JULY 6, 1904.

It is now evident that the St. Louis exposition will be a financial failure. Although it is unquestionably the greatest of world's fairs. These gigantic expositions, as a rule, do not pay and no American city has ever wanted a second one.

The Russian-Jap horror goes on expanding every hour. Five Japanese transports were sunk recently by a Russian gunboat and 1000 men drowned. A single shell killed 200 men on the Hitaichi and it is estimated that 100 more committed suicide. And we look calmly on. Are human beings much more civilized than tigers?—Ex.

There has come a lull in the organization of gigantic industrial schemes by the consolidation of independent plants. The fact that the public no longer buys the stock of these concerns as fast as organized is responsible for the present dullness. Many of the trusts are on the rocky road to bankruptcy, while a few have weathered the storm and are recognized as permanent factors in the commercial world.—Ex.

Hedden Bluff News.

The weather is sunny, but the sea breezes keep it from being too warm.

Farmers are busy making hay.

Mac Smith, of Camp Creek, was here Sunday. He has been appointed fire warden of Camp Creek and other places in our vicinity.

Our school, under the management of R. C. Agnew, closed Friday. Nearly everyone says this is the most successful term taught for many years. Mr. Agnew is a good teacher and a studious young man who will succeed in most of the undertakes to do.

Will Ranch, of Duckegg, left for Oakland Sunday where he will visit relatives and spend the 4th.

Misses Pearl and Minnie Johnson, of Elkton, were visiting Maud Rhodes June 26.
ILL NATCHED BRIAR.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick, of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by A. C. Marsters & Co., Druggists, Roseburg, Oregon.

Mrs. Josephson Entertains.

Mrs. M. Josephson entertained a number of her friends at luncheon Tuesday afternoon. The dining room and table were very effectively decorated in crimson roses and delicate ferns. The reception room was fragrant in masses of carnations and roses entwined with graceful vines. A delicious menu was served and thoroughly enjoyed by all present. The souvenirs were water color sketches in Japanese designs. The luncheon was served by the Misses Willis, Hamilton, Coshaw and Maud East.

The invited guests were, Mrs. Binger Hermann, Mrs. T. B. Sheridan, Mrs. W. R. Willis, Mrs. J. C. Fullerton, Mrs. N. Curry, Mrs. S. C. Flint, Mrs. J. C. Allen, Mrs. A. C. Marsters, Mrs. J. Wolfenberg, Mrs. A. Wolfenberg, Mrs. H. Hertz, Mrs. J. T. Bridges, Mrs. J. W. Hamilton, Mrs. E. B. Walte, Mrs. P. W. Haynes, Mrs. K. L. Miller, Mrs. Chas. Curry, Mrs. W. S. Hamilton, Mrs. Geo. E. Houck, Mrs. F. W. Benson, Mrs. Geo. Kohlhaugen, Mrs. W. T. Wright, Mrs. Prescott Gately, Mrs. J. F. Barker, Mrs. Alice VanBuren and Mrs. B. Schwartz.

No Pity Shown.

"For years fate was after me continuously," writes E. A. Gullidge, Verbena, Ala. "I had a terrible case of piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for burns and aches and pains. Only 25c at A. C. Marsters & Co's drug store, Roseburg, Oregon.

DR. LYON'S French Periodical Drops

MALARIA

IMPURE AIR Malaria is not confined exclusively to the swamps in bad air this insidious foe to health is found. Poisonous vapors and gases from sewers, and the musty air of damp cellars are laden with the germs of this miserable disease, which are breathed into the lungs and taken up by the blood, and transmitted to every part of the body.

Then you begin to feel out of sorts without ever suspecting the cause. No energy or appetite, dull headaches, sleepy and tired and completely fagged-out from the slightest exertion, are some of the deplorable effects of this enfolding malady. As the disease progresses and the blood becomes more deeply poisoned, boils and abscesses and dark or yellow spots appear upon the skin. When the poison is left to ferment and the microbes in the blood, Liver and Kidney troubles and other serious complications often arise. As Malaria begins and develops in the blood, the treatment to be effective must begin there too. S. S. S. destroys the germs and poisons and purifies the polluted blood. S. S. S. is a guaranteed purely vegetable remedy. Write us if you want medical advice or any special information. This will cost you nothing.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour ridings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
