Some Roseburg People Fail to Realize The Seriousness.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills, Are serious—if neglected. Dangerous urinary troubles follow. A Roseburg citizen shows you how to avoid them.

Edwin Billings, now retired residing on Jane street East End, says: "At intervals for seven or eight years I have been annoyed with irregularities of the kidney secretions and suffered from severe pain in the small of my back. I don't know what caused it, but coming on at first gradually I kept getting worse as time rolled by. Finally I got so bad that on more than one occasion I was about used up. I know what caused the trouble but how to check it or cure it was a mystery. When in bad shape several months ago Doan's Kidney Pills were brought to my notice and I procured a box at A. C. Marster's drug store. The results I obtained were decidedly satisfactory. To say I endorse Doan's Kidney Pills expresses my opinion very mildly."

Drain Normal Notes.

Miss Sibyl Kuykendall and Prof. Signs are on the sick list. Many of the students and teachers are expecting to spend their Christmas vacation at home.

The faculty of the C. O. S. N. S., have instituted the pleasant custom of giving birthday surprise parties, on the birthday anniversary of each of its members, the only question being to find the correct date, since, the way the game is played, each teacher tries to keep that time a secret, but so far the united scheming of the faculty has proven too much for the cunning of its individual members, and three such surprises have been successfully carried out. The last one was given last Thursday evening in honor of Miss Bertha White. The clue in this case being a bible which she had received as a birthday present. Miss White says this is the first time her bible ever betrayed her. A most pleasant evening was enjoyed.
