No More Stomach Trouble.

All stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, and the rest restores the body to health. You don't have to diet yourself when taking Kodol's Dyspepsia Cure. J. J. D. Erskine, of Allenville, Mich., says: "I have suffered heartburn and stomach trouble for some time. My sister-in-law had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." YOUNG WIFEHOOD
Boston, Mass., 152 Shawmut Ave., Oct. 25, 1902.
After I had been married about four months I felt my health generally decline. I seemed to lose the light step and dragged wearily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery. The menstrual flow became more and more profuse and I was unable to attend to my daily duties. My husband called in three different physicians and I took enough medicine to kill or cure a dozen women, but it all had no effect on me whatever, until I took Wine of Cardui. In a few days I felt a change for the better, my general health improved and at the next time of my periods my bow was more natural and I was in less pain. Gradually I recovered my health and strength and am now in perfect health. I take an occasional dose of Wine of Cardui which keeps me well.
I am anxious to give you this endorsement.
Beth Ricker
President, Rock Bay Woman's Club.
Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens weak and worn-out women of any age and assists the mother and housewife to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.
It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer hysterical attacks, because Wine of Cardui gives them strong nerves freed from the irritation of female suffering.
A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.
