The football game between the Roseburg and Eugene High School teams on the Rose Park grounds Saturday afternoon, was awarded to the latter by a score of 11 to 0. This result was occasioned by a rank decision of the referee in taking the ball from the Roseburg team in the first half when they were only three yards from Eugene's goal line. He acknowledged his error, we understand, after the game was over, but the home team was so chagrined and disheartened after that moment that their playing was not up to that in the earlier part of the

game when they clearly showed their superiority over the visiting team.

Capt. F. B. Hamlin has returned from Portland, bringing with him the trophy cup for the first separate battalion, which was won by Co. "D", of Roseburg, in the O. N. G. state shoot there last week. Should the Roseburg protest against the Salem company for being allowed to shoot twice be maintained, Roseburg will win the state trophy also.
