DECEMBER 21, 1904.

Brockway News.

Weather is fine—foggy mornings and sunshiny afternoons. Grass is good and grain, fall-sown, looks fine. Stock is looking well.

Turkey picking Saturday at Brockway—quite a number of fine birds were picked and crated for shipment by I. B. Nichols, our merchant.

There has been more fall grain sown here this year than for several years past, owing to the good weather.

Mr. Isaac Kent, the Brockway dray man, is always ready to handle your baggage, freight or express. He can heat any young man handling baggage.

There was a dance at the home of Mr. and Mrs. H. W. Davis, last Thursday evening. About 20 couples were there and all had a pleasant time.

R. A. Kercher is farming the Hal Burgess place. He is certainly rushing things. He can be seen plowing before daylight in the morning and after dark in the evening.

Gus Ambrose is driving stage from Roseburg to Oialla.

S. S. Bolsinger is building a fine \$500 hack for a man down on the coast for \$200. When the hack is completed it will be the best hack on the Pacific coast.

Taylor Davis returned home several days ago from a trip to the St. Louis fair. He reports having a fine trip and that the fair was simply grand. It was his first trip East since he left there 13 years ago. He met most of his relatives there and many old friends, but says he met only one old school mate. Taylor spent three weeks in St. Louis and 15 days in Manhattan, Kansas. After leaving Kansas he went to El Paso, Texas, and down in old Mexico. There he said he saw Mexicans of all kinds and some very pretty black haired and black eyed girls. But "oh dear no, I could not speak Spanish." After leaving there he came to Los Angeles and San Francisco. While in San Francisco he made arrangements for shipment of a car load of apples for his father. He had the pleasure of hearing the DeMoss family sing their "Oregon Sweet Oregon" at the Oregon log building at the World's fair, and it made him think of home.

There will be a good time at the Winston hall Xmas eve.

Fruit tree pruning has already begun in this vicinity.

Mr. Merriell is teaching a singing class at the Brockway school house, having about 20 pupils. They are learn-

ing to write and read music very fast.

Mr. Wingate has bought the old Hidding farm where Mr. Lindsey lived. Mr. Lindsey seems to be tired of a country life and has moved to Brockway to live.

Gene Hickson our constable, has succeeded in capturing several large skunks the last few weeks.

Clide Heater, who has been for the last 8 or 10 months at Klamath Falls, returned a few days ago and has accepted a position as assistant post-

master and head clerk for I. B. Nichols.

Earnest Rice, of Rice Creek, passed through Brockway one day last week, having 8 or 10 hounds with him. We think he was after a coyote.

H. W. Davis shipped a car of five apples to San Francisco, on the 10th. A. M. Q.

Indigestion, insomnia, overwork, may be the possible cause of your headache, but Wright's Paragon Headache Cure is as certain as the sunrise. No scientific truth more wonderful than the amount of positive relief contained in one small Wafer or Tablet. Down goes the cure, away goes the headache, up goes your spirits. That is the process. The most desirable feature of this medicine is its immediate action, as it will generally relieve the most severe pain in five minutes, while at the same time it is harmless, tasteless, will not purge or disturb the stomach, and has no unpleasant after effects. Wright's Paragon Headache Cure may be relied upon as being entirely free from anything of an injurious nature, and is absolutely without a rival.

When You Go to Portland—

Don't forget to call at 1524 North 6th street for a nice room. Look for the sign "Eldora" on the first building on the left side of the street as you leave the Union depot. d-sw tf C. W. HESS, Prop.
