The moving Picture Illustrated Con-
cert given at the M. E. church last
evening again demonstrated its enter-
taining powers to a large audience; in
fact, the church did not begin to ac-
commodate the crowd that came, and
many were turned away. Of the various
views displayed were many charming
sylvan spots along the Columbia river,
the golden glow of summer sunsets
upon broad expanse of Pacific waters,
together with peaceful pastoral scenes
with the evening sky lighted up with
the soft, indescribable tints of the set-
ting sun painted upon fleecy clouds.
