TO HELP SOUTHERN OREGON.

Development League Will Meet in Grants
Pass this Month.

PORTLAND, Sept. 5.—In order to extend the influence of the Oregon Development League still farther throughout the state, there will be held at Grants Pass, Friday, September 23, the Southern Oregon session of the League, and the arrangements for this event are now being made. Secretary Tom Richardson, of the Oregon Development League, is now in correspondence with F. J. Blakeley, of Roseburg, vice-president of the State League, with whom he is arranging for an extensive advertising of the Southern Oregon session.

Vice-President Blakeley will begin at once sending out invitations to all the cities and towns of Southern Oregon, asking them to send representatives to Grants Pass to attend the session. It is expected that the Grants Pass gathering will be the largest in the history of that section, for it will be made plain that the movement is for the benefit of Southern Oregon interests, and the representatives of those interests will be urged to be on hand and help cheer the good work along.

WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often fastens on the lungs, and far too often runs into consumption and ends in death? Can you afford to trifle with so serious a matter? Ack-er's English Remedy for Coughs, Colds and Consumption is beyond question the greatest of all modern remedies. It will stop a cough in one night and will check it in a day. It will prevent cough, relieve asthma and cure consumption. Our faith in it is so strong that we guarantee every bottle to give satisfaction or money back.

Elkton News.

Farmers need rain.

Potato crop light, with potatoes selling at 2 cents per pound.

People seem to be moving and the daily stages are loaded.

Frank King drove a band of 100 head of cattle from this place to Drain this week to be shipped to Portland.

West Reed, of Gardiner, drove 43 head of 4-year-old steers to Drain Sunday, to be shipped to Portland. They were the finest I ever saw go through this place, averaging between 12 and 13 hundred pounds each.

J. P. Woodley, of Eugene University, preached in the Christian church at Elkton Sunday, Sept. 4.

The Rev. Amos Dahuff, of the M. E. church at Elkton, is delivering a series of sermons extending through a week at the M. E. church at this place.

Dr. Tatom was doing dental work in Elkton the past week.

Politics are very quiet here. The people seem to take more interest in the little Jap and his heroic efforts, than they do in who will be president.

Dr. Gunn's Blood and Nerve Tonic.

There is not a woman in this land but at some time in her life would have been the better for the use of this tonic. For diseases peculiar to women a better medicine was never made. It is composed of the ingredients from which the system has been deprived by disease, overwork, or dissipation. It enters at once into the circulation, building up the tissues that have wasted, making pure rich blood in the most direct way. For weak, nervous, and unsteady people, pimplly, pale, or fleshless people, it will make strong steady nerves and give the complexion that wholesome look that indicates health, producing good solid flesh at the rate of 1 to 3 lbs. per week. Druggists sell it for 75 cts. per box, or 3 boxes for \$2. It should be taken after meals, one or two tablets each time. For sale by A. C. Marshers & Co.

Larger Sleeping Car Berths.

One of the few railroad companies that owns and operates the sleeping cars in service on its lines, is the Chicago, Milwaukee & St. Paul.

The sleeping cars on this line were formerly Pullman cars, operated by the Pullman Company, but for a dozen years past the railway company has owned and operated the sleeping car equipment. In building its sleeping cars, a departure from the old standard pattern of cars has been made to the extent of adding about six inches to the width and height of the sleepers. This permits of wider and higher berths. Length has also been added to berths, so that comfort is found in them which is lacking in ordinary sleeping cars.

These large cars are in service on practically all of the lines of the St. Paul road, and are very popular with the traveling public.

Cure for Sick-Headache

We had a letter the other day from a lady in the town of Boulder, Colo., that should be of interest to people who are troubled with spells of sick-headache. She writes that she had these spells about four times a week, was obliged to go to bed and remain there from 8 to 10 hours each time. Had been troubled this way for several years, and the attacks became more frequent. Doctors done her no good, she tried dieting as everybody said it was from her stomach. Seeing an advertisement of Dr. Gunn's Improved Liver Pills, which said, they cure sick-headache by removing the cause, she decided to try once more, and sent 50c. for two boxes. She said she had taken the last pill more than 4 months ago, has not had a sick spell of any kind for over 5 months. Druggists sell these pills for 25c. per box. It only takes one for a dose, they cure sick-headache every time. For sale by A. C. Marshers & Co.
