Kelleher News.

The first frost of the season came Monday night, nipping the tomato vines. It was a little early in its appearance, compared with former years.

Mrs. Margaret Campbell and Mrs. Watson have returned to Myrtle Creek, after experiencing a very enjoyable visit of more than a month's duration with the former lady's daughter, Mrs. Oscar Gustafson.

Misses Rae and Lucile Hamilton have returned from hop picking at Creswell. They enjoyed the outing very much, but coming up on the train some light fingered party relieved Miss Lucile of her purse containing quite a sum of money and a number of keepsakes more highly valued than the coin. It is thought the thief got off the train at Cottage Grove.

After an examination by Dr. White, of Norah, Mr. J. J. Kelleher's little daughter, who is troubled in her speech, the latter took his child to Portland, and will leave her there at St. Vincent's hospital in charge of a skilled physician and the sisters. The little one is an unusually bright child, and it is generally hoped that she may be cured of her affliction.

Work is now picking up at the mill, and will be in full force soon as the rains set in.

Dr. T. L. White, of McKeesport, Pa., and Mr. H. VanNess, of Cincinnati, Ohio, are visitors of Mr. W. H. Sykes. They have come out here from the east to inspect the mill property, and express themselves as surprised and highly pleased at what has been done, and what is planned for the future. Besides attending to business they have engaged in hunting and fishing.

Mr. W. A. Roberts has sheared his sheep. The clip averaged seven pounds to the fleece.

Mr. Gifford Hamilton has returned from the hop fields.

Several fine catches of trout have been made in Billy creek lately, some of the fish measuring 14 and 15 inches in length. The larger ones appear to be of the Dolly Varden variety.

Mr. Chas. Hewitt returned home from Winchester Sunday, where he has been a couple of weeks.

Cattle this fall are in fine order, but the feed supply is decidedly short, should there be much snow during the coming winter.

The mill company proposes sowing considerable fall grain for next year's feed for its horses, and to this end is securing plows and harrows.

Mr. J. F. Black is making quite a change for the better in the Stanley place in the way of improving the house, building fences, etc.

Mr. McKillop has finally finished burning his slashing, and his neighbors are quietly taking a fresh breathing spell.

Several small flocks of wild ducks are showing up on the mill pond, and a few of them have got into the pot. REX.

Diphtheria, sore throat, croup. Instant relief. Permanent cure. Dr. Thomas' Electric Oil. At any drug store.

Emergency Medicines

It is a great convenience to have at hand reliable remedies for use in case of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third of the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When pain balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by Hamilton Drug Co.

Larger Sleeping Car Berths.

One of the few railroad companies that owns and operates the sleeping cars in service on its lines, is the Chicago, Milwaukee & St. Paul.

The sleeping cars on this line were formerly Pullman cars, operated by the Pullman Company, but for a dozen years past the railway company has owned and operated the sleeping car equipment. In building its sleeping cars, a departure from the old standard pattern of cars has been made to the extent of adding about six inches to the width and height of the sleepers. This permits of wider and higher berths. Length has also been added to berths, so that comfort is found in them which is lacking in ordinary sleeping cars.

These large cars are in service on practically all of the lines of the St. Paul road, and are very popular with the traveling public.
