EVENING ROSEBURG REVIEW.

VOL. VII. ROSEBURG, OREGON, WEDNESDAY EVENING, SEPTEMBER 21, 1904. No. 175.

Motherhood

MOTHERHOOD is the reward nature bestows upon healthy womanhood. Women whose vitality has been sapped by disease cannot safely give birth to children. In pregnancy and in childbirth weakness of the mother is revealed in the pain and agony she suffers.

This great medicine drives out every vestige of inflammation and weakness, and gives tone and strength to the delicate organs which mature the child. The pains of pregnancy are banished by Wine of Cardui, and miscarriages, which blast so many fond mother's hopes, are prevented. Flooding, which so often occurs after childbirth, is corrected when Wine of Cardui is used during pregnancy.

Wine of Cardui babies are healthy babies, because, during the months of pregnancy, the mother is able to give them necessary vitality and strength.

With these facts presented to American women no expectant mother should be satisfied without the re-inforcement that Wine of Cardui will give her. Every mother should be able to treat herself in her home with this valuable medicine.

Wine of Cardui can be secured from any druggist at $1.00 a bottle.

Polycarp, N. C., Jan. 11, 1902.

I am the mother of seven children and while in pregnancy with the first six suffered untold misery until they were born. One month before the seventh was born I began to take a bottle of Wine of Cardui, which gave me relief after taking three doses. I used the remainder of the bottle until the birth of the child, and was stouter in three days after the birth than I was in a month after the birth of either of the first six. I am 29 years old.

MRS. V. ELIZABETH STAFFORD.

BLOODY BATTLE IMMINENT

Reports at Tokio Say the Japanese Have Been Victorious at Port Arthur.

Special to Evening Review.

TOKIO, Sept., 21.—A report received here today from a point near Mukden says General Kuropatkin has decided to make a determined stand at that city. His whole army is now strongly entrenched, awaiting the Japanese onslaught. The battle promises to be almost as bloody as that fought at Liao Yang three weeks ago.

That the remaining defenses of Port Arthur will fall into the hands of the Japanese within a fortnight is the prediction which has arisen from reports just received here concerning the results of the assaults made by the Japanese during the past 48 hours, after two weeks of careful preparation. The reports say that the Japanese have been victorious at every point.

RUSSIANS REPULSED.

LONDON, Sept. 20.—A dispatch from Tokio to a news agency says:

"A strong Russian force made a sortie from Port Arthur on the afternoon of September 18 and attacked the Itzeshan fort, which was recently captured by the Japanese. The fighting lasted some hours, and the Russians eventually repulsed with heavy loss."

A MIRACULOUS CURE OF RHEUMATISM

THE CAL. [illegible] MEDICAL CO.,
OAKLAND, CAL.

GENTLEMEN:—For months and years I was an intense sufferer from violent attacks of Sciatic Rheumatism, and was given up by three leading physicians of Oakland, Cal. (this is my home city) who said I could not recover, and would be a cripple for life. But one day I happened to get hold of a small bottle of OIL OF EDEN manufactured by your Company and used it. Afterwards I used two small bottles more of the Remedy which entirely cured me and I have never had the slightest recurrence of the disease since, although I have been a hard worker, and have been on my feet constantly almost every day since, doing the full work of an all day laborer. I cannot speak too highly of the merits of OIL OF EDEN for curing Rheumatism, and I gladly make this statement for the benefit of suffering humanity. Anyone so desiring can visit me and ascertain personally the extent of my suffering and the miraculous cure that has been effected in my case.

Very Respectfully,
G. FISHER,

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at A. C. ASHLAND, Or., Sept. 20.—Joseph Robinson, an Oregon pioneer of the '50s, committed suicide here this morning by swallowing an ounce of carbolic acid. Robinson, who had lost one leg, had been despondent for some time, and had repeatedly threatened to make away with himself.

Deceased was born in Ohio in 1834, and crossed the plains to the Willamette Valley in the '50s, settling later in Jackson County. He was at one time well-to-do, but had lost nearly everything. He is survived by three sons and one daughter.

MANY TO GO

Roseburg Citizens Will Attend League Convention

PETITION FREELY SIGNED

Whole County Will be Represented as Well at Grants Pass September 23.

Roseburg promises to be splendidly represented at the southern Oregon meeting of the Oregon Development League at Grants Pass next Friday, Sept. 23rd. Nearly seventy residents of the Douglas County metropolis have signified, in writing, their intention of either attending that important convention in person or sending a substitute in case of being unable to be present. The list of these residents, who will join in the movement for a Greater Oregon, as now inaugurated all over the state in the form of local commercial clubs, includes prominent business and professional men of the city. Added to the list are the names of men equally as prominent in the farming and stockraising business.

This delegation of representative citizens will be augmented on their departure for Grants Pass by members of the Commercial clubs of Drain, Oakland, Myrtle Creek and Riddle, besides a number of others from outlying districts. This insures recognition at the league meeting of all the varied industries and resources of Douglas County as regards the relation of each to the pending movement of progress.

One of the most important things which the Roseburg delegation will work for at the meeting is the framing of a petition asking the war department, at Washington, to establish their new army post in this city. This feature alone is well worthy the cooperation of every citizen of Roseburg.

The Southern Pacific Company has granted a special round-trip rate of $2.50 between Roseburg and Grants Pass for the occasion.

Following is the petition circulated in Roseburg to insure attendance at the Convention, together with the names of those who signed it:

We, the undersigned citizens of Roseburg, Oregon, do hereby pledge ourselves to go to the meeting of the Oregon Development League, at Grants Pass, Oregon, September, 23, 1904, or, in event of not being able to go personally, to contribute $2.50 for the sending of a substitute.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." Sour Stomach.

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. New I. O. O. F. Officers,

SAN FRANCISCO, Sept. 20.—The following officers were elected by the sovereign grand lodge:

Grand sire, Robert E. Wright, of Allentown, Pa.

Deputy grand sire, E. S. Conway, of Chicago.

Grand secretary, J. Frank Grant, of Baltimore.

Grand treasurer, M. Richard Muckle, of Philadelphia.

STARVED OUT.

Many a garrison has been forced to give up the fight and hang out the white-flag of surrender, when lack of food has weakened the men past all power to continue the struggle.

Many a man is similarly starved out of business. His digestion is impaired. His food does not nourish him, and for lack of strength to carry on the struggle he turns his store over to another.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength to weak, nervous, run-down men and women.

"About ten years ago I began to be afflicted with stomach trouble, also diarrhea," writes Mr. Wm. [illegible] [illegible]

"If any doubt the above statement let them address me, and I will take great pleasure in answering."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.
