Calapooia News.

Married, Oct. 23, 1904, at the residence of the bride's parents, Mr. and Mrs. J. A. Stephens, Miss Bertha Stephens and King N. Carlisle. The bride is one of our most popular young ladies. Mr. Carlisle is a young man born and raised on Camas Swale and stands well up to the standard as far as manly honor is concerned. A number of valuable presents were made by relatives and friends. Mr. C. will manage the Heath prune farm, near Umpqua Perry, where they will be at home after the 30th inst.

Estes Deardorff, of Oakland, was calling on Calapooia friends on the 23rd.

The farmers are getting along first-rate with sowing fall grain.

Mrs. James Ellison fell one day last week and again hurt her crippled leg, but not seriously.

G. W. Stephens and wife, of Oakland, were among us the 23rd. Ex.

Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Hamilton Drug Co.

Platform Coming Soon.

Mr. James Iman was in the city today on business, part of which is political, which includes the compiling to the request of an agent of the Press Association in having a photograph taken of himself and home, which is to accompany a short biography of his life, and his platform in all which is being photographed, all of which will be furnished to the press of the country as soon as the negatives can be developed. Mr. Iman founds his platform on truth, since truth is the easiest backed, and that truths must be taught and saved a sinking land. He further says the first plank forming his platform is on labor and like all the rest is

We work with, not against, doctors

We give doctors the formula for Ayer's Sarsaparilla. Then they can tell, when asked, just what it will do. Suppose you ask your doctor about this medicine in cases of impure blood, thin blood, debility, exhaustion, nervousness, anemia, etc.

treated scientifically.

Each succeeding plank betrays and aids the one following, thus reading gracefully, smoothly and instructively, and with no uncertain meaning. Not like some platforms of present and past time that go bumping along like an old wagon over a poorly constructed corduroy road, and with uncertain meaning to the masses, yet with an eye looking to Wall Street.

His second plank is on money, the third on pensions and the fourth on the tariff, which foregoing he claims are just what the country mostly needs.

Then will follow planks on prohibition of the liquor traffic, woman suffrage, good roads, the Filipino question, including the Chinese and Japanese and the present Russo-Japanese war, the polygamy question, election of U. S. senators by a direct vote of the people, marriage and divorce, God in the constitution, apostolic delegate to Washington and the annulment of two unconstitutional laws. A brief biography of the candidate concludes the document which he expects to make public within a week, and this will also announce who is to be his running mate.

Weak Nervous People.

We have received letters from all parts of the U. S. highly recommending Dr. Gunn's Blood & Nerve Tonic, until the faith we had in the remedy has been fully sustained. We had confidence from the very beginning that this medicine should make cures, but lacked that assurance that comes after many successful trials. Now that we have been upheld in our belief we want to impart to others our confidence. Nervous, and unsteady people, weak, fleshless people, pimply, pale, or sallow people are all victims of weak, watery blood. Make new rich blood, to be forced through the system by way of the arteries, and disease cannot remain. This Tonic cures disease by giving you strength to resist it. All druggists sell it for 75c. per box, or 3 boxes for \$2. The tablets are to be taken after each meal. They turn the food. Persons who take this Tonic gain good solid flesh from 1 to 3 lbs. per week. For sale by A. C. Marsters & Co., Druggists.

Do You Believe in Signs?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs bode a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick-headache follow indigestion and stomach disorders, hiccups, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c. per box. Only one for a dose. For sale by A. C. Marsters & Co., Druggists.

A Pleasant Musical.

The people of Riddle were given a musical treat at Brown's Hall Friday evening Oct. 21, when Miss Helen Willis, the gifted musician, and her well trained class, entertained with a recital. Miss Willis has a class at Myrtle Creek as well as Riddle and they kindly consented to contribute their ability to the pleasant affair. Riddle's band also offered their aid and the evening was spent listening to a variety of good music.

The following is a list of the players and their music:

"Chase of the Butterflies".....Denise Helen Coraunt.

Duet, "The Race Course".....Blake Ella and Amy Armitage.

(a) "Rosetti".....Bachman

(b) "Cradle Song".....Wolf Claire Gazley.

"Bohemia".....Wells Madge Mayo.

"Hunting Song".....Lynes Ethel Kirkpatrick.

(a) "Happy Birding".....Ritter

(b) "The Cuckoo's Song".....Schnecker Margaret Crosby.

"Trot de Cavalier".....Spindler Ella Kramer.

Duet, "Schubert's March op. 40 No. 6" Gussie Brown and Helen Willis.

(a) "Idylle".....Lichner

(b) Salon Polka.....Lichner Amy Armitage.

"Sweet Violet".....Heins Gussie Brown.

Duet, "The Mononetta".....Lynes Margaret and Bousman Crosby.

(a) "The Maybells".....Morley

(b) "The Spanish Dance".....Lake Bousman Crosby.

"The Mononetta".....Lynes Emma Kirkpatrick.

"If I were a Bird".....Henselt Helen Willis.

After the recital the Riddle band entertained the audience with several selections, which were duly appreciated. The audience was quite large and one and all appreciated the musical treat. Admission fees of 10 cents were taken at the door, over \$10, which will be spent in keeping the piano in the hall in repair. Miss Willis will continue to give lessons here until December, after which she will go to Portland to resume her studies under Miss Soule, a talented musician of that city, who is now in Germany studying music.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists in the soil dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most violent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one third the time required by the usual treatment. It is for sale by Hamilton Drug Co.

In order to make room for an entire new line, we will, while our present stock of card mounts lasts, reduce the price of \$3.00 pictures to \$2.00 per dozen. Our present card supply is limited, so if you want to take advantage of these low rates you will have to hurry.

Larger Sleeping Car Berths.

One of the few railroad companies that owns and operates the sleeping cars in service on its lines, is the Chicago, Milwaukee & St. Paul.

Two sleeping cars on this line were formerly Pullman cars, operated by the Pullman Company, but for a dozen years past the railway company has owned and operated the sleeping car equipment. In building its sleeping cars, a departure from the old standard pattern of cars has been made to the extent of adding about six inches to the width and height of the sleepers. This permits of wider and higher berths. Length has also been added to berths, so that comfort is found in them which is lacking in ordinary sleeping cars.

These large cars are in service on practically all of the lines of the St. Paul road, and are very popular with the traveling public.

They Never Fail.

That is what they say about them in Roseburg, and it is, therefore, reliable.

Another proof, some more evidence in Roseburg testimony to swell the long list of advocates who endorse the old Quaker Remedy, Doan's Kidney Pills. Read this convincing endorsement of the claims made for that remarkable preparation:

Mrs. F. J. Harvey living in Edinborough district says: "I have reason to know that Doan's Kidney Pills are up to representations. I speak not only from my own personal knowledge but also from the experience of other users of this valuable remedy. The use of Doan's Kidney Pills in my family was productive of the greatest good. It is a pleasure to know of a remedy which accomplishes so thoroughly and rapidly all that is claimed for it. I procured Doan's Kidney Pills at A. C. Marsters Co's. drug store, and they fully warranted me in making the above statement."

For sale by all dealers, price 50 cents. Foster-Milburn Co., Buffalo, N. Y. Sole agents for United States. Remember the name—Doan's—and take no substitute.

TAINTED BLOOD

Columbus, Ohio, May 19, 1903. Some four years ago I was suffering from impure blood and a general run-down condition of the system. I had no appetite, was losing flesh, and had an all-gone tired feeling that made me miserable. I began the use of S. S. S., and after taking seven or eight bottles my skin was cleared of all eruptions and took on a ruddy, healthy glow that assured me that my blood had been restored to its normal, healthy condition. My appetite increased in weight, and that "tired feeling" which worried me so much disappeared, and I was once again my old self. I heartily recommend S. S. S. as the best blood purifier and tonic made, and strongly advise its use to all those in need of such medicine. VICTOR STUBBINS, Cor. Barthman and Washington Aves.

Wheeling, W. V., May 28, 1903. My system was run down and my joints ached and pained me considerably. I had used S. S. S. before and knew what it was, so I purchased a bottle of it and have taken several bottles and the aches and pains are gone, my blood has been cleared and my general health built up. I can testify to it as a blood purifier and tonic. 1533 Market St. JOHN C. STUBBINS.
