FOR CIRCUIT JUDGE—J. W. Hamilton, of Roseburg.

FOR SENATOR—O. P. Coshaw, of Roseburg.

FOR REPRESENTATIVE—Willis Kramer, of Myrtle Creek; F. P. Wells, of Elkton.

FOR SHERIFF—Thos. E. Bledsoe, of Drain.

FOR CLERK—Zopher N. Agee, of Oakland.

FOR TREASURER—J. T. Bryan, of Roseburg.

FOR SCHOOL SUPERINTENDENT—Prof. Thurman Chaney, of Myrtle Creek.

FOR SHERIFF—J. A. Shook, of Oakland.

FOR COMMISSIONER—Dr. C. E. Bogue, of Myrtle Creek.

W. O. Bridges will ably represent the people of Douglas and Jackson counties in the next legislature session. He is unalterably opposed to all grafts and public extravagance.

All the people of Douglas County, irrespective of politics, who believe in honoring ability and putting in office a sterling good man, will vote for John L. Casebeer, our next County Assessor.

The ability of Hon. Willis Kramer for representative is generally recognized and merits a good endorsement for re-election. He is too well known throughout the county to need any introduction or commendation.

"The embodiment of integrity" expresses the general opinion of J. T. Bryan, the democratic nominee for county treasurer. His qualifications and ability are also unquestioned. He will not be overlooked on election day.

Hon. O. P. Coshaw addressed the citizens of South Deer Creek and vicinity last night and was very cordially received. His honesty, sincerity and ability are generally recognized. He stands firmly on the side of the people and against all grafts. He will ably represent this county in the next session of the legislature.

Zopher Agee, the democratic nominee for county clerk, was in town this afternoon. With the increase of his acquaintance throughout the county, his vote in the coming election is being steadily enhanced. This is because the people recognize him as a man eminently qualified for the position—capable, honest and energetic.

Thos. E. Bledsoe, the democratic nominee for sheriff, spent several days here this week extending his acquaintance among the people whom he is to serve in that capacity. As his acquaintance broadens, the assurance of his election becomes more pronounced. He is a successful man of affairs who has had large dealings with his fellow-men, and those who know him best are his strongest supporters. No man can have a better recommendation than this.

That matter of enormous taxation is of great importance to the people of Douglas county, and a burden they are anxious to throw off. This can only be

done by electing a new set of public officials who are entirely free from the element which has brought about these conditions. The addition of over \$60,000 to the annual tax burden is a matter that demands prompt and decisive action. It is for the voters to determine whether it shall be continued.

SUFFERED 15 YEARS WITH DYSPEPSIA.

I have been a sufferer for the last 15 years with dyspepsia and have tried every remedy available and also many doctors, but found no relief until I purchased a 25-cent package of Acker's Dyspepsia Tablets, which helped me immediately and two boxes entirely cured. Hoping I may benefit some other sufferer, I am glad to publish this. Thomas J. Smallwood, 145 South Meacham St., Springfield, Ohio. Obituary.

Mr. Ashbury Harmon was born in Jefferson County, Iowa, in 1859. He came to Oregon in 1871 and settled in Jackson county, and from there removed to Douglas county in 1889 and stopped in Cow Creek Valley where he lived until his death, which occurred April 23, 1904.

Mr. Harmon was married to Miss Emma O. Davis and leaves a widow and five children (two boys and three girls). He joined Riddle Camp No. 215, W. O. W., at Riddle in 1902 and carried a policy for \$1000. He was laid to rest in the beautiful cemetery overlooking Riddle on Sunday, April 24, 1904. The funeral services from the residence to the grave were carried out in a very impressive manner by Riddle Camp, W. O. W. Visiting members from Myrtle Creek and Portland assisted in the services. The Woodmen of the World will erect a beautiful monument over the grave in the near future.

In the death of Neighbor Harmon the community loses a useful citizen, the camp a faithful member and the sorrowing family a loving husband and father. Farewell, Neighbor Harmon, may you rest in peace until the resurrection morn.

Worst of all Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. For Betterment of Schools.

Being engaged in school work, thus making it impossible for him to see the voters personally, Prof. Thurman Chaney, the democratic nominee for county school superintendent, makes the following announcement of his views in relation to this non-political office.

The qualifications for county school superintendent should be based upon talent for educational supervision rather than political views.

The chief aims of the public school are:

1. To build a good moral character.
2. To train the children to be loyal citizens.
3. To train the mental faculties on thorough, practical lines, that will fit girls and boys for women and men of affairs.

The school system of Oregon has reached a stage requiring only careful supervision to give our boys and girls proper educational training.

To make our schools what they should be, the following principles must be carried out:

Country schools must have more attention and made equal as far as possible with city schools.

The superintendent must visit each school every year, investigate its workings and right its evils if any exist.

The school work must be rigidly enforced without favor to any but with justice to all.

Equities addressed to the county superintendent upon school matters must be attended to promptly.

Teachers' institutes must be of such a nature as to enable the teachers in attendance to broaden their teaching ability.

The superintendent must do every duty pertaining to the good of the schools without fear of public opinion.

I will endeavor, if elected, to carry out the above principles and all others that may arise along the line of educational progress.

Being a teacher of eleven years' continuous experience in Douglas county schools, I believe I understand the needs of our schools thoroughly.

Thanking you in advance for any support you may give me, I am,
Yours for good schools,
THURMAN CHANEY.

Starting Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by A. C. Marsters & Co., of Roseburg, Oregon. Trial bottles free, regular sizes 50c. and \$1.00.

God's Art Gallery of the Rockies.

Edyth Tozier Weathered says in a recent number of "The Exposition":

"My first trip has recently been made over the world renowned Denver & Rio Grande Railroad. Any attempt at a pen picture would be a sacrilege. To appreciate it is to see it and be held spellbound while you gaze on the grand, glorious, beautiful and sublime. 'God's Art Gallery of the Rockies' is unsurpassed and fills one's soul with more love for the Creator, and you are also impressed with the wonderful achievements of man who made it possible for the traveler to enjoy the picturesque of America."

Ever Have It?

If you have, the Statement of This Roseburg Man Will Interest You.

Ever have a "low-down" pain in the back?

In the "small" right over the hips? That's the home of backache.

It's caused by sick kidneys.

That's why Doan's Kidney Pills cure it.

Roseburg people endorse this. Read a case of it: John Batey, janitor at the public school, residing on Flint street, says: "I have been troubled with my kidneys off and on for years. I had severe pains in my back and sides; sometimes a dull aching and at other times sharp pains. After remaining in a stooped position for a short time, it was hard for me to straighten. During the last attack I had Doan's Kidney Pills were recommended to me and I got a box at A. C. Marsters & Co's. drug store and after taking them a couple of weeks the pains all disappeared. I am now perfectly well and hearty. No signs of the old trouble and I give Doan's Kidney Pills all the credit."

What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptoms of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that has had the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure that the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick headache, dyspepsia, and indigestion. It begins right at the source of the trouble and removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25c. Sold by all druggists for 25c. per box, or address Dr. Gunn, Philadelphia, Pa. For sale A. C. Marsters, Roseburg.
