Misses Olsen were visitors at Kelleher City Monday.

Gifford Hamilton will leave for his home at Glendale Monday.

Mr. Charles Richey returned Sunday from a visit with his family at Myrtle Creek.

Mr. and Mrs. Wm. J. Kelleher left for Roseburg Thursday morning, where they will spend a week visiting friends.

Now look out for the postoffice at Kelleher City. Mr. W. H. Sykes has been appointed postmaster and executed his official bond.

Miss Eva Thornton had a narrow escape from serious bodily injury last Sunday. She started for a ride on a strange horse, the animal took fright,

caught the bit in its teeth and ran away with its rider. Miss Thornton finding she could not control the horse, jumped from the saddle.

Messrs. R. W. Fenn and J. G. Townsend, of Roseburg, are here running a grade level between this place and Drain for the flume, upon which work has already been commenced.

The long-looked-for belting and pulleys needed to put the finishing touches to the mill have arrived, and soon the mill-wrights, like Othello once upon a time, will be without an occupation.

The boarding house narrowly escaped going up in smoke Tuesday evening. Mr. and Mrs. Kelleher were away from home visiting.

The contracting parties are both well known in Drain, Mr. Hefty having been raised here and Miss Crawford for some time held the position of teacher of music in the Drain State Normal school.

God's Art Gallery of the Rockies. Edyth Tozier Weathered says in a recent number of "The Exposition":

"My first trip has recently been made over the world renowned Denver & Rio Grande Railroad. Any attempt at a pen picture would be a sacrilege.

To appreciate it is to see it and be held spellbound while you gaze on the grand, glorious, beautiful and sublime. 'God's Art Gallery of the Rockies' is unsurpassed and fills one's soul with more love for the Creator, and you are also impressed with the wonderful achievements of man who made it possible for the traveller to enjoy the picturesques of America."

If you contemplate a trip east, write W. C. McBride, 124 Third street, Portland, Ore., for booklets picturing Colorado's famous scenery, and whatever information you may desire.

WOMAN'S DUTIES.

A woman who keeps her house in order and has the care of a family, has just as much responsibility as the man who provides the means to carry on the housekeeping.

She is deserving of the more credit since the demands on her strength is greater. The everlasting sameness about her duties, and the confinement necessary to carry them out is very trying to the nervous system, this produces a strain on the mind that makes her irritable, cross, and dissatisfied, which is just as much a disease as rheumatism or catarrh.

If the nerves can be built up and made strong by medicine of some kind, this feeling is changed to one of cheerfulness and pleasure in her duties. The medicine that makes strong steady nerves, and prevents disease by building up the entire system, is Dr. Gunn's Blood and Nerve Tonic a tablet to take at meal time.

Cures nervous prostration by making rich red blood, feeding the nerves, and making solid flesh at the rate of 1 to 3 pounds per week. This medicine is sold by druggists for 75 cts. per box, or 3 boxes for \$2.00, or sent by mail, postpaid, on receipt of price.

Write us about your case. Address, Dr. Bosanko Co., Philadelphia, Pa. For sale by A. C. Marsters, druggist.

The World's Fair Route.

Those anticipating an Eastern trip, or a visit to the Louisiana Purchase Exposition at St. Louis, cannot afford to overlook the advantages offered by the MISSOURI PACIFIC RAILWAY,

which, on account of its various routes and gateways, has been appropriately named "The World's Fair Route."

Passengers from the Northwest take the MISSOURI PACIFIC trains from Denver or Pueblo, with the choice of either going direct through Kansas City, or via Wichita, Fort Scott and Pleasant Hill.

Two trains daily from Denver and Pueblo to St. Louis without change, carrying all classes of modern equip-

ment, including electric lighted observation parlor cafe dining cars. Ten daily trains between Kansas City and St. Louis.

Write or call on W. C. McBride, General Agent, 124 Third street, Portland, for detailed information and illustrated literature.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
