

W. C. T. U. Convention.

Douglas County's Woman's Christian Temperance Union will hold their annual county convention in Roseburg on June 22, 23 and 24. A good program will be prepared. Each session will be interesting and instructive, and those interested in reform work should plan to attend.

A party of white ribboners visited the village of Looking Glass Saturday afternoon and organized a Woman's Christian Temperance Union with nine members, who are anxious to work in this good cause. We are sure these bright women will accomplish much good. The officers are: President, Mrs. Wm. Simmons; vice president, Mrs. Wm. Voorheis; Cor. Secy., Mrs. Geo. Marsh; Rec. Secy., Miss Alice Bortick; treasurer, Mrs. M. E. Dennis. DELEGATE.

Mothers lose their dread for "that terrible second summer" when they

have Dr. Fowler's Extract of Wild Strawberry in the house. Nature's specific for bowel complaints of every sort.

No Savings Bank

Offers an opportunity for safe investment and large returns, as an investment in lots in Waite's Addition. This addition comprises the southern part of the Rose place. These lots are offered on easy terms, \$5 down and monthly payments of five dollars a month. Property in this addition has steadily advanced in price since it was placed on the market, and now, since the new high school is being built there, this property is very desirable. THE CITY OF TESTS.

K. O. T. M.'s Carnival Will Open Tonight.

The famous Dixie Carnival Company, which opens this evening, a week's engagement under the auspices of the Maccabees, arrived yesterday afternoon on a special train loaded down with everything under the sun to amuse the people of Roseburg. From all appearance the Street Fair and Carnival will be a grand success and one of the largest celebrations of the year.

The different committees have been working hard for a number of weeks and will do everything in their power to entertain and give the people the worth of their money. Every citizen in our city should turn out and help the Maccabees in their effort for success.

The Dixie Carnival Company has the reputation of being one of the best Carnival Companies traveling and comes well recommended by both press and public. Every city this company has exhibited in, the city officials have only words of praise for them.

Its attractions are all strictly moral and all persons connected with the aggregation are ladies and gentlemen in every respect.

All day long it has been a busy scene on the streets where the Carnival is to appear, men by the score pitching up tents, driving stakes, then with the hammer or saw getting things into shape for the Carnival. The streets near the depot where the Carnival is to exhibit, is one big city of tents.

The Carnival will open this evening at seven o'clock, with a big free band concert.

There are nine big shows on the midway, every one strictly moral, clean and up to the minute.

"The Electric Theater," has four distinct shows under its tents for one price of admission. "The Statue Turning to Life," "Aima, queen of all fire dancers," "Zendalla, in picture and flower dances," and a special production of the eruption of Mt. Pelee.

"Samson," the largest snake on exhibition, is 27 feet in length, weighs over 300 pounds and is forty-nine years of age.

"Luna," the Artist's model, is direct from Paris, appears in a series of poses plastique. Projectoscope pictures of the "Life of the American Firemen," "A Gambler's Crime" and "The Electrocuting of Caligula."

"Dixieville," where is seen ten colored artists from the "Sunny South," featuring Joe Dokes, the man that made the mule laugh.

"The Ornamental Glass blowers," make everything you can think of out of the brittle stuff. Every article made by the glass blowers is given to visitors.

The Swiss Village is a marvel of mechanical ingenuity. The maker spent over two years in building the contrivances, which shows over 800 people engaged in all kinds of occupations.

The Laughing Gallery is the place to drive away the blues. "Easau," the snake eater, eats them alive. "You have got to hurry."

"No Name," and alive, the Malay wonder, a sight of a life time.

"Get off the earth," take a ride on the Ferris wheel.

Numerous free attractions will take place daily.

Ladies and children can attend the Carnival without escorts, in perfect safety, without fear of being insulted. MANAGER.

CENTURIES OLD

The disease which has brought more suffering, degradation and disgrace upon the human race is the same today that it was centuries ago. It is called Contagious Blood Poison, "The Bad Disease," and is given other names, but among all nations is regarded as the blackest and vilest of all human diseases. It goes from bad to worse; the little sores that first appear are soon followed by others; the glands of the groins swell and inflame, a red eruption breaks out on the body, the mouth and throat become ulcerated, the hair and eye-brows drop out, and ugly yellow blotches make their appearance, and if the disease is not checked at this stage, every bone, muscle, tissue and nerve in the body becomes infected with the poison, and from the roots of the hair to the soles of the feet there is not a sound spot anywhere. To cure this awful contagion the blood must first be purified, and nothing will do this so quickly and surely as S. S. S., which has been known for years as an antidote for the poisonous virus of Contagious Blood Poison. Mercury and potash may check it for a time, but it comes back in a still more aggravated form. S. S. S. is guaranteed purely vegetable, and \$1.00 is offered for proof that it contains a mineral ingredient. Write for our home-treatment book, and learn all about Contagious Blood Poison and how to treat it. No charge for medical advice.

I was afflicted with blood poison, and the best doctors did me no good, though I took their treatment faithfully. In fact, I seemed to grow worse all the while. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S., and began to improve. I continued the medicine, and it cured me completely, building up my health and increasing my appetite. Although this was ten years ago, I have never had a sign of the disease to return. A Splendid Endorsement. Complete election returns from all the counties in this judicial district show that Judge Hamilton carried every county, his majorities being as follows: Douglas, 824; Coos, 410; Curry, 200; Lane, 85; Benton, 51; Lincoln, 66; total, 1636. This is certainly a splendid endorsement of Judge Hamilton's six years' service on the bench, and is the more notable when it is known that the average vote in these six counties was about 2400 republican.
