Commoner: Apostle Smoot wired his congratulations to Roosevelt. This would indicate that a certain political bargain has been sealed. Roosevelt will get the Mormon vote and Smoot will continue to wear his toga.

Commoner: Men who toll ten hours a day in the hot sun are asked to have some sympathy for the over-worked government clerks who are compelled to toll seven hours a day in the breeze of an electric fan and refused more than sixty days' vacation on full pay each year.

In paying \$500,000,000 for the conquest of the Philippines, we seem to have bought a gold brick of a confidence man. American trade with the islands does not grow and is smaller than that of the several other nations. Even Spain is selling about three times as much to the Philippines as we are today.—Es.

Ice Cream Social at Looking Glass

There will be a lawn social given by the W. C. T. U., of Looking Glass, on the school grounds, Saturday evening, July 23. Music has been prepared for the evening, and with croquet and other games will form the evening's entertainment. Ice cream and cake will be served at 8 o'clock. A cordial invitation is extended to all.

from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine. This remedy is for sale by Hamilton Drug Co.

Patent Medicine

A man that compounds or invents something that is just a little better than the next best thing, is certainly entitled to the best share of the profits to be derived from the sale of the article. So he patents or copyrights to protect his interests. Patented goods are good goods, poor goods are never patented. We have 20 years of trial behind us to give us the assurance that we have the best medicine compound for the cure of dyspepsia, sick-head ache, biliousness, indigestion and stomach disorders. We protect the public as well as ourselves by keeping the formula a secret. As long as we make it we know it is made right and it cures these diseases. Druggists tell us that it is the one medicine that the sale is ever on the increase. To get the best remedy for dyspepsia or indigestion ask the druggist for Dr. Gunn's Improved Liver Pills, price 25c per box only one for a dose. For sale by A. C. Masters & Co. Druggists.

Burr's Music House

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat

CANCER AND TUMORS

Dr. J. L. Bohannon, late of San Francisco, is well-known throughout California, Oregon, Nevada, and other states and territories as the most progressive and successful Cancer Specialist on the American continent today. He has continued to improve his method of treatment and medicine until he is now treating any Cancer, Tumor, Congested Gland or malignant growth in less than four minutes, with his anti-toxin remedy, which destroys the virus and every fiber of the diseased growth, and it is replaced in a short time with healthy tissue, leaving little scar. Cures in every case if treated before the lymphatic glands or bone becomes affected. The doctor cures many cases of Cancer even after the glands and bone both have become affected. However, to be absolutely sure of a speedy cure at small cost you should have treatment in the earliest stage of the disease. Why treat with the X-ray or Christian Science? They are condemned by the best authority, and every medical journal in the United States and England is condemning the use of the knife for cancer or tumor and advising the doctor to study or try something else. Advise the doctors to experiment on you at your risk. You see it doesn't hurt the doctor. If he experiments on you and you die of cancer he gets his pay just the same. Dr. Bohannon can now justly challenge the world to produce a cancer remedy nearer a panacea for cancer and tumor than he has produced, and he most positively declares there is no other man on earth who has or knows his remedy as he is using it today. If you are afflicted with cancer or tumor you should see Dr. J. L. Bohannon at McCallion Hotel, Roseburg, Oregon, Aug. 1, 2 and 3; at Drain Aug. 4 and 5; at Cottage Grove Aug. 6, or at Portland during the remainder of August and September. Cures guaranteed or money refunded. Examination and consultation free. a1.
