Miss Maybelle Short returned Saturday from a visit with her grand parents, Mr. and Mrs. J. T. Hinkle, on Oak Creek.

Quite a number of young people from Roseburg spent Sunday at the picnic grounds near the River Side farm.

Frank Wood, who has been employed the last few months at the Oak Lawn farm, by E. Dixon, is now working at the Clover Creek Creamery.

Our farmers are quite busy hauling hay and getting ready to thresh. Crops are fine this year considering the dry season.

Thomas Dixon and Claud Short have been improving the roads over the mountain.

Quit a number of our young men went to Wilbur Sunday.

Victor Short, of Drew, Oregon, is visiting his parents Mr. and Mrs. J. H. Short, at Clover Creek Creamery.

Miss Alda Williams, of Roseburg, was the guest of Mrs. J. H. Short last Sunday.

J. H. Short and Thomas Dixon have bought a thresher from the Littrell Bros. and intend doing their own threshing this year. H.

Lane County Shooting.

EUGENE, Or., July 20.—W. W. Korn, residing near Mabel, 23 miles northeast of Eugene, on the Mohawk, was shot and probably fatally wounded by his brother-in-law's wife, Mrs. James Kinman, last night. Trouble had existed between the two for some time.

Yesterday the woman caught Korn's cow on her place and tied the animal up. After taking the cow home Korn did not return the rope and the woman told him that she would shoot him if he did not return it. Securing a shotgun she opened fire at a distance of 20 yards with BB shot, the charge taking effect in his abdomen, face and limbs.

Mr. Inman's Announcement.

We are in receipt of a large communication from Jas. Inman, of Looking Glass, in which he announces that his platform as independent candidate for president of the United States will soon be issued. Of the proposed platform he says:

"I claim that the people will read it with astonishment and with reverence, and that the world will wonder, inasmuch as it will be the best of its time. And that which is the best of its time is ever ahead of its time. And that which is ahead of its time becomes quoted more and more as time rolls on. There will be 14 planks in the platform and a suitable appendix, etc."

He says the platform will contain several thousand words, as it will verify each question or position taken, while the appendix will in part take the place of speech-making during the campaign, and include a summary of the candidate's life.

The platform, he announces, will include planks on good roads, labor, money, pensions, the race question, foreign relations, the Mormon question, Chinese, Japanese and Philippine questions, the Panama canal, national legislation, reasons for having a woman for vice president and as many women as men in the cabinet. It will vigorously oppose all species of public graft and everything that interferes with liberty and justice. He has no quarrel with the socialist platform except that it does not go far enough, and says he has more fear of Debs than of Roosevelt or Parker in the result of the impending campaign, for "the time has come when merit is to take the place of money."

CANCER AND TUMORS

Dr. J. L. Bohannon, late of San Francisco, is well-known throughout California, Oregon, Nevada, and other states and territories as the most progressive and successful Cancer Specialist on the American continent today. He has continued to improve his method of treatment and medicine until he is now treating any Cancer, Tumor, Congested Gland or malignant growth in less than four minutes, with his anti-toxin remedy, which destroys the virus and every fiber of the diseased growth, and it is replaced in a short time with healthy tissue, leaving little scar. Cures in every case if treated before the lymphatic glands or bone becomes affected. The doctor cures many cases of Cancer even after the glands and bone both have become affected. However, to be absolutely sure of a speedy cure at small cost you should have treatment in the earliest stage of the disease. Why treat with the X-ray or Christian Science? They are condemned by the best authority, and every medical journal in the United States and England is condemning the use of the knife for cancer or tumor and advising the doctors to study or try something else. Advise the doctors to experiment on you at your risk. You see it don't hurt the doctor. If he experiments on you and you die of cancer he gets his pay just the same. Dr. Bohannon can now justly challenge the world to produce a cancer remedy nearer a panacea for cancer and tumor than he has produced, and he most positively declares there is no other man on earth who has or knows his remedy as he is using it today. If you are afflicted with cancer or tumor you should see Dr. J. L. Bohannon at McClallen Hotel, Roseburg, Oregon, Aug. 1, 2 and 3; at Drain Aug. 4 and 5; at Cottage Grove Aug. 6, or at Portland during the remainder of August and September. Cures guaranteed or money refunded. Examination and consultation free. al.
