NOVEMBER 21, 1904.

THE OREGON ELECTION.

Roosevelt Has 42,896 Plurality—Prohibition Beaten 13,657.

PORTLAND, Nov. 20.—Official returns from every county except Curry show the Republican plurality in the last election to be 42,896, and the total vote in the state 90,268. This is the largest plurality the Republican ticket ever received and the heaviest vote ever cast in a Presidential election in Oregon except in 1896, when the money question brought out a total vote of 95,441. That the vote of 1904 was so large is due chiefly to the prohibition issue, which threw into the campaign a local interest that could not be aroused by discussion of National subjects.

One of the noteworthy features of the returns is the evidence of the rapid growth of socialism, the vote of the Socialist party having grown from 1494 to 1900, to 5763 in 1902, and 7615 in 1904.

Compared with the vote of four years ago, the returns show a Republican gain of 14,000 votes, and a Democratic loss of 16,000. Comparisons can scarcely be made with the vote of 1896, for in that year the opposition to the Republican party was represented by a fusion organization in which the strength of the Democratic party could not be very accurately estimated.

In 13 counties in which there was a vote on prohibition, there were cast 29,245 votes for and 42,902 against, showing a majority of 13,657 against prohibition. Prohibition carried in six counties, two in the Willamette Valley, Benton and Yamhill, one in Eastern Oregon, Gilliam and three on the coast, Tillamook, Coos and Curry.

Faith and Fact.

Faith is one thing and fact is another, it sometimes takes any amount of faith to produce one fact. Years of earnest work and faith have produced one fact about medicine that is deserving of mention here. If people who are troubled with general weakness through overwork, dissipation or exposure can get a remedy that will make rich, red blood from the food they eat, their return to health is assured. Good blood is the life of the body as well as the nerves. Weak, sickly, pale people who suffer with indigestion, dyspepsia, sick-headache, loss of strength and ambition, having dizzy spells and always tired, can be cured sound and well with Dr. Gunn's Blood and Nerve Tonic. Sold by druggists for 75c. per box, or 3 boxes for $2. This tonic acts in a common sense way, curing disease by giving strength to resist it. For sale by A. C. Marsters & Co., druggist.

For a Whole Week.

The Georgia Harper Company will open Monday night Nov. 21st, for a week's engagement at the Roseburg Theatre. The opening bill will be "The Power of Love," a very strong production which has never before been played in this city. Some of the other plays will be "Camille," "The Two Orphans," "In Old Virginia," "Cricket, the Cricket," "Woman Against Woman" and others.

Miss Harper is supported by a clean company, and carries a costly wardrobe. Many of her gowns are from Worth, Paris. Probably no company in the West carries a more expensive wardrobe that Miss Harper. Popular prices will prevail.

Home Treatment.

We have a medicine for such troubles as are caused by stomach disorders, resulting in dyspepsia, sick headache and general weakness, that will put the organs of digestion in first-class working condition. Eat wholesome food, have it properly digested, and you have taken away the cause of more than half the ills of life. This medicine is called Dr. Gunn's Improved Liver Pills. Sold by all druggists for 25c. per box. Only one for a dose. They do not digest the food you eat, but do the very best possible thing, put the stomach in condition so that the food you eat is turned into strong rich blood, driving out and preventing disease. Women write us that they use nothing else for the complexion. They keep the skin clear, preventing pimples and liver spots from appearing on the face, and purify the blood. For sale by A. C. Marsters & Co., druggists.
