FEBRUARY 21, 1905.

Oregonian: The local option people regard their law as the republicans do the tariff—they admit that it should be revised, but they want it revised by its friends.

One Killed; 40 Hurt.

PATERSON, N. J., Feb. 20.—One young woman was killed and about 40 persons were injured, 15 of them badly, by the derailing of a "commuters' " train on the Erie Railroad near Fair-lawn today.

Social Events at Junction.

Junction City, Ore., Feb. 18, 1905. EDITOR REVIEW: Perhaps the most brilliant social event of the season in form of a reception was given at the home of Col. F. W. Folsom on Saturday, Feb. 11, 1905, in honor of Mr. and Mrs. Harvey Warner, who will leave soon for San Diego, Calif.

dear old state left behind. The afternoon was spent with games and music, the most pleasing being a doll dressing contest at which Mrs. Arminia Kaiser won the handsome prize.

At 8:30 p. m. the same home was thrown open by these courteous ladies to more than 20 guests, both ladies and gentlemen, in honor of Mr. and Mrs. Warner. The evening was pleasantly spent with games, music and recitations. Deserving special mention was the instrumental solos by Miss Dessie Linder, and Duet "Ye Merry Birds" by Mrs. Mark Montgomery and Miss Folsom.

Those receiving prizes are: Mesdames Moorehead and Lee, Miss Star and Dr. Lee. Dainty refreshments were served at small tables, the beautiful china and silver adding much to the beauty of the affair. "God be with you" was then sung. Mrs. Warner in behalf of her husband responded in her usual pleasing manner with a few well chosen remarks, bidding farewell to their many friends in Oregon.

Fraud Exposed. A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other ailments, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years.

ACCEPTED BRIBES

Four California Senators Will be Expelled by Colleagues.

SACRAMENTO, Cal., Feb. 20.—The special committee appointed to investigate bribery charges against Senators Emmons, Bunkers, Wright and French recommends that they be expelled from the Senate.

The Senators mentioned were accused of demanding and accepting a bribe for protecting certain building and loan associations from investigation by the Legislative committee on retrenchment and reform, of which they were members. A trap was set for them. Marked bills were given to a go-between, who was seen to pass the money to them. Each Senator received \$350. They have been indicted by the Sacramento County Grand Jury.

It is the general impression that the report of the committee will be adopted, and the accused Senators expelled, as sentiment in favor of that action is very pronounced among the members of the body.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me."

Land Fraud Trials in June.

WASHINGTON, Feb. 20.—District Attorney Heney said today that the Mitchell-Herrmann-Williamson land fraud cases will probably not be tried before June. He talked the matter over with Judge Bellinger at Portland, and the Judge thought April a bad month to get a jury. The court expects to move back into its own quarters in May, and does not want the trials on while moving. Furthermore, there will be further investigation by the grand jury in April, which might interfere with the trials in court.
